THREE LOVES

"Whose are the sweet lips close to mine
Nestling their kisses rain",
Whose are the eyes that forever shine
With the light of a love to me divine"
Whose is that face so fair"
Little wife Nell's.

Whom do I hold in a fond embrace,
Cooing with love and glee,
As I watch the smiles that forever chase
Each other across her tiny face
A treasure so priceless to me,"
My daughter Nell.

Whose are the tender feet that guide
My own as they totter with age"
Whose dear blue eyes the path decide,
While in patience and hope the dial I bide
Of a long life's pilgrimage"
Granddaughter Nell's.

ENGLISH TAXES.

Birth is taxed, marriage is taxed, death is taxed. Commodities are taxed, manufactures are taxed, trades are taxed, houses are taxed, incomes are taxed. We are taxed for our butlers, if we are prosperous enough to keep one. We are taxed for our footman, groom or gardener. The carriage we keep is taxed, the omnibus we take is taxed, the railway train we travel by is taxed. The house dog is taxed, and so also the heraldic device on our note paper. Every thing we drink is taxed—beer, spirits, wine, tea, coffee—and even for the water we drink there is the water rate. Light is taxed through the medium of the gas rate. The land we walk upon is taxed, the tobacco we smoke is taxed, the gold or silver jewelry we wear, the perfume on our handkerchief, the figs we eat on Palm Sunday, the Christmas plum pudding these are all taxed. Even our anti-bilious pills are not free. All these, and they are but a few of the taxes that exist, are mostly Imperial taxes for the purpose of government some of them, however are assigned to the county councils. There are also local rates, which are but local taxes, for the poor, council, police, voting lists, street lighting, paving, watering, etc., sewers, school board and vestry. Householders, lodgers, married and single, men, women and children are all taxed in some way or other, for taxation is devised to reach every one. The late Lord Sherbrooke (Robert Lowe), when Chancellor of the Exchequer, calculated that one-ninth of our income is taken from us for Imperial taxation—but the proportion is more now, and is growing. Local taxation is not much less. *Temple Bar.*

TEARS OFTEN SHED BY STRONG MEN.

Not often, but now and then, in a crisis of their emotional natures men cry. And their tears mean so much more than the facile eyebaths of femininity that a man's sobs are properly taken as indications of more powerful feeling. When Commander Heyerman broke down at the naval inquiry recently in telling the story of the wreck of the Kearsarge on Roncador Reef, and sobbed bitterly, he did no unmanly act showed only the strong sentiments which both officers and men hold regarding the accident. Every commander loves his ship, and the crew of the Kearsarge had, beside the natural feeling for the vessel they sailed, its traditions and history to inspire them with affection. I have known strong-hearted and strong-minded men to shed tears of anger as well as of sorrow, and the anger was fiercer with them and the sorrow more lasting than in men whose eyes have never moistened. One of the bravest men that every lived, General Phil Sheridan, was easily moved to tears by emotion of the heart. New York *Press.*

AN OVERSIGHT.

At sea as most people know, time, instead of being reckoned by hours, is divided into watches of four hours each. From four o'clock to six, and from six to eight, there are half divisions, nautically termed 'dog watches.' In an insurance case the counsel asked an old sailor at what time of day a certain collision occurred, and received the reply, "About the middle of the first dog watch." In summing up the case the barrister enlarged upon the information thus imparted as follows: "You can imagine gentlemen of the jury, the care which existed on this occasion, when as appears by one of the plaintiff's own witnesses, this valuable ship and her cargo, and the lives of passengers and crew were intrusted to what, gentlemen?—why to the mere watch of a dog'" *Youth's Companion.*

True Contentment.

"Rabbi, who is the happier, the man who owns $1,000,000 or the man who has seven daughters?"

"The one who has seven daughters."

"Why so?"

"He who has $1,000,000 wishes for more the man who has seven daughters does not."

The sturdy honesty attributed to the good old pastoral days is all a delusion. It was very seldom indeed, that a shepherd was seen unless he was accompanied by a crook.

Weakness, Debility, Paleness, Anaemia, etc., are cured by Milburn's Beef, Iron and Wine.

There are two kinds of whales in the sea the right whale and the sperm whale, but the whaler always regards the one he captures as the right one.

Mary Furlong has been arrested for drunkeness. It is suspected that forty rod whiskey was involved in this.

Politicians who talk of buying up a State are in luck now. They can get a new Jersey at the very low price of two dollars.

Carbuncles Large as Hash Dishes!

MRS. NANNIE GOLDMAN, of Bridgeville, King William Co., Va., writes as follows:

"For almost eight or ten years my father, Col. T. U. Figg, of West Point, Va., was laid up with carbuncles, the worst that I ever saw. He tried everything he heard of, his doctor could do nothing for him. Had six or seven carbuncles at a time, as large as saucers. He got so weak and suffered so much he could not walk a step. In 1872 he had his bed put in the middle of his room and got on it to die. No one expected him to get well. He saw Dr. Pierce's Golden Medical Discovery advised for all blood disorders. Before he had taken half a bottle of 'Discovery,' they began to go away. Two bottles entirely cured him. He is now 78 years old, and enjoys good health."

The Superfority

Of Hood's Sarsaparilla is due to the tremendous amount of brain work and constant care used in its preparation. Try one bottle and be convinced of its superiority. It purifies the blood which, the source of health, cures dyspepsia, overcomes sick headaches and biliousness. It is just the medicine for you.

Hood's Pills are purely vegetable, carefully prepared from the best ingredients.

The most manifest sign of wisdom is continued cheerfulness.

Norway Pine Syrup is the safest and best cure for coughs, colds, asthma, bronchitis, sore throat, and all throat and lung troubles. Price 25c. and 50c.

The first step to knowledge is to know that we are ignorant.

A Coated Tongue

There is no more sure sign of a bilious condition than a coated tongue, and there is no more certain cure for it than Ecclyn's Liver Lozenges. They are a specific remedy for biliousness, sick headache, indigestion, dyspepsia, and all kindred troubles. They are sold at 25 cents a box or 5 boxes for a dollar.

The best means of destroying an enemy is to make him your friend.

Oh, What a Cough?

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. Sold by J. V. Kannawin

Have You Neuralgia?

If you are suffering the agonies of neuralgia, and have failed to get a remedy that will afford relief, we want you to try Polson's Nerviline. No remedy in the market has given anything like the same satisfaction. Its action on nerve pain is simply marvellous, and as it is put up in twenty-five cent bottles no great expense is involved in giving it a trial. Polson's Nerviline is the most pleasant, powerful, and certain pain remedy in the world. Sold by drug gists and dealers in medicine. 25 cents a bottle.

Our greatest glory consists not in never falling, but in rising every time we fall.

Can Recommend It.—Mr. Enos Boroberry, Tuscarora, writes: "I am pleased to say that Dr. Thomas' Eclectric Oil is all that you claim it to be, as we have been using it for years both internally and externally, and have always received benefit from their use. It is our family medicine, and I take great pleasure in recommending it."

If you know how to spend less than you get, you have the philosopher's stone.

Open as Day

It is given to every physician the formula of Scott's Emulsion being no secret, but no successful imitation has ever been offered to the public. Only years of experience and study can produce the best.

Labor to keep alive in your breast that little spark of celestial fire called conscience

Looks like a Miracle. Napoleon conquered the world. The toothache conquered Napoleon. The great trial is faced with calmness. It is the gusts of life that sting to madness. One may stand the loss of fortune. The unremitting sick headache has made suicides before now. Add biliousness and neuralgia, and the most iron determination goes down before this sinister combination. Stark's Powders cure these affections, make the brain clear and light. For the excruciating twinges of neuralgia, Stark's Powders give the happy consciousness of ease and freedom in head and stomach.

Strength alone knows conflict, weakness is below even defeat, and is born vanquished.

Chapped Hands and Lips, cracked skin, sores, cuts, wounds and bruises are promptly cured by Victoria Carbolic Salve.

CONSUMPTION CURED.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, his recipe in German, French or English with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. Noyes 820 Powers' Block, Rochester, N. Y.

I had a severe cold, for which I took Norway Pine Syrup. I find it an excellent remedy, giving speedy relief and pleasant to take.

Adversity is the trial of principle. Without it a man hardly knows whether he is honest or not.

Cuts.—The best thing we know of to heal a cut or wound is to bind up the injured part with a cloth saturated in Perry Davis' Pain-Killer. Only 25c. for the new 4oz. Bottle.

France owns 30,000,000 tons of tobacco annually.

A Boon to Horsemen.—One bottle of English Spavin Liniment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness in the removal from horses of hard, soft or callousod lumps, blood spavin, splints, curbs, sweeny, stifles and sprains. George Robb, farmer, Markham, Ont. Sold by J. V. Kannawin.

He serves his friends best who minds his own business.

The great demand for a pleasant, safe and reliable antidote for all affections of the throat and lungs is fully met with in Bickle's Anti-Consumptive Syrup. It is a purely Vegetable Compound, and acts promptly and unagically in subduing all coughs, colds, bronchitis, inflammation of the lungs, etc. It is so palatable that a child will not refuse it, and is put at a price that will not exclude the poor from its benefits.

Indians believe that mirages are caused by evil spirits.

Mr. Thos. Bell, of Messrs. Scott, Bell & Co., proprietors of the Wingham Furniture Factory, writes: "For over one year I was not free one day from headache. I tried every medicine I thought would give me any relief, but did not derive any benefit. I then procured a bottle of Northrop & Lyman's Vegetable Discovery, and began taking it according to directions, when I soon found the headache leaving me, and I am now completely cured.

The wisest man is he who appreciates his own defects.

Out of Sorts.—Symptoms, headache, loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected develop into acute disease. It is a trite saying that "an ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctor's bills. For this complaint take from two to three of Parmelee's Vegetable Pills on going to bed, and one or two for three nights in succession, and a cure will be effected.

Make the best of everything. That is the whole secret of life.

A lady writes: "I was enabled to remove the corns root and branch, by the use of Holloway's Corn cure." Others who have tried it have the same experience.

Knives and forks were not in general use until the seventeenth century.

About two months ago I was nearly wild with headaches. I started taking Burdock Blood Bitters, took two bottles and my headaches have now altogether disappeared. I think it is a grand medicine.

Rheumatism Cured in a Day.—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits 75 cents. Sold by J. V. Kannawin, Druggist.

One of a man's auricles never deserts him. It is always right 'ear.

Every observer who walks the streets of a great city, and deals with intelligent eye the colorous faces of more than fifty per cent. of the people he meets, can easily agree with us in the statement, that this age, which makes such drafts upon the working energies of the greater part of them in the intense pursuit of business, has destroyed in a proportionate degree the animal health and robust constitution. Nature, in this stage of exhaustion, cannot be restored of itself, but requires some stimulating tonic, to strengthen and keep the system in regular running order, and in Northrop and Lyman's Quinine Wine we have the exact remedy required. The peculiar operation of this medicine in cases of general debility and nervous prostration has undergone long and close observation and it is believed it will never fail, if properly and judiciously administered. Prepared by Northrop & Lyman, Toronto, and sold by all druggists.
