THE NEWS AT HOME,

Mostly of a Local Character, and Every Item Interesting;

A Fatger at Oakville.

Messrs. C. W. Anderson & Son, of Oakville, wrote the *Globe* on Saturday, as follows: We beg to write you of a clever swindler's work here yesterday, and think the public should know of him. In some way he obtained two blank checks on our bank, found out the name of one J. J. Mason, who keeps his account with us, forged his signature and filled out two checks for $12 and $16 respectively. In the evening he made his way to two merchants, getting one called at each store, first buying a few goods and receiving cash for balance. To-day the checks were presented for pay ment but were at once detected by us to be forged. He is of medium height, light complexion and is believed to have boarded the ten o'clock train for Toronto last night.

A Useful and Busy Man.

Mr John Duff, President of Acton Horticultural and Agricultural Exhibition, is in Toronto this week as a judge of Clydesdale Stallions Mr. Duff's judgment of horse flesh is justly stated in the following article taken from the *Farmer's Advocate* of Manitoba and Western Ontario, which speaks concerning him at Winnipeg Exhibition "The Clyde class contained nearly sixty entries. The gentleman who acted as judge was Mr Duff, of Rockwood, Ont. The cautious way in which he placed the awards on the animals convinced and gave the public every confidence in his judgment, there being little or no grumbling, as is generally the case, and on the whole the work was well done, and it was certainly not a case of giving the prizes to meg." At Brandon, the credit awarded Mr. Duff for the satisfactory performance of his duties was even more commendatory than that at Winnipeg At Winnipeg Mr Duff was invited to return to act as judge next year It might be mentioned that Mr Duff did not exhibit his horse at the World's Fair as he at first intended doing.

The fair to be held on Tuesday and Wednesday, 3rd and 4th October, promises to be the best ever held in Acton under any auspices The increased scope, this year, the enlarged prize list, the attractive list of specials, and the fact that the affair is recognized by the government will all contribute to the unusual success which is anticipated by the officers and friends of the society The exhibits in the hall will all be in place by noon of the first day and during the afternoon this judging will take place. In the evening the hall will be opened to the public and, in addition to the attractions of numerous articles on exhibition, Acton Comet Band will contribute a varied programme of selections. R. will issue tickets to Acton for the two days for a fare and one third and on the second day for single fare Mr Duff the President, or Mr George Hynde, the Secretary, will gladly supply any information desired concerning the exhibition Both are obliging officers. On the evening of the second day a grand concert will be given in the town hall.
