Mr. Second had put off action for improvement amounts to \$250, and Mr. Johnson put off offset claims for improvement amounts to \$250.

Mr. Second claims that he was misinterpreted and that the witness who gave evidence that the store was in better condition when Mr. Johnson left than when he became tenant, should have explained that it was through her expenses that such was the case.

Hours for Hail and the Provisions.

The awards in the Education Department of Ontario will have been announced and awarded on the 15th of December. The Minister of Education has issued a circular calling for the services of the members of the Legislative Assembly to assist him in the examination of the educational exhibit. The Commissioner sees he understands that Ontario has the only award given for a complete system of education from the kindergarten to the university. The judges will particular stress upon the regulations made by the Education Department of Ontario which makes our Provincial school system one of the best in the world.

NOTES FOR THE PRESS.

On the 15th of December we will be in attendance to subscribe for fifty two weeks for \$100. We do not have to give our readers one of the best and most interesting local and general news from the County of Halton, Township of Lepage and Mr. Marion of Lepage, Mr. Marion has been here before and made a favorable impression, and as he has been studying statistics since that will doubtless be well received.
