THE HAPPY

Last night I heard the mocking bird

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old

And I thought of you and of the old
