Organized a Year Ago.

The Epworth League of the Brick Church has been in existence for a year and has enjoyed a very encouraging experience. The officers for the second year were elected last week, as follows:—Hon. President, Rev. R. J. McIntyre, President, Amy Leslie; 1st Vice-President—Wm. Gamble; 2nd Vice-President, Frank Worden; Secretary, Ella Snyder; Treasurer, Richard Johnston; Organist, Dora Worden

Ample Water For Fire Purposes.

The water tanks at the town hall and at the corner of Mill and Frederick streets are completed and filled with water. Notwithstanding the questionings of many faithless observers the nine inch gravitation mains fill the tanks like a charm, and no matter how disastrous a fire we may have at any time in the future, there will always be an ample supply of water to feed the engine, as each main has a capacity larger than the engine will utilize —500 gallons per minute. These tanks hold between 8,000 and 10,000 gallons. The tanks in the stream crossing Main street are also ready for use and workmen are now engaged in putting down the one on Young Street.

Re-opening of the Brick Church.

During the past two weeks repairs and improvements have been under way at the Brick Church, above Acton. These will be completed this week and the occasion will be observed with re-opening services next Sunday and Monday. On Sunday sermons will be preached at 10.30 and 7 o'clock by Rev. T. W. Jackson, of Fergus. A tea-meeting will be given on Monday evening at which the following gentlemen have been invited to deliver addresses; Revs. Jackson, Howell, Rae and Keetle. The choir of the Methodist Church, Acton, will contribute the musical part of the programme and Misses Clara E. Moore, Acton, and Annie Currie, Ospringe, will render recitations. For the accomodation of our citizens who may desire to attend, conveyances will leave the post office at 6.30 o'clock.

Entered Into Rest.

Rev Father Dumortier, one of the first priests to minister to the congregation of St. Joseph's Church in their old church at Dublin, died at Guelph last Friday evening, after a long illness. The Rev. Father was born in Toulouse, France, Feb. 18th, 1818. Having reached manhood and attained a liberal classical education he came to America about 1850. Several years were spent in Quebec. He was then sent to New York State and entered Fordham college, where he was Professor of Latin for three years; until removed to Guelph on August 6th, 1856, to assist Rev. Father Holtzer who was parish priest, and Rev. Father Matoga in missionary work. The latter priest, however, died the same month and the work of establishing and taking charge of the out side missions fell to Father Dumortier. These comprised some twenty-eight different places, including Elora, Fergus, Garafraxa, Arthur, Mt. Forest, Peel, George town, Acton, Rockwood, Preston, Galt, Berlin, Hespeler, Elmira, Drayton, etc Travelling was mostly by horse-back and on foot. On the 17th of May last the golden jubilee of Father Dumortier's ordination was celebrated in Guelph with appropriate ceremonies. The Rev. gentleman was much beloved by the people here and among the Protestants he had many warm friends.

Celebrated Their Golden Wedding.

Fifty years ago this month, Thomas Perryman, then of Markham, and Eliza Clark, daughter of the late John Clark, Georgetown, were united in holy wedlock at Toronto. This happy event was commemorated by a pleasant gathering of relatives and friends at the home of the aged couple, corner Mill and John streets, last Friday evening. The baptism of a grandchild added interest to the occasion A bountiful and unique supper was partaken of and a most enjoyable evening, with vocal and instrumental music, interesting reminiscences and words of cheer and comfort, was spent. Numerous handsome and useful presents were received Mr. Perryman was born in Devonshire, England, on the 1st October, 1816, and is consequently in his 80th year. He came to Canada in 1843, and settled in Acton with his young wife in 1848. Ever since they have been esteemed residents of Acton and vicinity with the exception of a few years in Collingwood. Mr. Perryman has worked at his trade of stone mason for 62 years in England, Wales and Canada, and is still able to do a good day's work He built the first brick house in Acton still standing on Main street at the entrance to the school lane. He also built the Methodist Church at Ballinafad. Mr and Mrs. Perryman have been blessed with six children, five of whom are living, and reside convenient to the home of the aged parents

Confirmation at St Albans Church.

A very large congregation attended the confirmation services in St Albans church, Monday evening. His Lordship, the Bishop of Hamilton conducted the service assisted by the Rev. Mr Godden, the pastor. Before confirming the candidates, eleven in number, the Bishop delivered an address which was listened to with marked attention. It was based upon the following propositions. 1st, This confirmation service testifies to the scrupulous adherence of the Church of England to the Bible this service being identical with that of the Apostles, see Acts 8. 14, 17. 2. It attests to the unbroken line of the church from Christ and the Apostles to the present time, and 3rd, it attests to the fact of life in the church. This life initiated at Baptism, nourished by care and teaching during the intervening years, is by this service established and confirmed, and in connection with this service the Holy Ghost is given to guide and sanctify during the remainder of this life. The Bishop dwelt upon the importance of this life as well as the care that should be exercised in its development. In addition to his address his Lordship laid down some rules by which the confirmed should regulate their lives. He emphasized with fervor and interest the following. Private prayer, family prayer, church prayer, never to be absent from either unless unavoidable, the being useful in the church, not idle or unprofitable, the setting apart a certain amount of what God gives to them for the support of the church, and the faithful attendance upon the communion. The Bishop also baptised the infant daughter of the pastor of the church. The whole service, occupying two hours, was of great interest.

—2,500 people attended the meeting of the Young Men's Liberal Club, in Guelph, Monday evening Hon. G. W. Ross and Dr. Landerkin were the speakers.

A tenant farmer, living near a school house on the fifth line, is notorious for his foul profanity during his ordinary work on the farm. The neighbors are much annoyed and a number of the parents of school children are talking of taking the matter before a magistrate in order to stop the unseemly blasphemy.

NASSAGAWEYA.

The special services which have been carried on by the Rev. Mr. Amy and Mr. Viner, the evangelist, will probably come to a close next Sunday evening. Much good has been done.

Providing the special meetings close in the Ebenezer Church next Sunday evening, Mr. Viner, the evangelist, will deliver a lecture in the town hall, Brookville, on Monday evening, Nov. 18th, on his life from "The Bar room to the Pulpit." All are cordially invited to attend. It will be free to all.

The sale on the farm of Henry Moore, last Friday afternoon was a fair success, notwithstanding the inclemency of the weather.

The rain of last Friday and Saturday did an untold amount of good.

Some of the farmers have their fall ploughing finished for this year.

The ploughing match at Corwhin was a decided success. Quite a number of prizes came to Nassagaweya which shows that the Nassagaweya boys are not going to be behind their neighbors in regard to good ploughing.

EVERTON.

The annual sermon to the members of Everton Council of Chosen Friends was preached last Sunday evening by Rev. R. J. McIntyre in the Disciples' Church This talented young preacher gave an eloquent sermon based upon the triple text: Prov. 18. 24, Matt. 22. 36, and Acts 2. 44. "There is a friend that sticketh closer than a brother", "Thou shalt love thy neighbor as thyself", "And all that believed were together, and had all things common, and sold their possessions and goods, and parted them to all men as every man had need." The subject was ably handled and had many impressive thoughts. The congregation was a very large one

Mr. John Smallhorn, who has been very ill with pneumonia for several weeks, and very low at times, has rallied and it is hoped he will soon be entirely recovered.

The misconduct of a number of unruly boys at the Disciples' Church has necessitated public reference by Rev. Mr. Baker. This action will no doubt prove salutary.

LIMEHOUSE.

Quite a number from here went to Acton Sunday evening to hear the Rev. Dr. Briggs and report his sermon quite a treat.

There will be no service in the Methodist Church here next Sabbath evening, so that parties from here may have an opportunity of attending the re-opening of the Brick Church above Acton.

Miss Dinah Haines, of Cheltenham, has been engaged to succeed Miss Coulson as teacher of the public school here.

Hornby Sons of Temperance assisted in the programme given at a tea meeting held by the Huttonville division on Thursday evening. Bro. B. F. Howden performed the duties of chairman in his usual graceful manner. Bro. Ed. Nixon received hearty applause for his excellently rendered recitations, and others who took part were well received. Part of the orchestra on the way over came to grief. Mr. James Anthony's dog ran out and frightened John Shanks' horse which thereupon ran away, throwing out the occupants of the buggy, and started off presumably for home. Mr. Shanks was slightly injured, while the others, Miss Nellie Shanks and Mr. Albert Robinson escaped unhurt. Their violins were, however, seriously damaged.

Referring to the sermons of Rev. Dr. Gilfard, of Wingham, formerly of Acton, at the anniversary service of King street church, London, the *Free Press* of that city says. The reverend gentleman has a very captivating address, and gives utterance to his thoughts in eloquently rounded sentences, and with a full, clear voice. His rhetorical powers are good, and if he accepts a call to the Askin Street Church, next year, as is hinted, the oratory of the Methodist pulpits in this city will be considerably enhanced."

CREWSONS CORNERS.

On Wednesday evening last, quite a large number of the congregation of the Crewsons Corners' Methodist Church met at the home of Mr. Lewis Cann, to spend a social evening with him and his family, before their departure for their new home in Luther. During the course of the evening Mr Wm. Gray called the meeting to order, when Miss Lorena McLaughlin read the following neatly worded address, and at the proper time Mrs. Wm Gray, and Miss Martha Moore, presented Mr. and Mrs. Cann with two beautiful upholstered easy chairs. The address was as follows

DEAR BRO. CANN AND FAMILY

"All things are changing here. days one of pests, and our experiences amply verify that fact. Some changes are pleasant, some are painful, and others seem to combine both these elements, the latter we think is the case to night

We look back over the past, and gratefully remember our social intercourse with you, and your co-operation with us, in all kinds of Christian activity, for the promotion of the interest of our beloved Zion. It is fitting, however, that special mention be made, dear brother, of your labor as local preacher, and Sunday School Superintendent, and teacher. It is our unspeakable pleasure to assure you that however you may have regarded those efforts, there is but one sentiment among the people, from the youngest to the oldest, namely, that of unqualified appreciation. Your departure from among us with your family is therefore a matter of sincere regret and loss. But we cheerfully submit to it trusting that the hand of the Lord is in it, and that in every way it may be to your advantage, for this we most earnestly pray.

And now, dear brother and sister, not to be tedious, let us ask you on behalf of the church people of Crewsons Corners, to accept these chairs as a more tangible expression of our esteem and affection for you. Your sun will begin to decline presently. In those obstruisy you find many an hour's sweet rest while you think of us and of these days, and anticipate the time when we shall meet in our Father's house, and sit with Abraham, Isaac and Jacob, and go no more out forever

Signed in behalf of the congregation
WM. GRAY,
LORENA MCLAUGHLIN
MRS. WM GRAY
MARTHA MOORE

Mr. Cann replied in a very feeling manner, thanking the congregation for their kindness to him and his family during their residence here. This, he said, was the second occasion of a presentation to him by the Crewsons Corner's Church, the first being the presentation of a beautiful silver watch

Rev Mr. Keetle made a short address expressing his regret at Mr. Cann and his family's removal from among us, yet with kindly feelings he tendered him our best wishes for future success

After the ladies of the Church had served refreshments the gathering broke up, after spending a pleasant evening long to be remembered.

Mr. Cann will not only be missed by the church people of Crewsons Corners, but also by the neighborhood in general. The Rockwood Methodist Circuit Quarterly Board passed a resolution at their November meeting expressing their regret at his removal.

WE ARE ON TO THEM.

"You can fool all the people sometimes, and some of the people all the time, but you can't fool all the people all the time.

We give you the real condition of affairs below, and how we intend to meet it. We don't object to anyone selling a $5.00 Overcoat for $1.95. We are very much addicted to that sort of thing ourselves, but we say it is not honest to represent it as a $7 Overcoat. We have seen the coats and have compared them with this result

Exaggerated price.	Real value.	Reduced price.	The Lion's price.
$ 7 00	$5 50	$4 95	$4 39
9 00	7 50	6 69	6 38

These prices are just to meet a few lines which would not be noticed except for the size of space they occupy in the paper. Yes we think you would be quite right to follow the advice of that firm and write opposite their name "Humbug."
Now see what we can do to make it interesting for the high priced people.

-CHALLENGE-

We have no objection to any firm in Guelph selling Fibre Chamois at 10c if they choose so, but we strongly object to any firm advertising Fibre Chamois at 15c per yard and then supplying their customers with a substitute similar in appearance, but which really costs from 8c to 10c per yard less, and this we claim was done last Friday.

We object because the public are deserving of different treatment. We object because it is dishonest. We object because it is unfair to the straightforward advertiser, as it causes the public to undervalue all other advertisements of the paper, no matter how truthful

Our statement was, that a firm in the city who advertised Fibre Chamois at 15c. sold Buckramette, or Buckskin instead. We are prepared to back up our statement in this way:

We will place our marked cheque for TWO HUNDRED DOLLARS $200.00, in the hands of the Mayor, to be handed by him to any charitable institution in the city, if we cannot probe that the firm who advertised Fibre Chamois at 15c per yard for Friday, sold on that day a substitute which cost 8c or 10c a yard less, instead of the genuine article, Fibre Chamois.

On the other hand if we prove our assertion, which we will do within an hour after the challenge is accepted, we stipulate that the guilty firm shall publicly acknowledge in their advertising space that our accusation was correct, and that they did advertise Fibre Chamois at 15c per yard and supplied their customers with a substitute which cost from 8 to 10c less.

Now, as this is a most generous offer on our part, we having asked no monetary risk from them—so that they stand to lose nothing whatever—we may reasonably expect that our challenge will be accepted.

We keep Fibre Chamois [illegible] DOES NOT COME OFF.
