NOTES AND COMMENTS. It is amounced that the Liberal leaders in Great Britain will during the parlia

The new regulations to govern gold min ing in the Yukon district will be sent from Victoria, B.C., on the 8th inst., and wit them will go the advance guard who are to carry the law into effect."

The Dominion Government has been officially notified by the High Commis sioner in London of the denuciation of the German and Belgium treaties. It is reported that Belgium will endeaver to arrange a commercial treaty with Canada.

Insurance companies regard mining at | to the English Supreme Court the Klondyke as most hazardons. Many of the principal life and accident comand Canada against assuming any risks | business men. upon the lives of persons contemplating a visit to the Klandike.

Sir Wilfrid Laurier, responding to toast of his health at a banquet in Paris on Monday, referred to Great Britain's denunciation of the commercial treaties with Germany and Belgium, which, he said, was at Camada's request, and prodicted an enormous development of trade between Canada and France.

Prof. Elliott, of Cleveland, thinks the Mr. Poster, who was sent to England regard to the seal question, is a diplomatio failure. He has secured nothing from the Salisbury Government. The Canadians are in control of the situation, and at the coming conference they will "skin" My 'Foster as they "skinned" him before at the Paris tribunal.

In the British House of Commons Tues day evening the government grant towards the recent jubilee celebration was under consideration. It met with hot opposition from certain members of the Irish Nation alist party. The sum total was £80,000, and this amount included the expenses of entertainment of the Colonial Premiers Finally when it was brought to a vote the approbation carried by 162 to 12.

barrassed financially. Civilization has nocessitated increased expenditures in buildings, improving harbors and strengthening the army and flavy. The treasury

The Chief Justice of Canada, Sir Samuel Henry Strong is now sitting daily as a member of the Judicial Committee of the Canadian representative sat on the Can- together, sending the people headlong over adian case, in which was argued the respect the seats, cutting and bruising several of tive rights of the Dominion and Provincial | them. Governments to appoint Queen's counsel. This casepas stated, has been practically decided in favor of the provinces, though judgment was reversed after the hearing of the provincial contention.

A year or two ago when rich gold strike were made in the camp which is, now Circle City. Uncle Sam frantically waved his flag over the territory and notified Canadians that this was Alaska. In his agitation he began to call for a boundary line, and intimated that he would not le himself be surreyed out of the country. Now he does not care where the boundary. runs, so long as he is permitted to be a free commoner in the far richer gold fields or our side of it .- Mail and Empire.

Provincial License Inspector Stewart has returned to Toronto from a visit of inspec ion to Hamilton, Brantford, Guelph, and other places. He audited the accounts of the local inspectors, in each instance, and enquired into the administration of the license law, and reporte that he found everything satisfactory. The returns for the quarter ending July have only just begun to come in, and the amendments have only been in operation for the last mouth of that period. The Inspector re ports that licensees are very careful avoid infraction of the law, because the penalty for three convictions under the not is forfeiture of the license. This wil render the holders of licenses more careful than they have been heretofore.

> FIXING UP THE COAL STRIKE. Begins to Look Now as if the Trouble May be Ended Shortly.

PITTSBURG, Pa., Aug. 8 .- To-day signs ares will be appended to the uniformity agreement which has been in preparation for a week. Those members of the con mittee who are coal producers will sign it and at once start out to visit the owners of managers of the 141 mines which ar named as necessary to be included within the compact to secure additional signs-

Those who were appointed by the cor vention of operators are confident the compact will be acceptable and will be signed by the required 95 per cent. of the owners or managers of mines. The agreement shall be filed in the county courts, and thereafter the decision shall have the same force and effect as a rule of the court. It i hoped to have the required number signatures in time to call them together some time within the present month to perfect arrangements to carry it into effect. SMALL POX IN TORONTO.

Man Afflicted Came From Belle ville Sunday Morning.

Bert Whitney, eighteen years of age, was taken from the ateamer Passport, of the R. & O. Line, in Toronto harbor Sunday morning, suffering from small pox. The ship is quarantined in the harbor, and the ntmost precautions are being taken to prevent the spread of the disease. Whitney was immediately placed in the Isolation Hospital. Thorough precautions which render the spread of the disease almost an mpossibility have necessitated the quarantining of the ateamer Passport with a load HALIPAY, Aug. 8 .- A mine or well of of twenty-nine passengers and a crew of quicksilver has been discovered just outside forty-nine in the bay, away from danger of of Dartmouth, on the other side of Halifax infection, in case after a lavish and skilful harbor, by a young lady of this city, Miss pse of disenfectants any such danger exists. The patient is supposed to have been infected in a barber shop at Glasgow He

#### STREET LIGHTING : OR DARK-NESS .-- WHICH?

To THE EDITOR OF THE PREE PRESE: DEAR BIR :-- It seems to me a misun derstanding must exist between the ratepayers and those who are at present administering the off airs of this corporation-otherwise very beggarly opinion of the people o Acton must possess the minds of ou Connoil, if they imagine we prefer darkness to envelope our streets at night, and, by so doing save an extra barrel or two of coal The Egyptian darkness which has prevailed the last two weeks is simply dis-

gracoful, If not ridiculous, and by no moans The object to be gained by such negleo must be to save labor or to save coal oileither of which savors too much of Per Nut Administration" to be pleasing to any one feeling a particle of pride in our pretty

It is positively humiliating to hear the

expressions of surprise and astonishmen winced by visitors at our lack of enterprize in the matter of street lighting. We are far enough behind other places in this respect, at the best; without letting the farthing candle we have be extinguished. It is to be hoped our Council will wake up to a sensa of duty in this matter, and obtain the mind of the people, lest they imagine that others are pleased with their action-or rather non-action. Such litt picayuno acts are too small and trivial

meet the approval of any person possessing particle of progress. If too much trouble to light our street by the present system, as of yore, then le us try electricity, and run the whole busi ness of lighting from one central station.

The ratepayers of this town are no narrow-minded; on the contrary, they ar quite willing to bear any necessary expense to obtain a continuous light on all nights that are dark and dismal, whether the almanac says moonshine or not.

Hoping the Council will take warning and remedy a grievance which has existed too long, I am,

LATE LITERARY NEWS. A very protty cover envelopes the Midummer number of the Canadian Magazine The contents are quite attractive and include stories by Mrs. Ella S. Atkinson (Madge Merton), Esther Talbot Kingsmill, H. J. O'Higgins, Percie W. Hart and G. M. Fairchild. "The Royal Canadian in character, and is profusely illustrated from special photographs of the Academtions of paintings by Reid, O'Brien and Harris. A new and commendable feature is a department of "National Sport," which will be of much interest to all those who take an interest in athletics or amusements of any kind. The only really heavy article in the issue is that on "Measure Mending," in which a new system of weights and measures is proposed. The whole number is cortainly magnificent, the contents being purely Canadian, yet varied enough to meet all tastes.

The Indianapolis Journal prints this interesting story concerning ex-President Harrison's forthcoming book : General Harrison has just completed the revision of his articles which have appeared in the Ladies' Home Journal, making extended notes and additions to them. There is a little story in connection with both articles and publication. When the arrangement for the articles was made with General Harrison by Edward W. Bok, editor of the Ladies' Home Journal, the General Was paid for them, with the understanding that when they were put into book form the magazine was to share the royalties accraing therefrom. Mr. Bok, however, of his own accord, generously released General Harrison from paying him any royalty for the reason, as he states, that by the publication of the articles by General Harrison the subscription list of his maga- Great Event of the Jubiles Year zine was onlarged many thousands. The profits to the Ladies' Home Journal were more than the publishers anticipated, and view of this Mr. Bok asks nothing further. General Harrison placed the disposition of his book in Mr. Bok's bands, The best offer came to the editor from the Scribners, and to them Mr. Bok gave the book for his distinguished contributor. General Harrison's revision of the book has just been completed, and the volume will
