HE WHISTLED.

When crops was burnt to tinders
An' not a rain in sight,
He opened all the windors
An whistled in the light
Jest whistled,
An' whistled,
Like that 'ud make things bright

When mortgages was growin',
Like weeds by day an' night,
He kep' right on a borin',
An' whistled in the light
Jest whistled,
An' whistled,
Like that 'ud make things bright

In sowin' time or reapin'
In wrong as well as right,
When shadders come a-creepin'
He whistled for the light
Jest whistled,
An' whistled,
Like that 'ud make things bright.

Somehow he'd hear bells ringin'
For all the night an' day,
An' still the birds kep' singin'
When the blue skies turned to gray.
He whistled,
Jest whistled,
The rocky world away

TAKEN WITH SPASMS.

A Collingwood Resident Tells How South American Nervine Cured His Daughter of Distressing Nervous Disease.

The father of Jessie Merchant, of Collingwood, tells this story of his eleven year-old daughter: "I doctored with the most skilled physicians in Collingwood without any relief coming to my daughter, spending nearly five hundred dollars in this way. A friend influenced me to try South American Nervine, though I took it with little hope of it being any good. When she began its use she was hardly able to move about, and suffered terribly from nervous spasms, but after taking a few bottles she can now run around as other children." For stomach troubles and nervousness there is nothing so good as South American Nervine. Sold by A. T. Brown.

"What would you say to a good steady job of work?" asked the kind woman. "What would I say to a job of work?" repeated Perry Patettic. "Missus it would be impossible for me to repeat to a lady what I would say to it."

Free and easy expectoration immediately relieves and frees the throat and lungs from viscid phlegm, and a medicine that promotes this is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Bickle's Anti-Consumptive Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

The pleasures of sin are only pleasures for a season.

Dukane—"I don't know how you came to lose money in that scheme. You told me it was a rare investment." Gaswell—"The investment may have been a rare one, but I was well done before I got through with it."

Gladys—"That young man looked at you very hard. Do you know him?" Dolly—"I think I have seen him before but I really can't remember whether he was the gentleman who saved my life from drowning, or merely one of those to whom I was engaged."

GRAY HAIR MADE DARK.

I saw in your paper a statement that Zulu Vulier would restore any head of hair to natural color in three weeks. As I was very gray I sent for a sample package and in less than three weeks my hair was perfectly restored to natural color. My wife's hair was a light red, and by using Zulu Vulier her hair is a beautiful auburn. Any one can get a sample package of Zulu Vulier by sending 21 two-cent stamps to Wilson & Co., New Concord, Ohio, and if it does not restore the hair to natural color in three weeks they will return your stamps, it not only restores the hair to natural color, but will stop the hair falling out immediately and is one of the best hair tonics made, and you take no risk, and if it does not satisfy you perfectly they will return your stamps. Comparing ourselves with somebody else won't make our sinning any safer.

Biliousness and Liver Complaint, Headache, etc., are cured by Burdock Pills.

To know some people is a standing invitation to be good.

In his Vegetable Pills Dr. Parmelee has given to the world the fruits of long scientific research in the whole system of medical science, combined with new and valuable discoveries never before known to man. For Delicate and Debilitated Constitutions Parmelee's Pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the operations of the body, giving tone and vigor.

PYNY-PECTORAL
The Quick Cure for COUGHS, COLDS, CROUP, BRONCHITIS, HOARSENESS, etc.

Mrs. Joseph Downes, of Dr. Barnardo's Home, Toronto, writes: "Your valuable remedy has never failed in cases where children of my acquaintance have been troubled with a long-standing cough after several other remedies had failed. It has never proved an ineffectual cough cure for my family. I prefer it to any other medicine for coughs, croup or hoarseness."

H. O. Bennett, of Little Bay Isle, N.B., writes: "I have a cure for coughs. Pyny-Pectoral is the best selling medicine I have, by far, that I have ever sold here or elsewhere."

COULD NOT LIE DOWN FOR EIGHTEEN MONTHS.

The Sufferings of a Toronto Junction Resident from Heart Disease.

Not an exceptional case of heart disease but very distressing was that of Mr. L. W. Law, of Toronto Junction, Ont., who was obliged to be propped up in bed with pillows for eighteen months; because of smothering spells that would come over him whenever he attempted to lie down. No treatment had done any good until he tried Dr. Agnew's Cure for the Heart, and here one dose gave complete relief, and one bottle cured him, and to-day he enjoys the pleasures of good health as other people do.

Heart disease will kill if not cured. Sold by A. T. Brown.

"Shorter's a perfect wreck." What ails him?" "The doctor says he has bicycle heart, bicycle head, bicycle face, bicycle eyes, bicycle teeth and bicycle knees."

Blood is Life

It is the medium which carries to every nerve, muscle, organ and fibre its nourishment and strength. If the blood is pure, rich and healthy you will be well; if impure, disease will soon overtake you. Hood's Sarsaparilla has power to keep you in health by making your blood rich and pure.

Hood's Pills are easy to take, easy to operate. Cure indigestion, biliousness. 25c.

A CHANCE TO MAKE MONEY.

I have berries, grapes and peaches, a year old, fresh as when picked. I use the California Cold Process, do not heat or seal the fruit, just put it up cold, keeps perfectly fresh, and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to over 120 families; anyone will pay a dollar for directions when they see the beautiful samples of fruit. As there are many people poor like myself, I consider it my duty to give my experience to such, and feel confident any one can make one or two hundred dollars round home in a few days. I will mail sample of fruit and complete directions to any of your readers for eighteen two-cent stamps, which is only the actual cost of the samples, postage etc., to me. FRANCIS CASEY, St. Louis, Mo.

"Flee!" cried she. "You mean fly, don't you?" he asked. "Never mind what insect I mean, just git. Pa's coming."

Tell the Deaf. Mr. J. F. Kellock, Druggist, Perth, writes: "A customer of mine having been cured of deafness by the use of Dr. Thomas' Eclectric Oil, wrote to Ireland, telling his friends there of the cure. In consequence I received an order to send half a dozen by express to Wexford, Ireland, this week.

Miss Daisy Medders (coyly) Do you love me, Jason? Jason Hucklebery 'Course I love you! Do you s'pose I'd have been actin' the fool over you all this time if I didn't?

ANOTHER SMART WOMAN

My husband is poor but proud and he does not want me to work, as I have nothing to do I get restless, and after reading in your paper Mrs. Russell's experience of self heating flatirons I concluded I would try it. I wrote to J. F. Casey & Co., St. Louis, Mo., and they treated me so nicely that I felt very much encouraged. As soon as I got my sample iron I started out, and sold 8 irons the first day clearing $12. I have not sold less than 8 any day since, and one day sold 17. I now have $226 clear money, and my husband does not know I have been working at all, but I am afraid he will be mad when I tell him. Have I done right or should I quit work and leave him to struggle alone. AN ANXIOUS WIFE.

You are doing just right, your husband should be proud of you, go ahead and show the world what an energetic woman can do. That self-heating iron must be a wonderful seller, as we hear of so many that are succeeding selling it.

AFTER THE BOYS.

During an Endeavor Convention one of the delegates, a young bachelor man, alert and eager, and filling of bottled energy within, came suddenly upon a red-faced citizen, who evidently had been patronizing the hotel bar. "Buttonholing" the delegate unceremoniously, he said:

"What are you fellows trying to do, anyway? You are hot on temperance I see by the papers. Do you think you could make a temperance man of me?"

"No," replied the delegate looking him over from head to foot with a keen glance, slightly contemptuous, "we evidently couldn't do much with you, but we are after your boy."

At this unexpected retort the man dropped his peculiar tone, and said seriously: "Well, I guess you have got the right of it there. If somebody had been after me when I was a boy, I should be a better man to day." *Our Young People.*

WHY THEY DO NOT PASS.

Kidney Disease Prevents Hundreds of Apparently Healthy Men from Passing a Medical Examination for Life Insurance.

If you have inquired into the matter you will be surprised at the number of your friends who find themselves rejected as applicants for life insurance because of kidney trouble. They think themselves healthy until they undergo the medical test, and they fail in this one point. South American Kidney Cure will remove not alone the early symptoms, but all forms of kidney disease, by dissolving the uric acid and hardening substances that find place in the system. J. D. Locke, of Sherbrooke, Que., suffered for three years from a complicated case of kidney disease, and spent over $100 for treatment. He got no relief until he used South American Kidney Cure, and he says over his own signature that four bottles cured him. Sold by A. T. Brown.

It is easy to learn something about everything, but difficult to learn everything about anything.

Constipation Cured.

GENTS, I was in very poor health for over four years, the doctor said it was constipation. Not wanting to spend too much cash I got three bottles of B. B. B. and took it regularly. I can certify that I am now in the very best of health and feel very grateful to B. B. B.

HOW A WOMAN PAID HER DEBTS.

A lady in Lexington says: "I am out of debt; and thanks to the Dishwasher business. In the past six weeks I have made $530.00. Every house-keeper wants a Dishwasher, and any intelligent person can sell them with big profit to himself. The Dishwasher is lovely, you can wash and dry the family dishes in two minutes, and without wetting your hands. You can get particulars by addressing: The Mound City Dishwasher Co., St. Louis, Mo. There is big money in the business for an agent. I expect to clear $4 000 the coming year. I need the money, why not make it. MISS C. E.

It is only necessary to read the testimonials to be convinced that Holloway's Corn Cure is unequalled for the removal of corns, warts, etc. It is a complete extinguisher.

It is not what a man has but what he hopes for that makes him happy.

There never was, and never will be, a universal panacea, in one remedy, for all ills to which flesh is heir. the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, when obtained in a sound unadulterated state, a remedy for many and grievous ills. By its gradual judicious use, the frailest systems are led into convalescence and strength, by this influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondence and lack of interest in life is a disease, and, by tranquilizing the nerves, disposes to sound and refreshing sleep, imparts vigor to the action of the blood, which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making activity a necessary result; strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their Quinine Wine at the usual rate, and, gauged by the opinion of scientists, this wine approaches nearest perfection of any in the market. All druggists sell it.

Mrs James McArthur, 118 Robert Street, Toronto, states that the action of Wright's Liver and Stomach Pills is marvellous. Had been troubled with bilious and sick headache for years, one box, taken according to directions, removed the cause of all the trouble and restored me to health. Ask J. V. Kannawin, chemist and druggist, Acton, about them, get a circular.

Stop that splitting headache, you can do so by taking Don't Headache Powders. 25c. a box.

A CHURN THAT CHURNS IN ONE MINUTE.

I have been in the dairy business all my life and have many times churned for an hour before butter would appear, so when I heard of a churn that would churn in a minute, I concluded to try it. Every day for a week I used it, and not only could I churn in a minute, but I got more and better butter than with the common churn. This is very important information to butter makers. The churn works easily, and will churn an ordinary churning in less than 60 seconds. I have sold two dozen of these churns in the past month. Every butter maker that has seen me churn in less than a minute has bought one. You can obtain all desired information regarding the churn by addressing J. F. Casey & Co., St. Louis, and they will give you prompt and courteous attention.

How To Cure Corns.

The No Hook Spoon Free to All

I read in the Christian Standard that Miss A. M. Fritz, station A., St. Louis, Mo., would give an elegant plated hook spoon to anyone sending her ten 2-cent stamps. I sent for one and found it so useful that I showed it to my friends, and made $13.00 in two hours, taking orders for the spoon. The hook spoon is a household necessity. It cannot slip into a dish or cooking vessel, being held in the place by a hook on the back. The spoon is something that housekeepers have needed ever since spoons were first invented. Anyone can get a sample spoon by sending 10 2-cent stamps to Miss Fritz. This is a splendid way to make money around home.

Parmelee's Pills possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. We do not buy our shoes hap-hazard. Some persons do but we are different. So are our shoes.

We keep a close watch on the leather market and know what the manufactured product ought to cost us. Our long experience tells what the quality should be. Therefore there is no reason why we should not be able to buy "right" and if that is so we can certainly sell right.
