sion only each men'ss will inspire respect In dealing with a suit for alleged distress last Thursday Judge Morgan stated that under the laws of Ontagio since May 16 last distress for rent is illegal.

The bye-election to Victoria, B. C., ne constated by the appointment of Col. Prior to the Controllership of Inland Revenue, will take place on January 6th, nomination

Advices received from Vladivostock say that the secret treaty between Russia and China is an accomplished fact, and that survey of the proposed railway from Siberia

through Manchuria has been ordered. A meeting of the Manitobe Cabinet was held last Friday, when a reply to the Do minion Government on the remedial order that his Government would not receds

It can be taken for granted that there can proceed to make their Christmas as merry as the character of the feetival will warrant. The belligerent fellows on the other side of the line may do their merrymaking as they see fit.

Premier Greenway and his Cabinet beli another meeting on Saturday, and completed their reply to the Dominion Govern ment's last communication on the school question. The Ministers have plainly intimated that they refuse to entertain any propositions for compromise.

Judge Morson, Toronto, has decided that the Assessment Act is not complied with if an assessor fails to ascertain the uwpership of the property assessed, and that the belongings of a tenant seized under these circumstances are illegally seized. "Why should any tenant's goods be used for a landlord's taxes ?" he asks.

The interesting communication of Mr. W. B. L. Howell, B.A., in another column, gives a terse and lucid synopsis of the history of the Venezuela boundary question. It is the result of careful reading of all the details of the question which is just now absorbing the attention of all people on both sides of the Atlantic. hard labor in England for bigamy.

Austria has the unusual pleasure of secing a surplus in its accounts of twenty million floring for the year 1894, in spite of the unusual expenditure of twenty-four million florins in putting the surrency on a gold basis, and the prospect of an equally large surplus for 1895. At the same time the public debt has been reduced by 48,000.

The Burlington Record save that Halton License Commissioners have entered an action for \$5000 damages for libel against Rev. J. P. McQuarrie, of St. Anne. The alleged libel was contained in correspond ence published by the defendant nearly a year ago in the Oakville Ster, in which he said that the plaintiffs had bribed Consecvative hotel keepers to change their politics by giving them licenses, which would otherwise have been refused.

Nelson's population has now reached point that entitles her to a second deputy reeve, so that in the next County Council she will have three fepresentatives instead of two as at present. This important event in the history of this well governed township coght to be fittingly recognized by the County Council, and in our opinion no more appropriate way could be devised in colebration of the event than by bonoring the township with the Wardenship for 1896 .- Milton Reformer.

BETTER BUY THE SWAMP.

Naw Yoss, Dec. 20 .- Chaupoey M. pew said to-day :- "The war has alread cost the country one billion dollars in preciated values, and it has been going on for only three days. I mel the man yesterday who owns most of the swamp Venezuela which is in dispute, and he sai

NEWS OF THE DAY.

During the Week.

the Venezuelan dispute

The Herald says: "The message which resident Cleveland sent to congress yesterday gives a new and highly interesting phase to the Venezuelan boundary dispute. The president's action takes the Venezuelan question, for the present at least, out of o determine what course shall be taken. That is is a grave matter, and calls for obvious to all. Meanwhile, in this sountry official representatives will have an opporan isane fraught with such grave consequenaffairs have not assumed, it is to be hoped that the issue may be settled without dis-: The bomparatively small colony

The New York Borld makes some miles and a population of over 200,000. It strictures on President Cleveland's message which show that there is at least one newspaper in the United States that can see through the bancombe of the third term candidate. The assumption that the policy of Great Britain in Venezuela is a menace to the peace and safety of the United States is as the World says, abourd, and this is the only ground on which the threatening message of the Naw Youx, Dec. 23, -- The congress has | was accepted by Britain, in spite of the passed the Venezuelan Commission Bill, and voted \$100,000 for its expenses. The probably not be Ennounced by President Cleveland until the latter part of this wook or the first part of pext week. It will consist most likely of three members. The President's aim is to put on the commis-

mines and inhabited by 40,000 English to-day prints an article in reference to the relations between Great Britain and the colonials Inited States, in which it says :- "We are still friends of the Americans, and as the England and Venezuela Now in 1823 excitement cbbs the tide of senso returns. resident Monroe of the United States of It is for every English suffuence to spread merics in his message to Congress spoke calmer thoughts and build a golden bridge hus with reference to the attempt of Spain NEW YORK, Dec. 24 .- The Ecentra Post

"We awe it therefore, to cander and to the message of President Cleveland regarding "As was to have been expected, the republics. They are all "out gunning" for the streets of their capital, cheering and shouting and declaring their determination to fight all creation, and especially all European powers, with which they may be

at odds, because now they feel sure that the United States will take their side in every such shindy. What a prospect this This statement of President Monroe the on foot for a conference of all the South | principles under the title of the "Monro Doctrine" and they apply it to the Ven-American republics on the subject of the Monroe doctrine, with a view to bringing exuelan question under the contention that England's attempt at colarging be them into line under it, with the United boundary of Guiana is an attempt to "ex all of them. We would need a standing | tend her system." So, as they are the army of 500,000 men, a pavy of 500 ships most powerful Republic in America, they and a war expenditure of \$1,000,000,000 a have championed the cause of Vegezuele year to sustain this role, and we should and in July last President Cleveland for warded a statement to Lord Salisbury also have to give up all other business and which he claimed the right to interfere on the basis of the Monroe Doctrine and demanded that England should refer the whole matter to arbitration; After all An Epitome of the World's Doing months' consideration Balisbury courteous ly but firmly refused to accord to be Mrs. Nancy Malone was burned to death demand on the ground that the Monroe drowned while skating at Desert Lake, in boundary dispute with Venezuels, and that in any case it was no affetr of the United Rev. James Whiting, pastor of the Forest | States. On Tuesday, the 10th lost., Presi-Methodist Church, dropped dead at his dent Cleveland laid this reply before Congrees and saked for a commission to decide A man wearing the Victoria Cross was what is the true boundary line, promising to force England, if necessary, to abide by the decision of this commission. The commission has been granted and there Presbyterian minister in Canada, died at

Medicine That He Knows Wil Cure His Patients-Thinks Dr. Williams' Pink Pills a Groat Dia-

Williams' Medicine Co. GENTLEMEN. - White ti-th outirely our trary to the custom of the medical -profes sion to underse or recommend any of the so called proprietary proparations, I shall novertheless, give you an account of some o my wonderful experiences with your prop aration Dr. Williams' Pink Pills for Pale Pale People. The fact is well known that medical practitioners do not as a recounize, much less use preparations o this kind, consequently the body of them have no defluité knowle igo or their virtue or lack of it, but soundly pantown thom all without a trial. Such a course is man--Heatly absurd and unjust, and I, for one propose to give my patients the best treatdisease with which they are suffering, no was first bought to prescribe Dr. Wil-

liams' Pink Pills about two years ago, Reading, Pa., was a prominent contractor and builder. Whild esperintending the work of dreeting a large building during cold weather he contracted what was thought to be sciation, he having first noticed it one morning in not being able to arise from his bed. After the usua treatment for this disease he failed to prove, but on the contrary grow rapidly worse, the case developing into hemiphlegia or partial paralysis of the outire right side of the body. Electricity, tonics and masnage, etc., were all given a trial, ibut nothing gave any bouellt and the paralysis continged. In despair he was compelled to hear his physician announce that his case was hopeless. About that time his wife noticed one of your advertisements and

He had given up hope and it required great deal of begging on the part of his wife to persuade him to take them reg He, however, did as she desired, and if

"Why," say be, "I began to improve it two days, and in four or five weeks 1 was

entirely well and at work. Having seen these results I concluded that such a remedy is surely worth a trial at the hands of any physician, and conse quently when a short time later I was called upon to treat a lady suffering from palpitation of the heart and great peryons prostration, after the usual remodess failed o relieve, I ordered Dr. Williams' Pink Pills. The result was something astonish ng. Her attacks became less frequent and also less in severity, until by their use for a period of only two months, she was the picture of health, rosy checked and bright oyod, as well as eyer, and she has continued so mutil to day, more than one car since she took any medicine. I have ound these pills a specific for chores, or as more commonly known, St. Vitus' dance, as beneficial results have in all cases marked their uso. As a spring tonio any during a long winter has become pale and languid, the Pink Pills will do wonders in buoying the spirits, bringing roses to the palid lips and renewing the fountain of

Merry Christmas

Happy New Year.

E. NELSON.

This event has stirred the community to its very centre. Day after day the crowds increase, and as the time grows shorter, the necessity for a speedy clearance becomes more apparent.

FRANK DOWLER'S

It takes a lot of selling to clear \$49,000.00 worth of dry goods It is only a few weeks till down come the walls and out comes the front. It will not be so hard to find the Great Cash House in the future, as we expect to have the best and most convenient store from Toronto to Sarnia, where you can come and buy everything for home comfort and family use, but we have got to clear the stock

Ladies' Mantles,

We sold more Mantles in two months this fall than'we did all last winter, because the price and goods were right. But now we will clear the balance at nominal prices. Don't buy a mantle till you have seen our stock. Compare our \$4.00 mantles with what they ack \$6.00 for elsewhere, and pretend to give you discount. Compare our \$2.00 Mantle with any \$4.00 Mantle in the city. 14 For Capes, some as low as \$7.00, some beauties of long once for \$12.00 Ladice' Fur Mantles from \$22.00 to \$40.00, and such beauties.

Pine Fors are a special line of ours and will be more so in future You may want clothing. Every Suit and Overcoat in our stock has been marked down in price. We have too many Boys Overcoats. They come in for a heavy out. Men's For Coats, we have ten talt yet. This is a chance for you to get one cheap.

Millinery Department

We do the best trade in Guelph in this line, because we get up the best and most stylish Millinery. The sale gives you a chapce here also, Ladles Pelt Hats were \$1.10 and \$1.25 now 25c. Our 9000 yards of ribbon were placed on sale last month at 10c. and 124c., the balance will be placed on sale at 8c. and 10c.,

Boots and Shoes We keep one of, if not the finest stock of Boots and Shoes in Guelph,

There may be lower quotations but the goods are first-class.

Men's Shoes, 85c. Men's Lined Rubbers, 50.

This is a compulsory sale with us, and remember, goods are ing sold at sacrifice prices. The sale continues from day to day.

Frank Dowler,

THE GREAT CASH STORE.
