NOTES AND COMMENTS.

British trade with Japan is now over \$20,000,000, exports being \$17,500,000, and imports \$4,147,400. The total foreign trade of Japan is about \$10,000,000.

The Ontario Legislature over a year ago decided to allow ladies to practice as barristers as well as solicitors on account of the Law Society. Miss Clara, Brett Martin, of Toronto, has just finished writing her final examinations, and the Law Society will now have to decide whether or not to allow her to become a barrister. The question will come up on June 5th.

In the United States House of Representatives on Friday a resolution was introduced providing that if no invitation be received by the United States within six months to send representatives to an international congress to consider bimetallism, then President Cleveland is to extend to other nations an invitation to a congress to be held in Washington next year.

American statisticians have been gathering some facts with regard to the growth of population in the various countries of Europe during the decennial period of 1885-95. The aggregate increase was 25,922,000. Some states have advanced rapidly, for instance, France, 12,510,000, to an existing population, Germany, 4,524,000; Austria-Hungary, 3,202,200; Great Britain, 2,452,400; Turkey, 1,100,000, and France, 671,100.

The amount due Canadian Banks from foreign countries, the United States, Germany, for example, is \$4,000,000, a falling off of \$3,514,151. This account, as is generally known, is peculiar, as the movements in it being influenced as the banks find it most convenient to use their surplus funds at home or elsewhere. At present it is lower than for some years past, because the best ways of employing the money it represents are found in Canada.

The Fax-Pax has been asked to state how many votes a candidate in Halton must secure to save his deposit of \$200. The Statute provides that the \$200 deposit shall be returned to the candidate making it, "in the event of his being elected or of his obtaining a number of votes at least equal to one-half the number of votes polled in favor of the candidate elected otherwise shall be entitled to a sum not less than the sum of the deposit made by him for the payment of the election expenses." In other words if the candidate elected polls 2000 votes then his opponent or opponents must have secured at least 1000 votes each, or their deposit is forfeited.

MUNICIPAL PARLIAMENT.

\$300,000 FIRE AT DESERONTON.
Mills and Lumber Yard Destroyed and a Hundred Families Homeless.

Deseronto, May 26. Yesterday afternoon at 3:10 a spark from the steamer Reindeer set fire to lumber in the Hartman Company's yard, and the terrific wind fanned the tiny fire into a conflagration, which swept away two thousand of the East Ward. At 9 o'clock the entire electric and railroad system came on, and found nearly 100 ruined families.

Mr. W. W. Hartman roughly estimated his loss at \$250,000, which is fairly covered by insurance. The loss probably will be \$300,000, and will bear with great severity upon some scores of workmen, all of whom have swept away.

MONDAY'S BIG STORM.
Property Destroyed by Fire and Flood Oval-Gwado Area.

THE LIGHTNING'S FATALITIES.
Monday's thunderstorm was the most general and severe that has been experienced in this section of the province for several years. From eight to ten in the evening the elements seemed to be in perfect unison and the lightning, alternately forked and sheet, was most vivid and conspicuous, with scarcely a second of intermission.

The rain fell in torrents and did much good in reviving the growing crops.

In this immediate vicinity very slight damage is reported as resulting from the storm, but many sections were less fortunate.

At Elora the storm centered with great force. A large portion of stock and furniture factory was struck and entirely destroyed. The racing storm generated very great effort being put forth to extinguish the flames and next morning only portions of the walls of the building were left standing. The whole contents were destroyed by the flames. Loss \$12,000; partially covered by insurance.

Mr. John McLeod, of Nichol, was killed by lightning Monday. He left the house about eight o'clock to take some cattle to a field. It appeared that the barn and stable were struck and took shelter in an open shed in front of his barn.

The barn was struck by lightning and considerately splintered and the shock killed the unfortunate farmer.

The barn of Thos. Bosworth, about three miles from Elora, was burned. It was struck by lightning.

James Faskin, a farmer near Elora, had a horse killed, and Levi Wieder, of Saline, had four sheep killed lightning.

John Weller's barn 2 1/2 miles from Elora was struck by lightning and entirely destroyed.

Mr. Archibald McNeely, of Nichol, had his barn struck by lightning between nine and ten o'clock. It escaped with a few dents and damage.

The barn of Mr. Moore Burns, near Aberfoyle, with its contents was completely destroyed by fire through lightning strike with the lightning. Twofold of flocks were buried and the lambs and lambs and grain were burned.

The barn of Mr. Hugh McPherson, near Aberfoyle, which is owned by Mr. Joseph Smith, also suffered by the lightning. No great damage was done.

The Noble farm barn, occupied by the Rev. Mr. Gribbin in Markham, was struck by lightning and burned with its contents. Loss \$1,500.

Mr. Clark, Mich., May 25. A cyclone passed over this city this evening, wrecking about 50 houses and killing six or eight persons and injuring several others.

Pontiac, Mich., May 26th. Reports from Ortonville, Oxford, and Pontiac, and Thomas, which are located in Oakland County, 13 to 15 miles apart, show that the cyclone which was reported to have struck the area about 12:30 P.M. to 1:30 P.M. to 2:30 P.M. to 3:30 P.M. to 4:30 P.M. to 5:30 P.M. to 6:30 P.M. to 7:30 P.M. to 8:30 P.M. to 9:30 P.M. to 10:30 P.M. to 11:30 P.M. to 12:30 A.M. to 1:30 A.M. to 2:30 A.M. to 3:30 A.M. to
