There was a noble lad. Kind and true, and true to his word...

Bachelor Buttons.

"Write again, Aunt Anna? My nephew said to me coming to my library by courtesy...

"No, it is not a suggestion for ladies of education and refinement, but say women can try it. I believe the world never heard of such a thing before...

"That wasn't really her name, but we called her so. Her name was Hannah Dutton, and she was also called for our college. You should see her, Aunt Anna...

"Oh, I said, 'I'm really delighted.' 'She had a wife of a house at the gate, and the husband was a widow and years...

"So Walton he called a meeting in the evening, and told us all about the babies and Mrs. Dutton's idea. It was greeted with enthusiasm, as they say in the newspapers...

"Gentlemen, I was thoroughly cured of indigestion by using only three bottles of B. B. B., and truthfully recommend it to all suffering from the same malady."

"If you want to buy or sell a Farm, advertise in the Toronto Weekly Mail. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase."

CONSUMPTION CURED.

An old physician, Dr. J. H. Williams, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested his wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. Harris, 890 Power's Block, Rochester, N. Y.

It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.
