

The Young Folks.

FATHER OF FOLLY.
Such fun as playing on a rainy day.
When father was home and helped to play
We made a ship and hoisted sail.
And crossed the sea in a feathery boat.
But we hadn't sailed into London town
When mother came and said that we had
Jumped down in a jolly work.
With the captain rolling under the deck.
But he looks again with a frown.
And we on two legs, in a lion's roar.
He cut off the party and up the stairs.
And frightened because and the baby there.
No mamma said she'd be 'flesher' now.
And to rest us. He didn't know how.
That the lion laughed and forgot to roar.
We'll be chased out of the nursery door.
Then he turned to a pony day.
And carried us all on his back away.
Whipps, lolly, lolly, lolly.
If we didn't know him I don't know!
Till we tumbled off and he castered on.
Never stopping to see if his job was gone.
And I couldn't tell any more than he.
Which was Charlie and which was me.

A CURIOUS RECORD.

A methodical man died in Berlin recently at the age of 78 years. When 16 years old he began keeping a record, which, says an exchange, is the best commentary we have seen on the life of a mere mortal. His book shows that in 52 years this "methodical man" had smoked 638,716 cigars, which he had received 48,602 as presents, while for the remaining 385,021 he had paid about \$10,428. In 52 years according to his book-keeping, he had drunk 24,740 glasses of beer, and 36,040 glasses of spirits, for all of which he spent \$6,810. The diary closes with these words: "I have tried all things. I have seen many. I have accomplished nothing."

A TROTTERING COW.

A Michigan cow, having apparently become weary of the old-fashioned milk-and-butter contents, has distinguished herself by winning a race against a horse. The terms of the match called for a half-mile walk and a half-mile trot. Booby, who wore a full set of harness, including bit, won the walk in seven minutes and the trot in three minutes, "without a break," but over triumphantly reported that she was not matched against Susol.

LEGAL WIT.

A man, meeting on the street Henry W. Paine, the distinguished, honest, and universally respected member of the Boston bar, addressed him as Mr. D., a man of very different reputation.
"I am not Mr. D.," was the answer.
"I beg your pardon," said the man, "for making the mistake."
"I will excuse you," replied Mr. Paine, "but I sincerely hope the devil will not make the same mistake."
Paine's Medicine Man (to editor): "You made a pile of money of that testimonial advertisement."
Editor: "How?"
"John Smith wrote, 'Your Live Forever Pills are doing me a great deal of good. Send another box,' and I told you to give it a prominent place."
"I did—immediately preceding the death notice."
"Yes, and the first death on the list was that of John Smith."
If possible, go to bed at the same hour every night.

Whosoever Heareth

Men and Women Who Are Martyrs to Rheumatism Can Be Thoroughly Cured.
Paine's Celery Compound The Infalible Remedy.

The great modern triumph of medical science is Paine's Celery Compound. The marvelous cures now are talked of in every quarter of the civilized world, and the ablest physicians are astonished with its life-giving and health-restoring results.

As a positive cure for rheumatism and sciatica, Paine's Celery Compound has no equal known to man. It cures these terrible rheumatic pains and women that have been cured by all other combined remedies. The most obstinate and most dangerous cases have been met with perfect success. Hundreds of testimonials from the very best people of Canada support every claim made for Paine's Celery Compound.

Are you suffering from rheumatism or sciatica, dear reader? Have you met with reverses and failures in the past through the use of deceptive and worthless preparations? There are many we know who have been driven deeper into suffering and agonize worse to experience with pills and mixtures and compounds that are positively harmful and dangerous.

If you are using any such medicines stop them at once, if you value your life. Ask your druggist or dealer for Paine's Celery Compound, that will surely and certainly banish your troubles.

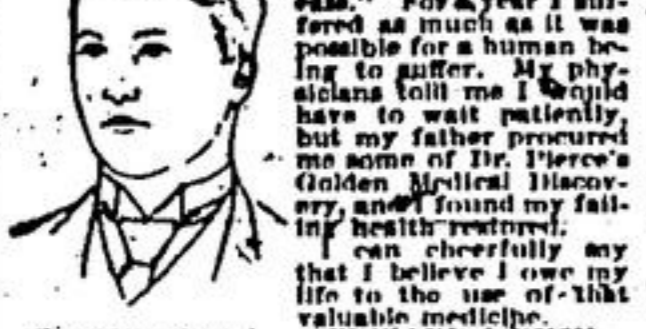

The following letter from Mr. G. J. Mc Donald, merchant tailor, Cornwall, Ont., demonstrates the superiority of nature's medicine:

"After having given your Paine's Celery Compound a thorough trial, I am pleased to say a few words in its favor. For three years I suffered terribly from rheumatism. It seemed to me that I was doomed to endure all the agonies and pains that a mortal could possibly experience from the dreadful disease.

While suffering I tried many of the advertised medicines and also doctors' prescriptions; but never found a cure until I procured a supply of Paine's Celery Compound from McMillan & Elvidge, druggists, of this town. Paine's Celery Compound worked like a charm—it seemed to strike at the very root of my trouble. I am now cured; all pains are banished, and I never expect to fall in a new case.

I shall always consider it a pleasure and duty to strongly recommend Paine's Celery Compound to all who are afflicted with rheumatism."
