THE NEWS AT HOME.

Monthly of a Local Character, and Every Item Interesting.

A New Post Office Money Order. The Post Office Department has made a notification of a change in the form of post office money orders. This introduces into the order the name of the payee, and makes the order negotiable, like a bank cheque.

Death of Mrs. Angus Johnson. Some months ago Mrs. Angus Johnson was stricken with paralysis from which she suffered very much and was almost entirely helpless. She passed away last Friday evening in the presence of her family. Her age was 69 years. Mrs. Johnson was a member of Acton Home Circle, and the members of that order attended the funeral in a body. The service was conducted by Rev. J. Edge, assisted by Rev. J. H. Powell, D.D., in February. The remains were interred in the cemetery in Everton.

The Fruit Crop Prospects. The prospect for a good fruit harvest is very encouraging at present, and if cold weather does not intervene with serious consequences, the abundance of apples, peaches, plums, cherries and apples in the Niagara peninsula this year. —A. Frazz, Niagara representative, while passing through the fruit districts of Hamilton, Westworth and Lincoln, has been struck by a splendid crop of fruit growers to this effect. An old fruit dealer said he had been examining the peach blooms and he found them remarkably fresh and healthy looking.

Mr. J. H. Edge, of Brantford, has been elected to the position of St. Andrew's Church, bringing to Acton Miss Emma Wells, who feels that she is providing an unusual treat. Those who have heard her declare that she is a marvel as a vocalist, and since she is also a pianist, her four distinct voices, brilliant soprano, tenor and alto, her concert songs, all of vocal music and her skillful piano recitals uphold her well-known popularity. Miss Wells will be supported by her first-class talent. The entertainment will be given in the town hall next Thursday evening, 3rd May.

Footballers' Rights. A recent decision in Quebec by Judge Andrews of the Supreme Court, shows that foot passengers have rights upon the public road which drivers of horses must respect. The action was for damages for a broken leg caused by a youth driving a horse which knocked the plaintiff down. His honor said it was an error on the part of drivers of horses to believe that the foot passengers were obliged to hurriedly jump from one side of the road to the other in order to get them out of the way, and that it was the drivers of horses who are bound to take precaution to avoid accidents through running them down. The plaintiff received a verdict for \$120 and costs.

St. Alban's church was the scene yesterday afternoon of one of the happy and interesting events which never fail to create a jubilee in the congregation. The occasion was the wedding of Miss Jennie Laird, eldest daughter of Mr. Samuel Laird, of the G. T. B., and Mr. Barry Higgins, of Welland. Rev. G. B. Cooke, the pastor, performed the ceremony. The bride looked lovely in her wedding robes, and was assisted by her sister Miss Sarah Laird. The church was tastefully decorated with a profusion of flowers. The happy couple left for their home at Welland, by way of Hamilton, on the evening train, amid the best wishes and congratulations of their Acton friends.

News of the Churches. Rev. G. B. Cooke will preach from the subject "Love and Faithfulness," at the Disciples church next Sunday morning. In the absence of Rev. Mr. Rao, Rev. Dr. Moffat, of the Religious Tract Society, preached in Knox Church last Sunday. Rev. Mr. Edge preached an able sermon to a large congregation on Sunday evening upon the subject: "Christ's Treatment of His Mother." This was the third in the series of "The Seven Sayings on the Cross." Next Sunday evening the members of Knox Church, Revs. J. W. Rao and J. Edge will jointly conduct the service. The evening service of the Methodist church will be withdrawn. A student from Trinity College, Toronto, occupied the pulpit of St. Alban's church last Sunday.

Our Young People. The members of the Young People's Societies of Christ Church, Epworth and Epworth League are active in their efforts and vary the character and topics of their services in order to render them interesting and attractive to all who attend. The Y. P. S. C. E. of Knox Church entertained a number of the members of Georgetown's Presbyterian Church last Thursday evening. Members of the congregation were also present and the proceedings were much enjoyed. The Flower Committee of the Y. P. S. C. E. of the Methodist Church conducted a very interesting missionary service on Tuesday evening. The school room was well filled, and the program was of a character calculated to inspire missionary zeal. The platform and surroundings were decorated with a profusion of flowers. Mr. Chas. Jenner, Vice Pres., presided. A feature of the proceedings was an address on "The Progress of Missions in the World." A favorable opportunity for action.

Last Thursday a number of our leading citizens were waited upon by a gentleman desiring to establish a power knitting machine manufactory with another line in connection with a good locality in the town. He regards Acton as a very favorable place for his business and makes a proposal which we believe will be regarded favorably by our citizens generally. The gentleman is a man of means, and is in no sense a home hunter. All he asks in consideration of the erection of a suitable building and the establishing of a manufactory which will employ within a year from 25 to 40 hands is that the municipal body give him the contract for lighting the town with electricity and that the adoption of incandescent electric lighting be encouraged as far as possible for use in stores, public buildings, etc. It seems to us that so favorable an opportunity for securing two good things another manufactory and electric light is rarely offered to a municipality. Other neighboring towns have paid large cash bonuses for less profitable manufactory. It is true Acton has more important manufactory than most places of its size, and there at very slight cost, compared with the amount of wages paid and other loss direct returns. But we have room for others and have no doubt that when the matter is properly presented before the Council and ratification by the gentlemen interested, that it will receive careful consideration, and if the prospective results are satisfactory, that an arrangement will be consummated and the local manufactory secured.

THE COUNTRY AROUND.

News Items Supplied by Correspondents and Exchange.

CREWSON'S CORNERS
Alex. McIntosh, an old and respected resident of the Corners, died at his home last Wednesday, from compaction of the lungs. Mr. McIntosh had resided here since boyhood. He was 63 years of age. The funeral on Saturday in Everton was largely attended. Rev. Mr. Hemstreet conducted the service.

The shingle mill is now in operation. Postmaster Anderson's store is quite a convenience to the people. There is not much probability, we fear, of including the G. T. B. to stop their trains here.

A good many think Mr. William Anderson and family were very poorly repaid for their kindness in opening their home to receive the late James McDonald when he was fatally injured here in February. Considering all the circumstances, attending his sickness and death and the funeral, and the fact that he was a very magnanimous allow.

KNATCHEBULL.
Mr. David Agnew, of Longview Farm, lost a fine cow on Sunday evening from inflammation of the lungs.

The farmers are rushing in the seeding these fine days. The Patrons of Industry, of Bloomington Lodge, No. 250, received a car load of salt on Monday, from the Ontario People's Salt Company, of Kincardine.

The measure are passing through the vicinity. Several families are all laid up with them.

Miss Jennie Hlaw returned home from Toronto on Saturday.

The quarterly communion and sacramental service of the Naaswegaya circuit will be held in the Epworth Methodist Church on Sunday, May 6th, commencing at 10:30 o'clock, a.m. The Rev. J. W. Robinson will conduct the service.

Several flocks of wild geese and ducks have been seen crossing over this vicinity the last week or so. They were going in a northerly direction.

The Council is buying pine plank at \$14.40 and cedar scantling at \$11.50. Nails are being sold at \$2.34.

John Somerville has the contract for the new addition to the town hall. The work is to be completed by 1st July.

The Coach House, owned in Milton, was weighed last Monday and found to be 15,500 lbs.

The assessor is having considerable trouble this year. Some people appear to think he is around for the purpose of making sales, instead of assessing property correctly, and according to the oath he has taken so to do.

THE SHILOH CHURCH.
The Shiloh Church and Shiloh School last week and elected the following provisional directors: Chairman, Rev. T. W. Adams, C. B. McDonald, Guelph; B. M. Brown, Campbellville; and Judge Sander, W. Panton, D. W. Campbell, A. Duff, S. H. Hannon, W. A. Lawrence, and W. B. Clement, Milton. Y. G. Holm was elected secretary and G. W. Hunt, treasurer. It was decided to apply for incorporation immediately to the Ontario Legislature.

CHURCHILL.
The remains of David Sweeney, Mr. of the 4th line, were interred in the "Hill" cemetery on Thursday last. A large crowd of sympathizing friends of deceased gentlemen followed to the Congregational Church, where a sermon was preached by Rev. T. H. Adams from the text: "These are they which cause a great tribulation and they washed their robes, and made them white in the Blood of the Lamb" (Rev. 7: 14). The service was impressive, and many were led to look away beyond the grave, to that Eternal Home, where no denomination or creed is known, and only those who have been washed in the blood of the Lamb can find an entrance. The deceased was in his 76th year, and was one of the oldest "handmills" in the neighborhood, and held in high esteem by those with whom he came in contact. Many beautiful tributes were paid to him, as one after the other came forward, and looked into the coffin to see his face for the last time on earth. These our forefathers are passing away, one by one, they have fought and toiled to make our country what it is to-day, and let us hope they are now enjoying a Banister Climate free from toil and care.

The services on Sunday afternoon, was attended by a large number of people. Mr. Adams took for the text "And he leaping up, stood, and walked, and entered with them into the temple, walking, and leaping and praising God." The work at the Church still progresses, and the roll has doubled itself this year.

ERN.
One of the oldest settlers of this section of the country, Mr. Ed. Money, 3rd line, Erie, passed away last Thursday afternoon. It will be remembered that a few months ago Mr. Money had his leg broken by a kick from a vicious steer. Notwithstanding unremittent care on the part of his medical attendants and family, the leg continued to get worse, and he suffered great agony until death came to his relief. Mr. Money had a large family, of whom eight survive. He was 77 years of age. The funeral took place on Saturday and was largely attended.

A very successful fair raising took place last Thursday on the farm of Mr. Wm. Allen, lot 4, con. 2. It being one of the first rainings this year brought out a very large number of the farmers in the neighborhood, about 150 being present. The sale of the barn is 10 x 25, Matthew Bin, Guelph, township, framed it. The stone work was done by Wm. Campbell, Acton. The captain was Mr. Robt. Brown and Mr. Joseph Lawson, and after a hard contest Captain Brown won by a razor, after which all partook of Mr. and Mrs. Allen's hospitality and a pleasant time was spent.

On Friday night D. D. G. Chief Mofan accompanied by a few of the members of Holywood Camp, Guelph, went on official visit to Loch Lomond Camp, at Erin village. A large number of the members of the camp were present. After the meeting of the camp was over an adjournment was made to the Globe Hotel where the matters were entertained by the local members. Speeches were made by the chief, Mr. D. G. Martin, Howe Walker and others. The Guelph members were highly pleased with their royal reception.
