THE NEWS AT HOME. Mostly of a Local Character, and

Every Item Interesting. Rev. J. W. Rac Appointed Moderdier. At a meeting of the Geelph Presbytery in Chalmers' Church, Goolph, lest week, Mr. J W. Rae of Knoz Church, Acton. The resolution appointing Mr. Rae as such was a quantimous one. He accordingly occupied the climic during the session, having returned thanks for the honor conferred upon Hamilton, (Barton St.) & Rast End, Alliston him. Mr. Ree will preside at the ordina-

tion and induction services of Mr. McKin-

non to the Gionalian Church next Tues

Y. P. S. C. E. Garden Parly. The young people of Knox Church have Baptist Church next Siluday evening. made emple provision for their garden party to be buldnest alonday evening at Fairview Place, the beautiful grounds of Mrs. C. S. Smith. An attractive program has been provided by the committee and will consist of music by Acton Cornet Band, glees by the Rockwood Quartette Club and selections by Mrs McCarthy,

Rockwood, Miss Nglie McLeod and Mr. Frank Berber, of Georgetown, and Miss Kirkwood of Brampton. Refreshments will be provided and a treat is in store for New direct Crossings. This wook the council are carrying into

effoot the idea they entertained a few weeks ago, that our street crossings are not as good as some in the city. The secret of keeping plank street crossings in passable condition without impairing life to pedestrians has not been divulged to us. Yesterday morning work was commenced on the crossings at the corners of Main and Willow Streets, where the old plank is being substituted by flag-stone. . Two only are being placed in at present but if they commend themselves to the favor of the Council, other crossings will be supplanted by the flag-stone subsequently

Former Resident of Acton Married. We clip the following from the Flint Mich., Daily Olobe, of the 15th inst ; - "R. J. Kennedy, who has been in charge of the Armstrong Steel Gear Works the past year, was married a week ago to day at Winnipeg, Manitoba, to Miss Jonnie Kennedy They have returned to Flint and set up housekeeping at 929 Grand Tra verse street. Mr. Kennedy has made many friends here, who will wish them all happiness in life. The R. J. Kennedy re ferred to, is a son of Mr. Konnedy, of

Increasing their Business Facilities. W. H. Storey & Son are finding the present glove factory to be inadequate for the proper execution and expedition of their increasing business and are preparing to erect a two storey brick building at the rear | Sunday of the glove factory for a packing house fitted up with a new engine ... The flour and grist mill of Cheyne Bros., which has been in operation a little loss than a year, is receiving such general and generous pet ronage that the present facilities for turn ing out work is insufficient to meet the

may be operated by either steam or by water power. News of the Churches. In Knox Church on Sabbath morning Rev Mr. Rae treated his congregation to s Temperance Sermon. He based his re marks on Levitious 20th chapter, first and second verses. In his usual fluent and forcible manuer the paster carnestly entreated all to carefully consider the fatal

results attending the intemperance svil. physically, morally and spiritually. Very interesting discourses were given in the Methodist Church on Sunday morning and evening by Rev. Mr. Howell. His subject was "Prayer" and his text was taken from James IV. 3:-"Ye ask, and receive not, because ye ask amiss." The and selfishness The regular quarterly

tenor of the pastor's remarks were defining the reasons so many prayers were never answered -the insincerity of the petitioner service will be conducted by the pastor i the Methodist Church on Sabbath, August Judge Saider Transferred to Wentworth It will be cause for general regret by the

people of this county that Colin George Suider, judge of the County Court of Halton, is to be removed from this district to Wentworth. While we are pleased learn that he has been gazetted a senior judge of the Judicial District of Went worth, to which position we believe him to be qualified, still his removal from Halton is much regretted. During the short time he has acted in the capacity of judge here he has won the admiration and respect of all classes of people. His is a man of great park on Saturday afternoon. The visiting integrity and worth, and was keenly seneible to the important tribunal mission he was performing. His duties he fulfilled fearlessly and honorably, regardless of rank -The Bons of Bootland of Acton are or station of either complament or defendpreparing for a grand demonstration here ant. A FATAL JOKE.

Names July 20. An Italian amployed Mr. Havens, a farmer, was afraid of ghosts, and Frank Rogers, another young man, also employed on the farm knew it. Rogers left the hayfield and wrapped a sheet around himself, then returned to the field where he had left the Italian working, and sprang suddenly up in front of the man. The Italian was frightened, but he had enough nerve left to jab his pitchfork into Rogers' eyes, inflicting wounds that caused death. Nothing has been done

A Two and a Half Million Luan S: Jone's, Nad., July 23. Colonial Beat stary Bond has returned on the steamer Corrus from England, where he pegotiated loan of \$2,500,000, to save the colony from bankruptcy. He failed, however, to obtain a separate load for the savings bank on advantageous terms, owing to the English bankers contending that the Whiteway Government broke faith with them in the cutrenchment scheme. The Whiteway supporters in this city are preparing a demonstration in Mr. N. Bond's sonor, to take place to morrow night.

Goods SAD DROWNING ACCIDENT

BURLINGTON, Ont., July 32 A sad cident occurred to Hamilton Bay this afternoon Dr Magee, of Toroute Univer sity, was visiting Mr l'arks, also of Toronto University, and they went out for a sail, accompanied by Mr. Parks' younger brother When about a mile from the Brant House they all went in for a swim. When about fifty yards from the boat Maure called for belo, and on Parks going to his assistance they both sank under the water and finally got separated. Parks and his brother got schore, but the former famued from exhaustion. On the alarm being given several went in boats to try and recover the body, but night set in and it had to be abandoned Prof. McGos was a most promising member of the university steff, and resided with his mother un Susses svenue, Toronto

THE BRITISH ELECTIONS.

The tide contains to flow into the hands of the Uniquiets and the Liberals are fast loosing their seate. Rider Hagyard, the novelist, has been defeated, and Bit' Wil liam Vernon Harcourt who was recently defeated at Dorby has been returned for West Monmouth. He natled the temper ance plank to his platform, but his major ity was 23 loss than received last year. The grand total of electors upon the to vote in the present general elections is 6,332, 454, distributed as follows : Eugland and Wales, 4,950,805; Bootland, 636,097 Ireland, 756,55%.

The 670 members of the House of Commone are thus alloted : - England 405 Wales 30, Bootland 72, Ireland 103. The returns up to Tuesday night gave the standing of the various parties of the

TORONTO INDUSTRIAL FAIR. An unbruken record of successes in the ment is the treat presiding guarquies that the

Toronto Industrial Exhibition of . 1803. which opens on the 2nd of September, will be a display of unrivalled attractiveness. Many improvements in the buildings and grounds have been made to further the convenience of exhibitors and the public and with the return of an era of prosperity the enterprise of the management will doubtless be rewarded by a thorough appreciation of the indubements offered. has The volume of exhibits this sesson will be larger and more diversified than aver before, and special attractions of a brilli not and exciting character will be present ed, including the novel military epectacle "The Relief of Lucknow," with gorgeous on a scale of grandour and variety hitherto unequalled. The system of chosp railway fares and special exputations from far and near enables all to visit the fair at trifling cost and everyoue should take advantage of the opportunity, as it embodies all that is best worth seeing and knowing in mechanical progress and scientific invention. Mr. John Issing, toucher, to spending his All entries close on the 10th of August.

KILLED BY A TRAIN.

Construment, Ont., July 23., A terrible accident occurred here to-day. Robert Bateman, milk collector for Foreman and Co's cheese factory had delivered his last can on his homeward route, crossing the noon train was coming down the track. A youth waved his hand to Bateman, who pulled up, but his horse became fidgety, and just before the train dashed past, started across the rail. The ongine missed the horse, which escaped entirely, but caught the wagon midway, carrying it down the track fifty pards the wagon to atoms and throwing Bate man sixty feet. The poor man was taken to the hospital. On examination it was where he is now in the employ of J. Coon. found that his leg was broken in two places, and his head and arm badly cut. He died at four o'clock this afternoon, having never regained consciousness.

BANK DIRECTORS ARRESTED.

Hr Jons's, Nfld. -- Judge Conroy tesued warrants to day for the arrest of Si Robert Thorborne, the Hon. A. W. Harvey, W. B. Grieves and W. Donnelly, directors of the Union Bank, and C. Piusent, mapager. The trustees of the bank, Mesers. Gordon and Gillard, charge them with 1894, on the affairs of the bank, thereby inducing them and others to become cuetomers, creditors and shareholders, whereby they were defrauded of large sums of money. Bail was accepted to two sureties \$36,000. A profound securation has been ast week, as a delegate from Walker Lodge

> Our ourrmen and markamen are keep ing the name of Canada to the fore. The honour of having the best shot, the best scullers, and the best athletes generally is one we prize highly on its own account. but we are a wide awake people, and have sport. The men who win us this honour commend Canada. There is no other fame shines so brightly as that of the successful athlete.
