WHAT HE SAID.
BY MARY E. EDY.
In school one day at Little Nell's, a sweet faced child with curly hair, and bright brown eyes that looked at me. "North lashes brown as brown could be."

Go To The Fountain
YOUR BURDEN OF PAIN
AND SUFFERING WILL
ROLL AWAY.
Paine's Celery Compound
Heals and Cures.
THOUSANDS HAVE BEEN
GIVEN A NEW LEASE
OF LIFE.

Test its Virtues, Worry Sufferers.
"Go with thy pain to the fountain,
Go with thy load of disease,
The nature's cure and healer,
That shall heal health, strength and ease."

Every ailing, sick and diseased man,
woman and child must go to the same
fountain for cure. There is no fashionable
road for the elite and wealthy of society;
the noble of birth, the titled and illustrious
may lay hold of the same means for banishing
disease and suffering that is so
eagerly sought after by those of humble
positions and circumstances.

As the sun shines on the rich and poor,
the righteous and unrighteous, blessing all
alike; so does Paine's Celery Compound
give life, health and strength, and a new
lease of life to people of every grade and
class who are victims of nervousness, rheu-
matism, neuralgia, dyspepsia, indigestion
and liver and kidney troubles.

All trouble quickly roll away when
nature's great medicine is used. In the
past years of thousands have used the
waters of that unfailing fountain of virtue
and have been made whole. Thousands are
healing it today and tomorrow receive
are the fruits. If you are suffering, dear
reader, delay no longer, test the great
healer that has won so many victories, it
will meet your wants and needs. For
your encouragement the following testimonials
from Mrs. Henry M. Huff, of Belmont
Point, Ont., is given as a proof of what
results you may reap, if you use Paine's
Celery Compound.

"After receiving so much benefit from
Paine's Celery Compound I think it my
duty to inform sufferers that this great
medicine can do for all who wish to re-
gain health and strength. I have been a
great sufferer for years from nervousness
and weakness, and have had the advice of
several doctors with little benefit. I
was induced to use your Paine's Celery
Compound, some time ago, and I must
confess it is the best medicine I ever used.
Nothing else has ever done me so much
good, and I now feel quite a different
person."
"I trust sufferers will not be induced to
use any other medicine while they can
procure yours which does such good work. I
cannot speak strongly enough in favor of
Paine's Celery Compound. And you may be
assured I will always recommend it. You
are at liberty to publish this letter to your
work."

The Best Advertisement
Many thousands of unsolicited letters
have reached the manufacturer of Paine's
Emulsion from those cured through the
use of Consumption and Bronchitis. I
cannot speak by coincidence of the
merits of those who have tested it.

A Remarkable Event
An event which has been the talk of the
town for some weeks is the cure of Mr.
Edward White, whose sufferings from
Rheumatism (Eczema) were well known.
Mr. White's statement is as follows:
"For 15 years previous to the last few
months I have been a sufferer of the worst
kind from Rheumatism. I tried twelve
different doctors, besides many patent
medicines but received no benefit, but
gradually became worse. Last January I
was advised to try Paine's Celery Compound
for the better, and it only took six bottles
to make a complete cure. Edw. White,
Victoria Corner, N. B."

Mr. J. H. Hoyer, merchant, Mr. J.
Hoyer, manufacturer, and Mr. Thomas
F., can certify in the truth of the above
statement.

For 20 Years

An Important Incident
AT A COUNTRY AUCTION SALE.
Julie recently a country store stock was sold off by auction in lots to suit purchasers.
The sale, which had been well advertised by circulars distributed throughout the country, drew a large crowd of steady farmers and their wives, the bidding was fast and spirited, and good prices were realized for all useful and reliable goods.
Amongst the vast variety of articles put up for sale were two lots of package dyes for household use. The auctioneer announced that he would first dispose of the Diamond Dyes, goods that every farmer and farmer's wife would value and favorably. The auctioneer being most interested in these goods, did the bidding, and in ten minutes time, some six gross of the Diamond Dyes were sold, and a large stock of the other dyes were then brought forward and introduced by some oriental name, "Bain's Anticlog" I get you the name of these dyes, but I know little about their manufacturer or quality, some six lots of the same were sold.

There was no response to a bid to encourage the auctioneer's price. Seeing that time was passing, and not a bid for the lot of these dyes at his price, the auctioneer, in a joking way, said "You surely want your garden fences and barns painted; if these dyes are not good enough for that, they will surely do for common wood painting."
The idea was a novel one—it was a revelation—and seemed to meet with the favor of a few, and for a small price, the entire stock of diamond dyes were sold to one farmer, who was heartily laughed at. This is a most important moral to be deduced from the results of the auction sale just referred to. The moral taught is that poor and worthless dyes, whether sold, are dear at any price even when used for common fence painting.
The Diamond Dyes are well known, popular and always reliable, they sell everywhere and under all circumstances. It is a wonderful result in restoring to beauty and usefulness old and faded articles of wearing apparel. Diamond Dyes are many dollars each year in every farmer's house.
