U.S. Postmaster-General Bissell has determined that no saloon keeper can be appointed Postmaster. He says he is con vinced that any man who is directly or ...directly interested in liquor business is it a measure unfitted by his occupation for postmaster, and that his interest in that business necessarily interferes with a full and capable discharge of his official duties in any department of the postal service.

Although the American preparations to enforce the new seal-hunting rules are re-British, yet the British warships have started sooner than the American on the actual work of patrol. On the other hand while the United States will probably have over a dozen vessols engaged in patrol duty co-operating with the four or five British, the former's fleet has not yet assembled Great Britain's promptness in this matter gives a practical proof of her intention to keep good faith in carrying out to the utmost the decision of the Parts tribunal.

The Chicago Inter-Orean has discovered that if the Wilson Bill, as amended by the senate committee, becomes law, it will virtually prevent Canadian horses, either trotters or runners, from racing in the States. Under the present law the free list is extended to animals brought into the United States temporarily for a period not exceeding six months for the purpose of exhibition for competition for prizes offered by any agriculture or racing association but a bond shall be given in accordance with regulations prescribed by the secretary of the treasury. In the bill now under discussion the word "racing" is struck out and horses crossing the line for racing pur proces will be liable for duty every season.
