A HOME CUT

Johnny's mother cuts his hair
Such a funny way.
It's as if she didn't care
What the boys do say
First whacks on wheels
Looks crookly, lopsided ears
Till she has it done
Then she always cuts a bang
Of places awful thin
An' wants she left a few long spots
Just to see the skin
An' jamps places on it where
It's itty like a wasp
An' then a bunch it scraggly hair
Stickin' up on top.
Tell you! it's a funny way
Johnny he gets mad
Before he'll lick us all some day
Worst we ever had

A Noble Benefactor

His Grand Discovery Has Blessed the World.

Paine's Celery Compound Cures Mr. C. F. Kevill, of Dunsford, Ontario.

Most Important Testimony from the Cured Man Kidney Disease Was Dragging Him to the Grave Intense Suffering Borne for 15 Years All the Ordinary Medicines had Failed to Meet the Case A Trial was made of Paine's Celery Compound Two Bottles of the Life-giving Medicine Banished Every Trace of Disease.

The world has never had a grander or nobler benefactor than Prof Edward E. Phelps, M. D., LL. D. He was the discoverer of Paine's Celery Compound, that marvellous curing medicine that has dragged so many victims of kidney disease, from the brink of the grave.

Thousands of cured men and women have already contributed their grateful testimony to the extraordinary curing powers of the great medicine in cases of kidney and liver troubles, Bright's disease, palpitation of the heart, dyspepsia and indigestion, nervousness, loss of sleep, depression of spirits, sick headache, loss of vital forces, rheumatism, sciatica and neuralgia; and new testimony is coming in every day from all sections of Canada.

Paine's Celery Compound is doing a work among the sick and diseased that no other medicine has ever done; it cures the worst cases and raises up those who have been pronounced incurable. The following testimony from Mr. C. F. Kevill, of Dunsford, Ont., is strong, convincing, cheering and comforting.

"I wish to testify in favor of the wonderful curative powers of Paine's Celery Compound for two reasons, first in justice to the proprietors, and secondly, for the benefit of suffering humanity.

For the past fifteen years I have been troubled with diseased kidneys. I am engaged in the manufacture of cheese, and am obliged to work more or less in a stooping posture. At times I found it almost impossible to work owing to severe pains across my kidneys. Often, after working in a stooping posture for a time, I would find it very difficult to straighten up at once, and could only do so after repeated efforts.

Of late years, while laboring under these severe attacks, I became very nervous, and continually had tired worn out feelings. My rest at night seemed to do me no good, and I always felt tired out in the morning.

I had been taking various medicines and was getting worse all the time. At last I decided to give Paine's Celery Compound a trial. I procured a bottle, and took it according to directions, and found its effects wonderful. Before I had used the first bottle I began to improve, after I had used the second bottle I felt as well as ever I did in my life. It had banished all aches and pains, my nervousness was all gone, and the tired and worn-out feelings were banished. I can go to bed now and sleep well, and rise in the morning rested and refreshed.

I have recommended Paine's Celery Compound to my friends who were suffering from the same troubles as I had, and all have been greatly benefitted. Knowing what it has done, I can cheerfully recommend it to any person suffering from kidney disease."

There are souls in this world that need the gift of finding joy everywhere.

MINISTERS ENDORSE IT.

Dunnville, Ont., Feb. 1, 1892.

DR. H. V. PIERCE: Dear Sir—For some six or seven years my wife had been an invalid. She constantly complained that it gave her only hope; we bought six bottles and Dr. Pierce's Golden Medical Discovery. To the surprise of the community and the joy of myself and family in one week's time after the commencement of its use she was able to do her own work, which had not been possible for years. Since then she has taken two bottles of Favorite Prescription and Golden Medical Discovery, and is now in better health than she has been for years. Yours truly, Rev. T. W. Hall.

A Remarkable Fact

One of the strangest things about dyspepsia to the average individual is the fact that those who originally had the best and strongest stomachs are frequently the very worst victims of dyspepsia in after years. The fact is that the person endowed with a strong digestive apparatus is much more likely to abuse its digestive powers than he who realizes the necessity of care in the selection and mastication of food when the diseases of the digestive organs come about there is no remedy so satisfactory as Ayer's Cherry Pectoral. In some sections of our land, the ladies have given up their votes against them in a way which cannot be misunderstood, as imitation dyes have caused not only great loss of material and money, but actual sickness and heartache as well. All these domestic trials and tribulations are avoided when Diamond Dyes are used. By their use work is well and quickly done, prints are always fresh, and the color, ever brilliant and lasting. Ladies who have used Diamond Dyes for the last forty years know their great worth and possibilities. Avoid imitation dyes, and always insist upon getting Diamond Dyes from your druggist or dealer.
