The Young Folks.

KINDNESS.

By Marion Douglas.

The softest little fuzz of fur!
The gentlest, most persuasive purr!
Oh, everybody told me that
She was the "loveliest little cat!"
So when she on the table sprung,
And lapped the cream with small red tongue,
I only gently put her down,
And said, "No, no!" and tried to frown;
But if I had been truly kind,
I should have made that kitten mind!

Now, large and quick, and strong of will,
She'll spring upon the table still,
And, spite of all my watchful care,
Will snatch the choicest dainties there
And everybody says, "Scat! scat!
She's such a dreadful, dreadful cat."
But I, who hear them, know, with shame,
I am the only one to blame.
For in the days when she was young,
And lapped the cream with small red tongue
Had I to her been truly kind,
I should have made that kitten mind!

SAUCE FOR THE GOOSE IS SAUCE FOR THE GANDER.

The Rev. Dr. Macleod, father of the late Norman Macleod, was proceeding from the manse to the church to open a new place of worship. As he passed slowly and gravely through the crowd gathered about the doors an elderly man, with a peculiar kind of wig, known in that district—bright, smooth, and of reddish brown—accosted him:

"Doctor, if you please, I wish to speak to you.

"Well, Duncan" said the venerable Doctor, "can ye not wait until after worship?

"No Doctor, I must speak to you now; it is a matter of conscience."

"Oh, since it is a matter of conscience, tell me what it is; but be brief, for time presses."

"The matter is this, Doctor. You see the clock yonder on the face of the new church? Well, there is no clock really there—nothing but the face of the clock. There is no truth in it but once in twelve hours. Now, it is in my mind, and against my conscience, that there should be a lie on the face of the house of the Lord."

"Duncan, I will consider the point. But I am glad to see you looking so well; you are not young now; I remember you for many years: and what a fine head of hair you have still!"

"Eh Doctor, you are joking now; it is long since I have had my hair."

"Oh, Duncan, are you going into the house of the Lord with a lie on your head?"

The Doctor heard no more about the lie on the face of the clock.—*Selected.*

NEEDED REPAIR.

The old practice of badgering witnesses has almost disappeared from some courts, but in a western Kansas town it is still kept up—sometimes, however, to the damage of the cross-examiner.

Lawyer S. is well known for his uncomely habits. He cuts his hair about four times a year, and the rest of the time looks decidely ragged about the ears. He was making a witness describe a barn which figured in his last case.

"How long has this barn been built?"

"Oh, I don't know. About a year, mebby.

"But just how long, tell the jury how long it has been built."

"Well, I don't know exactly. Quite a while."

"Now Mr. B, you pass for an intelligent farmer, and yet you can't tell how old this barn is; and you have lived on the next farm for ten years. Can you tell how old your own house is? Come now, tell us how old your own house is, if you think you know."

Quick as lightening the old farmer replied:

"Ye want to know how old my house is, do ye? Well it's just about as old as you be, and needs shinglin' about as bad!"

In the roar that followed, the witness stepped down and lawyer S. didn't call him back.—*South's Companion.*

OLD IRON.

The three oldest known pieces of wrought iron in existence are the sickle blade that was found by Belzoni under the base of a sphinx in Karnac, near Thebes; the blade foun by Col. Vyse imbedded in the mortar of one of the pyramids, and a portion of a cross-cut saw which Mr. Layard exhumed at Nimrud—all of which are now in the British Museum. Another old piece of iron is the wrought bar of Damescas steel which King Porus presented to Alexander the Great. This bar, which is of unknown antiquity, is still carefully preserved in the National Turkish Museum at Constantinople.

The Best Beverage.

An enthusiastic lover of chocolate affirms that for those who wish to keep the imagination fresh and vigorous chocolate is the beverage of beverages. However copiously you have lunched, a cup of chocolate immediately afterward will produce digestion three hours after and prepare the way for a good dinner. It is recommended to every one who devotes to brainwork the hours he should pass in bed; to every wit who finds he has become suddenly dull; to all who find the air damp, the time long and the atmosphere insupportable; and, above all, to those who, tormented with a fixed idea, have lost their freedom of thought.—*Omaha World-Herald.*

How they Came.

Midas—When I came I didn't even have a pocket.

Croesus (admiringly)—How?

Midas—I was born here.

No matter how the nurse girl is abused she will never prefer her charges to a policeman.

CHILDREN who are puny, pale, weak, or scrofulous, ought to take Doctor Pierce's Golden Medical Discovery. That builds up both their flesh and their strength. For this, and for purifying the blood, there's nothing in all medicine that can equal the "Discovery."

In recovering from "Grippe," or in convalescence from pneumonia, fevers, or other wasting diseases, it speedily and surely invigorates and builds up the whole system. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, rouses every organ into natural action, and brings back health and strength. For all diseases caused by a torpid liver or impure blood, Dyspepsia, Biliousness, Scrofula, Skin, and Scalp Diseases—even Consumption (or Lung-scrofula) in its earlier stages—the "Discovery" is the only guaranteed remedy.

It doesn't benefit or cure, in every case, have your money back.

NOTES HERE AND THERE.

Items of General Interest to Free Press Readers.

You Can't Get too Much.

Of a good thing. This is eminently the case with Polson's Nerviline, and great pain cure. It is an honest remedy, for it contains the most powerful, the purest, and most certain pain subduing remedies known to medical science. It is honest, because it is the best in the world. It only costs 25 cents to try it, and you can get a bottle at any drug store. Nerviline cures toothache, neuralgia, pain in the back or side. All pains are promptly relieved by Polson's Nerviline.

People know the shad season is at hand. They feel it in their bones.

Mr. J. R. Allen, Upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles and Kidney Complaint. We tried too physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."

When a man whistles is he perpetrating vocal or instrumental music?

Experience has Proved it.

A triumph in medicine was attained when experience proved that Scott's Emulsion would not only stop the progress of Pulmonary Consumption, but by its continued use health and vigor could be fully restored.

You can sometimes tell when a man begins to backslide by his breath.

Colic and Kidney Difficulty.—Mr. J. W. Wilder, J.P., Lafargeville, N. Y., writes: "I am subject to severe attacks of Colic and Kidney Difficulty, and find Parmelee's Pills afford me great relief, while all other medicines have failed. They are the best medicine I have ever used." In fact so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body.

Her portrait shows that Queen Elizabeth had a ruff appearance in full dress.

Tariff Reform.

Tariff Reform is in the air. The praises of B. B. B. are heard everywhere. No other medicine cures all diseases of the stomach, liver, bowels and blood so rapidly and so surely as Burdock Blood Bitters.

A Canadian Favorite.

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus, diarrhœa and bowel complaints prevail. As a safeguard Dr. Fowler's Extract of Wild Strawberry should be kept in the house. For 35 years it has been the most reliable remedy.

Safe Certain, Prompt, Economic—These few adjectives apply with peculiar force to Dr. Thomas' Eclectric Oil—a standard external and internal remedy, adapted to the relief and cure of coughs, sore throat, hoarseness and all affections of the breathing organs, kidney troubles, excoriations, sores lameness and physical pain.

Bad Blood Cured.

GENTS,—I have used your Burdock Blood Bitters for bad blood and find it, without exception, the best purifying tonic in use. A short time ago two very large and painful boils came on the back of my neck, but B. B. B. completely drove them away.

CONSUMPTION CURED.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English with full directions for preparing and using. TWILIGHT.

Slowly dies the long June day,
Softly rolls the earth away,
Lovelier light at length divining,
All a dream of misty bloom,
Trembling stars, and golden gloom,
Larger heavens and sweeter shining—
Which is deeper, dusk or day?

Where the glory dyed the dark,
Lost in light the ruby spark,
Violet gleam, and saffron splendor,
Melted ming'o into one,
When the long June day is done.
All the depths throb close and tender—
Is it day or is it dark?

Love! the long June day has life,
Silver showers and sunny strife—
Now its rosy wealth fades o'er us!
Rich vast twilight lifts p'er us!
Yet what freedom of the skies
Parts the star-town way before us—
Is it death or is it life?

—*Harper's Bazar.*

A Complicated Case.

SIRS,—I was troubled with biliousness, headache and loss of appetite. I could not rest at night, and was very weak, but after using three bottles of B. B. B. my appetite is good and I am better than for years past. I would not now be without B. B. B. and am also giving it to my children.

A wonderful new combination is R. Stark's Headache, Neuralgia and Liver Powders; nice to take and perfectly harmless. Mrs Mary Keate, 68 Main street, Hamilton, says: "For years—in fact all my life—I have been troubled with severe headaches. I have tried all the remedies I could hear of, and have been treated by many doctors, but with very little good results. A friend recommended your headache, neuralgia and liver Powders some time ago, and I have found them to be the greatest blessing to me—in fact, I can truly say they are perfectly wonderful. I would not be without them for more than I can tell." Mr. Flook, station master Grand Trunk Railway, Hamilton, says: "They cured my most severe headaches, which I had for at least three years." Price 25 cents a box. Sold by all medicine dealers.

Why suffer from week nerves, want of appetite, and general debility, letting the loss of sleep and rest impoverish the system and thin the blood, when such a really meritorious remedy as Northrop & Lyman's Quinine Wine may be had at any drug store? This article is recommended by the highest members of the medical faculty in cases of indigestion, general debility, loss of appetite, and nervous affections of all kinds. It is also especially beneficial to children and delicate females, and to business men, students and those who have much brain work. We would say, Never be without it. It will strengthen you, keep your system in regular order, and enable you to successfully grapple with the work you have to do. It is pleasant to the taste, and contains nothing injurious to the most delicate constitution.
