The sale of first class time keepers is an important feature of our business and the reason we are having such large sales in this line is owing to the fact that we sell strictly first-class watches at extremely low figures. We never misrepresent our goods. We carry the largest stock.

Are you thinking about buying? Give us a call. We can tell you. Headquarters for Watches, Jewelry, Spectacles, Rogers, Kelso, Spoons and Forks.

**LITTLE LOCAL BRIEFS.**

Which Caught the Eyes or Ears of Free Press Reporters this Week.

—Thanksgiving Day.  
—The grateful toilers chant their harvest hymn.  
—Thanksgiving social at Knox Church this evening.  
—Balance of the year free to new subscribers to the Free Press.  
—Numbers of our citizens have attended the Moody meetings at Toronto.  
—Rev. Mr. Sloan, of Toronto, preaching in St. Alban's Church last Sunday.  
—St. Alban's Sunday School is preparing for their Christmas entertainment.  
—A Thanksgiving service will be held in Knox Church this morning at 11 o'clock.  
—To God give thanks! for every hill and plain; for the fruits of autumn crown the dying year.  
—The attendance at the Methodist Sunday School reached high water mark last Sunday. There were 365 present.  
—The Free Press from now till January 1925 is cheaper than wheat. Tell your friends who don't subscribe about it.  
—The feast you never quite enjoy, although you may be starving, if you are called upon, my boy, to undertake the carving.  
—While engaged in thanking the Lord to-day for his goodness, remember in practical manner those less fortunate than yourself.  
—Owing to the small docked last Thursday Judge Hinder postponed the sitting of the Division Court until Saturday, 13th January 1925.  
—And now for the peppy and snappy "contender" who makes life miserable by sneaking up and throwing snow down your back.  
—The heavy frosts of the week previous rendered it impossible for Anton Ploughing Society to hold their postponed match on Tuesday. The match was deferred off for the present year.  
—We will send the Free Press to new subscribers, from this date to the 1st of Jan. 1926, for the sum of \$1 each. We will send it to any part of Canada or the United States for the same amount.  
—The Haystack has been purchased by Messrs. J. K. & P. Perkins. These young men of ability and enterprise will no doubt make it a successful journalistic representative of the constituency.  
—A poetry social was held in Brampton last Friday evening. A fine of five cents was imposed for any display of leary in dress, jewelry or ornamentation, in addition to an admission fee of fifteen cents.  
—The Supreme Court has decided that the owner of a dog is responsible for all damage caused by the animal. If the bite anyone, if he barks at a horse and causes a runaway, or in any way damages the property of another, damages can be recovered.  
—At the Federal convention held at Montreal last Wednesday, Mr. J. P. T. Jones, of the Acton Free Press, was elected to the position of provincial secretary of the Dominion Press Association.  
—The time to get your printing is now. The printing department will our friends everywhere remember that we print everything in the printing line. Either call or write for prices and samples. You will be gratified to find how reasonable, prompt and how speedily your order will be filled. We try to keep every promise to the hilt.

**HOLLINGRACE & SON, MILTON.**

Hollinger & Son, Milton, are noted for their business in Dry Goods, Millinery, Clothing, Hosiery, Linens, etc. Since 1870.

**THE NEWS AT HOME**

Monthly of a Local Character, and Every It is Interesting.

New G. E. R. Fire Train.  
A new fire train went into effect on the Grand Trunk Railway on Monday. Few changes are made, but in the time and destination of a couple of trains the changes are important to the public. The 7:17 a.m. train going east has been changed to 7:02 a.m., and the midnight train which formerly left here at 1:03 a.m., and went as far west as Chicago will hereafter be run at 12:30 a.m. and on only to Stratford.

Shipyard and Broker's Loss.  
Mrs. Wm. Kiddell, of London, has been in Acton several weeks waiting upon her sister-in-law, Mrs. Adam Dickson, who is ill and almost helpless. On Saturday morning she slipped out of the back door and slipping on the ice, fell and fractured her right arm above the wrist, and sprained her hand badly. She has suffered very much from the accident, but is now easier. She is an old lady of about 75 years.

Anniversary Services.  
The anniversary services in the Methodist Church will be held on Sunday, 24th December. The pastor has been fortunate in securing the Rev. Alex. Burns, of St. Paul, U. S. of Hamilton, United States, to preach the anniversary sermon. Mr. Burns is one of the most able and eloquent preachers in the church and his visit will be looked forward to with interest by the congregation. No lessening our social will be held but a cashbox offering of \$100 will be asked for.

The Provincial Fair Show.  
The Fair Show which will take place at Guelph on the 25th, 26th and 27th of December is likely to be the best ever held under the auspices of the Agricultural and Art Association. Sheep and Swine Breeders Association and the Fair Show Club of Guelph. In former years the show has been held in the city of Guelph, but the Directors have determined to have a three days' exhibition this year; the stock to be in the building and weighed on the first day and judging commences early on the second day. Prizes here can be obtained by addressing the secretary, H. Wade, Toronto.

A Gracious Revival.  
The special services which opened in the Methodist Church on the 15th November will continue this week. From the first meeting the interest was very marked, but the past week has seen an attendance such as was never before realized in similar services in this church.

WEDNESDAY, NOV. 21. The attraction of the week will be the shooting match on Friday at James Nicke's.

MEASUR G. A. HARRIS, J. R. LINDLEY and H. P. MATHIAS have put in proposals of waterworks which promise to be highly satisfactory. The source of supply is near the line between the farms of Messrs. John M. Leslie and Ninian Lindsay on the one side and the farm of James H. Walker on the other. The water flows freely from the rock into a tank with which the piping is connected. The fall to the various places where the water is used ranges from 100 to 150 feet, so that the pressure is very satisfactory. The contract was filled by Sharp Bros., of Lambton.

MILTON.  
WEDNESDAY, NOV. 21. Walter A. Galt will entertain his friends at the Wallace House next Tuesday.

A union service will be held in Knox Church on Thanksgiving Day at 10:30 a.m. The service will be presided by Rev. G. A. Mitchell, of A. C.
