CREWSPONS CORNERS.
The past few days have been very wintry. The roads are in a very bad state. Thanksgiving Day passed off very quietly here.

Rev. Mr. Keefe delivered a Thanksgiving sermon here on Sunday, taking for his text Psalm 116, verse 12: "What shall I render unto the Lord for all His benefits toward me?" The sermon was a very impressive one and was listened to with marked attention.

A number from here attended the annual assembly at Acton Methodist Church Sunday night.

Three young ladies of this place pulled five hours last Friday, 70 single cords of two foot wood or 35 double cords. We would like to know where there are three young ladies or gentlemen either who can beat this.

Mr. Wm. Anderson had a horse severely kicked by another horse last Wednesday night. It required several stitches to close up the wound.

Mrs. A. Elliott and Miss Coleman spent a few days last week with Mrs. Hattie McKee.

Mr. and Mrs. D. Findley, of Nainville, spent the holiday at Mr. John H. Gripe's home.

Mr. and Mrs. Wm. Barrow, of Acton, spent Thanksgiving at Mr. H. Warden's home.

Master Willie Chisholm, of Acton, is visiting at his uncle's, Mr. N. Forbes.

Mr. A. Taylor, of Enniskillen, completed last week the breaking up of a piece of new ground for Mr. R. Gibbons.

If you want first class Guelph and all other goods at Guelph prices, T. E. Wood, can fill your order at his planing mill.

The new Marriage License Law has both bride and groom make affidavits when procuring a marriage license. In order to avoid the inconvenience and unnecessary publicity the undersigned will wait upon the parties desiring licenses at the home of any of their friends in town to issue documents. H. P. Moore, Issuer of Marriage Licenses, Park House, Acton.

No other so ready cure summer complaint, diarrhoea, dysentery, etc., so promptly and quite pain so quickly as Dr. Fowler's Extract of Wild Hensley. It is a pocket doctor for tourists, travellers, etc.

THE NEWS AT HOME.

Montly of a Local Character, and every item interesting.

Fatal Disease Among Horses.
A fatal disease has been reported from several animal meninges, and has been more largely suffering from it. The disease principally shows itself by paralysis of the throat, thus rendering the administration of medicine impossible. There is a dolence in the first stage, and the animal will drink very slowly. Then he has intense thirst but cannot drink. When he gets down he is not able to rise. Let us investigate the cause.

It is reported that the Duke and Duchess of York will visit Canada sometime next year, and rumor has it that wherever they go the prevailing illness of the town or city in which they stay will be annihilated. If this be the fact it will stimulate an interest in the coming municipal contest.

Would it be a good idea to extend an invitation and arrange for a visit of the Duke and Duchess to this city? It is a question that is being discussed in the local press.

Discontinuance this Week.
A number of small boys, sons of very respectable parents, are engaged in selling the sensational—often approaching the obscene—papers published in Chicago, Cuba, etc. These filthy sheets, under a moral text for the season, are sold and read by the masses of the lower class.

Discontinuance this Week.
A very interesting event took place on the evening of Thanksgiving Day at the residence of the bride's parents, being the union in holy wedlock of Miss Madeline, fourth daughter of Mr. Archibald McNeill, to David H. Heaton, of this place.

The ceremony was performed at 8 o'clock by Rev. J. E. Howell, M.A. The bride wore a very becoming and elegant costume trimmed with moss green velvet and wore a bouquet of pink and white roses. She was attended by her sister, Miss Flo. The groom wore a suit of dark blue and carried a sword.

Retiring from Business

Stock to be Closed Out
Every dollar's worth of goods to be turned into cash by January 1st.

Our senior partner, after a successful career of over 45 years, has decided to retire from business at the end of the year. In order to effect an adjustment of the partnership now existing, it is absolutely necessary to reduce the stock to the lowest point possible by that time.

The quickest way to reduce stock is to sacrifice profits, even more, to cut prices down, down, down. This has been done, and done thoroughly. It will pay you to visit Toronto and visit this store between now and Xmas; you will be surprised to see how much you can get for a little money. If you cannot come, write. Wait for samples, information anything. Space is limited, we cannot quote prices in this space. We are bound to get the stock down. If goods don't go quick at this week's prices, then down they go again. Remember assortments will be gradually getting broken. Don't delay too long.

All questions cheerfully answered. Letters or orders received before 1 o'clock answered.

NOVEMBER
DRESS GOODS SALE

Now for a rattling business in Dress Goods.

Our Mr Ryan visited Montreal last week, and bought some thousands of yards of Dress Goods at a price that enables us to sell you Dress Goods at from one-third to one-half less than the regular price.

We predict that as soon as the people realize that we are selling many lines of Dress Materials at little over half their value, we shall have a rush for them similar to that which usually greets our special offerings.

Remember, this is not a lot of low-priced rubbish. That kind doesn't suit our trade—but first-class, stylish goods, at a very low price. Of course there is a pick, and the best will go first. Be on hand at the beginning of the sale and you will be well served.

SILK VELVETS.
We will offer at the same time about 275 yards of Colored Silk Velvets, good quality and good colors, worth from \$1.00 to \$1.25 per yard, for 50c. a yard. We do not know where you will find such value.
