WHERE DO YOU BUY?

A man brought in a pair of Spectacles to be repaired—of course they will break—That is not the point, it is the price paid for them we want to call your attention to.

Said party told us they cost him \$1.50. He bought them of a pedlar. We showed him exactly the same kind of Spec's our price.

Do you buy of Pedlars?

We can save you dollars and cents.

GIVE US A CALL.

LITTLE LOCAL BRIEFLETS

Which Caught the Eyes or Ears of  
Free Press Reporters this Week.

St. Patrick's day to-morrow.

Equinavian gales are now blowing.

The Easter military openings are  
arranged for:

The day and night will be of equal  
length next Tuesday.

Regular meeting of Municipal Council  
next Monday evening.

Shamrocks in the morning—the time  
honored "seventeenth."

Division Court session here to-day.

with a number of interesting Old Country  
papers.

The Y. P. S. C. E. of Knox Church,  
have changed their night of meeting to  
Tuesday at 8 o'clock.

Mr. O. Stoll, who is at present in  
Rochester, N. Y., has favored the Free  
Press with interesting details of that city.

The Evangelistic services in the Metho-  
dist Church continue skeevenging. fruitful  
results have thus far characterized the  
services.

The Waterloo Chronicle has been en-  
larged and improved. Under Mr. Bean's  
management the Chronicle has abundantly  
prospered.

"Constant Reader" should have signed  
his name to the communication sent the  
Free Press. That would have saved it  
from the waste basket.

George Thorpe, of Guelph, shipped last  
week five cars of potatoes to different  
points in Ontario. Mr. Thorpe predicts  
that the price of potatoed will fall soon.

Sacramental services in Knox Church on  
Sunday were well attended. Rev. Mr.  
Lee preached impressive sermons. The  
preparatory sermon was preached by Rev.  
Mr. Linton, of Malton, on Saturday  
morning.

The constant drop of water wears away  
the hardest stone. The constant drop of  
Tower masticates the hardest bone. The  
constant congealing covers off the blaz-  
ing mid; and the Fizz Pizzas advertiser  
is the man who gets the trade.

Anniversary missionary services were  
conducted on Evertown Circuit last Sunday  
by Rev. H. B. Christie with most enjoyable  
results. The missionary offering of the  
Brick Church were double those of last  
year, and Evertown is also increased.

A commercial exchange address for-  
mers holds up well but the bulk of farmer's sport has not  
marketed. Those who yet have long should  
market them without delay. By holding  
on money will likely be lost to the farmer.

One of the representatives of the Milton  
Press Brick Co. was in town last week  
and stated to the Free Press that he had  
sold more brick in Acton than any other  
place of its size in the County. There will  
be considerable building here the coming  
season.

Missionary services will be held in the  
Congregational Church, Churchill, to-mor-  
row evening. Addresses will be given by  
Rev. B. W. Williams, Guelph; Rev. D. Mc-  
Cormick, Georgetown; and Rev. Chas. Duff  
M.A., Toronto. Rev. L. B. Duff, the pastor,  
will preside.

The spring announcement of the  
Manse House, Georgetown, will be  
found in another column. The many new  
goods just opened will be found particularly  
attractive this spring. N.M. McLeod & Co  
claim that customers cannot be served  
cheaper or better anywhere else.

The probabilities are that through the  
influence of Mr. James Innes, member for  
South Wellington, and Mr. Henderson,  
member for Halton, a tri-weekly newspaper  
will be started to Armstrong Mills, Speed-  
side, Guelph and St. Jacobs. Two weeks a week  
are now the postal communication to these  
places. If the new arrangement comes  
into force the mails will likely be delivered  
every Tuesday, Thursday, and Saturday,  
which will be a great convenience to the  
people in that section.—Guelph Mercury.

Buy your groceries, fresh and new, and  
Canadian and American Coal Oil at T.  
H. Hartson's.

T. A. Mason has moved this week into  
his new store, Corner Mill and Main st.,  
and in thanking his numerous customers  
for their liberal patronage since opening  
up business (two years ago) in Acton,  
wishes for a conference of those support-  
ers who have given. I am now opening up  
a large and choice stock of Canadian and  
Glassware which will be well worthy of  
your inspection. My prices will be as  
usual. I have always made it a point to  
deal honestly with my patrons and by  
keeping the best goods and selling at close  
prices, paying strict attention to my busi-  
ness, I am anticipating an increased trade.
