Annual Meeting of Acton Ditte Society A meeting of the executive of Acton Branch Bible Society was held in the office of the Secretary last Saturday even ing. Mr. James L. Warren, Providenti occupied the chair. It was arranged that the anhual meeting be held on Wednesday evening 12th February, in Knoz Church A prominent speaker from a distance will address the mostiny. The collectors will complete their canvass before the meeting and report to the treasurer, Mr. J. V.

Hawail, the "Pearl of the Pacific." The first of the series of letters by John R. Musick, the popular author, will appear in next issue-of the Fazz Press. The letters are written in fracy style will be found highly interesting and give frosh an valuable information concerning Hawaii The first letter describes the seduce of entering Honolulu and the experiences of the passengers of the Australia upon arriv al on the docks." These letters are opy righted and will apport in but a limited number of journals.

D. Williamson & Co., Re-opening. A settlement of the loss on J. D. Will liamson & Co.'s stock through the late fire at Guelph, was arrived at on Tuesday. The amount has not been made public, but it is understood to be estisfactory to the firm. Already the work of cleaning up has began. The windows are closed and the furnace has been set going to thaw or the frozen stock. 'The premises with be temporarily fitted up for the disposal of damaged goods. All the plaster will be

removed from the ceilings to prevent kny

doors will be thrown open for the, big fire Special Mootings Lardely Attended. The special evangelistic services which J. McIntyre assisted. have been in progress in the Methodist Church the past ten days have been very largely attended. The Sunday services were especially interesting and at the ovening service the church was taxed to accommodate the large congregation. The evangelists, the Misses Hall, give most acceptable service. Their addresses, exhortstions and sluging are very effective. Much good has already been accomplished. The members of the church generally have been strengthened and blessed and a considerable number have been induced to turn from lives of sin and "Flee from the wrath

-There is some talk of an open skating to come." The meetings will be continued the pastor, Revs. Bryers, Cook, Amy and and many are grateful to Rev. Mr. Meln McIntyre have taken part in the services Killed on the G.T.R. near Rockwood. On Monday evening the 6 0d passenger train going west struck a man walking op the track about three quarters of a mile west of Rockwood. His injuries were -The annual meeting of Acton Horts fatal. He was probably killed metantly, as Walter Barnard found him on the track, as he was walking home after coming up on the train from Georgetown, where he

attends High School. The section men, accompanied by Dr. Dryden, took the men back to the station, where an inquest was held on Tuesday. Deceased was in Rockwood on Monday and is described as a man nearly forty years old, about 5 ft. 6 in. in height. He is from Florida and looking for work. He is a barber by trade and spoke of starting a shop in Rockwood. He called at several houses asking for something to cat. He stayed in Lime house on Sunday night. The train men apparently did not know that their train

Parts 24 and 25, the final numbers of

that exquieste work "The Book of the Fair," have just been received. They are a fitting conclusion of the valuable and interesting publication. As the World's history so this work descriptive of it is the peer of all its competitors. To produce the results so manifestly attained, the best talents of both author and artist were brought into requisition and carried into the Fair reproduces the great exposition utire in its 1000 imperial folio pages critically written descriptive letter press and its 2000 of the finest illustrations, obtained from official sources, many o them full page engravings covoring over 100 square inches of surface. It is no statistics on the other, but presents to attractive form the whole realm of art. science, industry, and learning, as were exhibited by the nations of the earth. The work comprises 25 parts and has had an im mense cale both in America and Europe at \$1.00 per part. Its superior excellence and and artistic beauty commend it to all

lovers of high class works, RUCKWOOD.

The other day Mr. Jollitle a toam broke way from a shed to which they we. s tied at Eden Mills and ran home. The sleigh

and harness were broken badly. The concert in aid of the Haymakers Company was quite a treat for the cost tunnaion. All the talent belonged to the village except Mr. Stark, of Acton. sang and played a flute solo and his performance was excellent. Mrs. McCarthy sang a song in which she played her own socompaniment on the guitar Dryden and Mrs. McCarthy played a duct aken from the opera of Wang and as this onjoyed it greatly. Mesers. A. O. and titled "A baby of your own" and seemed to be much im sympathy with the thome, from his good singing. Mr. John Strachen n a Bootoh reading showed he was still at home with that tongue. Mr. J.
