Paris Green.

A report is being circulated that the Paris Green which I am selling is not pure, being mixed with floor. Now I wish to say that whoever originated or circulated such a report are guilty, of circulating a downright falsehood.

Grimsby Park Programme.

The Grimsby Park programme for 1893 has been issued, and it is more than usually attractive. Residents of the park will find the time most agreeably laid out between lectures, excursions and entertainments.

Minard's Liniment is the Best.

THE NEWS AT HOME.

Mostly of a Local Character, and very Item Interesting.

A Lawn Party at the Parsonage.

A lawn social will be given at the Methodist Parsonage, Bower Avenue, on Monday evening, 10th of July, under the auspices of the Ladies' Aid. Those who have attended the very enjoyable socials at the Parsonage since Rev. and Mrs. Edge came to Acton know that the coming event will be a pleasurable social evening.

Excursion to Toronto.

The fourth annual excursion conducted by Eramosa Sunday School Association will take place next Thursday, 6th July to Toronto. The excursion includes a sail on the lake on the Steamer "Primrose." Tickets for the round trip are sold at $1.00; children 45 cents. A special train will leave Rockwood at 6 a.m.; returning, will leave the Union Station, Toronto, at 6.30. The train will stop at Acton both going and returning.

The Jesuit Fathers Withdraw.

The Guelph *Herald* says:—It was announced in these columns last week that the missions of Acton and Georgetown had been relinquished by the Jesuit Fathers of this city. It has since been learned that Oustic also has been given up by them, which fact was announced to that congregation on Sunday, to their deep regret. The members of Our Lady's congregation will be pleased to learn that this change will not necessitate the removal of any of the fathers from this place.

Acton Cornet Band's Serenades.

During the past couple of weeks the Band has given several delightful open air concerts which have been enjoyed by our citizens. Each evening they have visited a number of citizens. On Monday evening Mr. and Mrs. John Cameron were serenaded, and they hospitably entertained the members. Mr. J. C. Hill, leader, desires the FREE PRESS on behalf of the Band to tender hearty thanks to Messrs. J. Warren, J. V. Kennedy, J. Cameron and Councillor J. E. Corey for their liberal contributions, in all $25.00.

Halton Temperance Societies' Union.

The annual meeting of Halton Temperance Societies' Union was held in Milton last Friday. Mayor Dee presided and representatives were present from various points in the County. Messrs. W. Williams, I. Francis, R. J. McNabb and Albert Laing were delegates from Acton Temperance Union. The outlook was fully canvassed and it was decided to make systematic effort to secure a large vote in favor of prohibition in the plebiscite to be taken at the next municipal elections. A meeting of the Union will be held in Acton on the third Thursday in January.

A Word for Halton Boys.

Camp Niagara was broken up on Saturday and the various battalions left for their homes. The camp was very successful, the work well done by the men, and officers gained much experience by the instruction which they had to give. The Toronto *News* says:—"Notwithstanding the praise that the 31st Grey Battalion received from the Minister of Militia, it is by no means certain that it will win the Gzowski cup. The 31st are superior to members and physique, but for cleanliness and smart drill they are inferior to the 20th Lorne Rifles of Halton."

The Traders' Bank's Past Year.

The lines of the Traders' Bank seem to have fallen in pleasant places for the year just closed. Not many banks can point to so highly creditable a record in a brief eight years of existence, and the very satisfactory condition of the bank's finances in a period of marked commercial depression attests the keen foresight and soundness of judgment of the board of directors. It will therefore be learned with no small measure of satisfaction that the retiring board were unanimously re-elected. The net profits for the year are $61,194, and the total assets $4,764,706. The increase in deposits, amounting to $657,610, exceeds that of any previous year, although the rates of interest paid have been lower than formerly. The management may therefore be excused for congratulating themselves on the excellent state of affairs set forth in another column.

Rev. Dr. Paton's Visit.

The people of Acton and vicinity were especially privileged Monday evening in being permitted to hear Rev. Dr. Paton the venerable and successful missionary to the New Hebrides. Dr. Paton's time is so fully taken up that places outside the cities and larger towns are rarely visited. The congregation was very large and listened with undivided interest to the history of the remarkable work among the cannibal islands of the New Hebrides group. The murderous attacks of the savages in their barbarous condition and the marvellous change wrought in their character when the grace of God had touched their hearts was vividly portrayed. There are now about 15,000 converts to christianity, and the people are calling loudly for missionaries in many quarters. Dr. Paton's address throughout was highly instructive and calculated to inspire his hearers with missionary zeal. His entire being seems centred in the grand work of evangelizing the thousands still in heathen darkness in the country referred to. A liberal collection was taken at the close of the meeting. A considerable number of visitors from the surrounding country were present.

GEORGETOWN.

The *Mail* did the town proud on Saturday. And didn't we show up well? That view of Main Street, looking southeast" would grace a city. The descriptive matter is good, and Georgetown will no doubt reap much benefit from the *Mail's* efforts in making the place the subject of an illustrated edition.

Rev. D. A. Moir, the new pastor, will preach his inaugural sermon here on Sunday.

Rev. A. J. Irwin, B. A., of Norval, arrives this week and occupies the pulpits of his circuit on Sunday for the first time.

A number of our citizens attended the C. E. Convention at Acton last week.

KNATCHBULL.

On Thursday, June 22nd, Mr. George Dredge, of Knatchbull, raised a fine bank barn 40 by 60 feet. Mr. Jas. Logie is framer and Mr. William Laing, mason. The sides were explained by Messrs. John Irvine, of Sodom, and Duncan McPhedran, of Brookville, the former coming in away ahead, his side having their plates and rafters up before their opponents got their perline plate in place. After the raising was over the young people had a game of base-ball and foot ball.

So let us sing, long live the Queen,
And "George" long live he,
And when he next doth raise a barn,
May I be there to see.

Mrs. Langhill is putting a new roof on her house and Mr. John Anderson is putting up a fine woodshed to Knatchbull is getting quite lively again.

The spring wheat is out in head, also the barley.

Haying will be on in another week.

OAKVILLE.

Farmers and fruit growers in and around Oakville are congratulating themselves for all their fond hopes of a heavy fruit crop this year have been dispersed at one fell swoop. The storm that struck the town Sunday evening about 5 o'clock was heavier than any in the memory of the oldest inhabitant. The hailstones came down in a fast and furious manner and completely depleted the trees of their store of young fruit, while the strawberries for the Toronto market will be more conspicuous for their absence than for their flavor during the coming week. The road to the pier and the Lake Shore road near the bridge were both washed out and made quite impassable for vehicles. Almost the entire fruit crop was destroyed.

The delegates from Oakville to the Christian Endeavor Convention at Acton last week speak in high terms of the character of the Convention and their reception at Acton.

Rev. and Mrs. Craig leave next week for Montreal to attend the great C. E. Convention.

MILTON.

The Council is about to return the new bell.

A monster calithumpian procession, headed by the band, will parade through the principal streets to the agricultural grounds, where a baseball match will be played by the Campbellville and Milton clubs. The afternoon will be taken up with games and sports.

The anniversary services of Knox Church were conducted on Sabbath by the Rev. D. J. Macdonnell, B. D., of Toronto. A social meeting was held on Monday evening, at which addresses were delivered by Rev. J. Pickering and Rev. P. T. Mignot, of Milton, Rev. W. J. Clark, London, and Rev. D. McTavish, Toronto. Splendid music was rendered by the choir, assisted by A. M. Gorrie, Toronto, tenor, and Robert Elliott, baritone. Judge Snider, acted as chairman. The attendence was large.

OUR . . . CARPET . . . TRADE

Has been a perfect marvel to us this season. Being the first season, with ever so many people not knowing that we keep Carpets, with the awfully upset condition of our premises, Carpet sales have been simply phenomenal. Over and over again have we sold to people who have looked all through the trade, and then came back to us.

Beautiful patterns and low prices have been the attraction par excellence. As we are making a complete revolution in our premises—bringing the Carpet and Furnishing Department down from the third to the lower floor---we will offer for the balance of the season every piece of Carpet at a big bargain. We are importing heavily for the fall, and want to clear out every piece in stock now.
