A MAY SONG.

How wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,

And how wild from the west,

And how wild from the north,

And how wild from the south,

And how wild from the east,
