CHILDREN'S CORNER.

It is said when a boy moves out to Cali- fornia he always brings with him a pride in the climate as if he were responsible for it himself.

A PLEASING WOMEN.

It is the "first edition" of the new English town in which he lives, and is respected by all classes for its sterling qualities and elegant features.

Physicians, the world over, endorse it; babies and children like the taste of it. Weak mothers respond readily to its nourishing powers. Scott's Emulsion.
