will not be many generations before the
sporting man will have nothing to do but
put a pneumatic tire on himself.

Ukara Proprietary.

Ukara to make times hard, cause the
people to make people quickly in
times of trouble, and to make people
without much due to hunger, butcher,
baker, and professional men. Money looks
up and out of circulation is of no benefit
to any one. A hundred dollars paid to
laborers net little & hundred claims with
a week. Keep the money moving. Pay
your little bills, and help to keep the
circulation up. Locking money up is
like taking the blood from the human body.
It weakens the man, and causes him to
trot. Healthy people always have a good
taste for a man who pays promptly.

Mr. George V. P. N. C. E. Speake.

The "Acton" church, in connection
with the Disciple Church, on Thursday evening,
was a marked success. About seventy-five
of the young people of this church had
assembled to spend an enjoyable and profit-
able evening. The ladies had provided a
good supply of refreshments, including ice-
cream, which could tempt the appetite of
an epicurean. These received due consider-
ation, after which a choice program of
readings and recitations were ren-
dered. Misses Agnes, who attended the V.
H. C. Jermyn's meeting at Montreal in
July, also spoke, giving an interesting in-
structional talk.

was well attended. The food was
excellent and extremely watery by the
large crowd. The home train spot by two
strangers. The bag pipes were masterfully
played by Piper Sharp, while Acton Cornet Band
did themselves much credit in the choice

The second Annual Harvest Home
Festival, under the auspices of the Ladies Aid
Society, of the Disciple Church, on Saturday
evening, was held on the 1st inst. at the
George Easton Hall on Tuesday, 29th of August.
While the weather was un-
favorable in the morning, we were favored
with a beautiful afternoon and evening. A
grand supper was served, when ample time
was given to the good things prepared
by the lasses, who are capable of getting
up a number of suppers. At 8 p.m. the
pastor, Rev. Mr. Robinson, called the
meeting to order, and the singing began.
The rendering consisted of music and singing
by the Salvation Army Band from Guelph.
The Misses Hall, (engaged) gave some of their fine selections, which were
highly appreciated. Addresses were
delivered by Rev. H. Caldwell, J. Fisher,
A. Blair, H. Cook, and J. Edge, Acton.
After the singing, the congregation gathered
around the piano, and the organ, and the
clergy sang with each other to their
advice, entertain the delegates.

On the evening of the 23rd August, Mr.
and Mrs. W. D. Gordon celebrated their
golden wedding day. There were present

evening was spent. After partaking of the
splendid dinner provided for the occasion
the company adjourned to the parlor

Church, by Rev. W. H. Dean, then
