THE CHRISTMAS NAME.

It enters into every thing.

Like music played in undertones

White cheer or shadow voices sang

to the door of every heart.

And hence the name of Christmas days.

Through all the festive Christmas days

It is the name that quite think.

And moves the hearts to make amends

For needs or acts of wrong.

It will be the light in age.

The merry bells with Christmas strains

That ring in the name that all love here.

The carolers of Christmas time
