THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

Returned from Abroad.

Rev. Father Haley returned from his trip to the old country on Saturday. The trip did him much good and he is now enjoying a fair degree of health. He conducted the service in the R. C. Church at Georgetown on Sunday. Rev. Father Lehmann said farewell to the congregation of St. Joseph's on Sunday. He left for Berlin on Monday.

Remembered their Departing Teacher.

For the past year or so Miss Maggie Wilkinson has been a teacher in the Methodist Sunday School. The removal of her brother, Dr. Wilkinson, necessitated her retirement from the school, which is much regretted by her fellow teachers and officers, and especially by her class of young ladies. On Monday evening the class called upon Miss Wilkinson and presented her with a group photograph of the members, neatly framed.

An Enjoyable Wedding Anniversary.

Rev. and Mrs. Langford, pastor of the Baptist Church here, were "At Home" to a large number of friends on Saturday afternoon and evening last at the parsonage at Georgetown, on the occasion of the celebration of the fifteenth anniversary of their marriage. They were the recipients of a number of beautiful crystal accompanied by many kind expressions of esteem in which they are held. The event was a thoroughly enjoyable one. A number of Acton friends participated.

Pictorial Japanese Lecture.

A joint lecture of much interest was delivered in the Disciples' Church on Monday evening, by Messrs. O. Fujimori and N. Imamura, Japanese Missionaries. Valuable information was imparted respecting the country itself and lucid descriptions were given of the God of War, Goddess of Peace, Shinto Priesthood, Buddha, Japan's Empress and the Red Cross Society, Fuji Yama, Sacred Red Bridge, the Jinrikisha, etc. Mr Imamura appeared in full ceremonial Japanese dress. A number of songs in Japanese were sung. The church was fairly well filled with an appreciative audience.

The Highland Dancers and Pipers Again

President Duff, in his well-known honesty of soul and singleness of purpose, reads "A Loyal Canadian," a red-hot lecture in this issue because he saw fit to suggest that for a year or two the Highland dancers and pipers be left out of the annual concerts of the Agricultural Society. The doughty president has evidently misunderstood our correspondent, who is one of Mr Duff's best friends and has always admired him and given credit for his energetic efforts in aid of Acton Union Exhibition. His only point of criticism was the dancers and pipers No doubt he will speak for himself in next issue.

First Monuments in the New Survey.

It is but a few months since the new survey at Fairview Cemetery was opened, but already a considerable number of plots have been sold and interments taken place. Three fine monuments have lately been placed by J. H Hamilton, of the monument works, Guelph. Some weeks ago Mr. Wilson, of Scotch Block, put up a fine monument over the remains of the late Mrs. Robert Watson. Last Friday two fine monuments were erected by Mr. Hamilton for Rev. T. Albert Moore, Palmerston, over the remains of his wife and little son, and the other for Hugh Mann, Esq., in his family plot. The former is a beautiful dark red Swede granite with suitable bases and markers and the latter a fine gray granite of the cenotoph pattern. Both are of chaste design and have a richness about them which attracts the visit to the quiet city of departed loved ones.

An Acton Boy's Preferment.

Guelph City Council made a wise choice at their meeting on Monday evening when Mr. T James Moore was selected to succeed Harvey, the embezzler, as City Treasurer. The position was not gained without competition, for there were sixteen applicants, among them two of the city aldermen. Mr. Moore was elected on the seventh ballot with a clear majority over all other applicants. Mr. Moore is well fitted for the responsible position to which he has been called. In addition to a thorough drilling in the theory of bookkeeping he had the advantage of a year or so in the audit office of the Canadian Express Company at Montreal. He is noted for his accuracy, painstaking and thoroughness. As it is well known Mr. Moore is the eldest son of Principal Thos. T. Moore, of Acton Public School and has himself been in the teaching profession for seven or eight years. He has been the principal of St. George's School in Guelph His Acton friends congratulate him upon securing the city treasurership.

—If you want first class Guelph sash and doors at Guelph prices, T. ESMAN, can fill your order at his planing mill.

As the seed sown by the farmer bringeth forth its fruit in season, so the seeds of knowledge which the young man soweth will in due season fructify to his gain.

—AUCTION SALE.—The farm stock, implements, etc., of George Storey, lot 21, on the town line between Esquesing and Nassagaweya, will be sold by public auction on Monday, October 26th, at one o'clock. Terms, twelve months. WM. HEMSTREET, Auctioneer.

THE NEW MARRIAGE LICENSES. The new Marriage Act requires that both bride and groom make affidavit when procuring a marriage license. In order to avoid inconvenience and unnecessary publicity the undersigned will wait upon the parties desiring licenses at the home of any of their friends in town to issue documents. H. P MOORE, Issuer of Marriage Licenses, FREE PRESS office, Acton.

G. B. Ryan & Co.'s -OVERCOAT- SALE.

Not one coat left over from last season.

All manufactured within the last few months, manufactured by people who know how to make a good article. No other kind would suit our trade.

We expect a big rush all this week.

Our Overcoats consist of Black, Beavers and Frieze Ulsters, in Black, Brown and Fawns. In the Freizes we are selling more colors than Blacks. They are better value than last year. It's too bad that the people should pay us $6.68 for an Overcoat when they can get just as good (in imagination) for $4.95 down street.

HAPPY!

Why shouldn't I be? I've just cleared about $3 00 in two minutes, by buying one of G. B. RYAN & Co's $6 50 Overcoats. They are just what they advertise them to be, A No 1 Coats, and the saving was all they claimed it would be

I tell you if the values they are giving you in stylish, comfortable Overcoats were realized by the public in this city and district, their store wouldn't be able to hold the customers, large as it is

I am advising my friends to make selections at once, before the best Coats are sold

They sell Boys' Coats too, and just as cheap as Men's
