NOTES AND COMMENTS. The Department of Interior proposes cancel sales of land made in Manitoba to boomsteers in 1881 of which only one payment has been made. This will throw open considerable new territory to settle-

Chief Justice Armour has given judge ments for total damages of \$1,150 against Deputy Returning Officer E. M. Fleming, of London, for refusing to allow Mr. Ira-Collins to vote in the last Dominion election and for causing his arrest.

It is again asserted that Lord Salisbury will shortly resign and that the struggle for the Premiership will be between the Doke of Devoushire and Mr. Arthur Balfour, and that the latter will have all Mr. Chamberlain's influence.

The minister of militia has introduced new rule that lieutenant-colonels may only were married by the Rev. Mr. Kestle last Col. Kerns of this county will retire next 5.50 train on their wedding trip, after year as he has had command since 1888. The rule is received with much favor and young militla men are enthusiastic.

The railway companies are rigidly enforcing the regulations as to the use of intoxicating liquors by employees on the trains. Infringements of the rules are severely dealt with. A Canadian Pacific driver was laid off the other day for being drunk while in charge of an engine, and orders have been given by both companies o enforce the rules strictly.

Premier Hardy has notified the lumbermen by letter that their demand for regulations compelling all logs cut in Outario to be sawn into lumber within the Province will be referred to the Legislature for decision, the question being too important to be fixed by a mere Order-inCouncil This will give an opportunity to bring out in debate all the arguments on both sides

Some of the Toronto banks during the last few days have been obliged to pay out the bills of other banks, as all their own were in circulation. Such condition it is said, has not existed for many years.

A great international exposition will held in Omaha, Nebraska, from June November, 1898. It will be on a grand scale and perhaps only second to the Missionary Society of the Methodist World's Fair at Chicago. It will be controlled by a corporation with a million dollars capital. Ten mammoth buildings for exhibition purposes will be erected, and it is anticipated that every country on both | to the S. S. Taking registered tonnege as the oriterion. Canada stands fourth among the nations. The last report of the Marine Department shows that the registered merchant shipping on December 81, 1806, was 0,279 vessels, measuring 789,299 tons, being an increase of 17 vessels and a decrease 86.588 tons, as compared with 1895. Atsuming the average value to be \$60 a ton the value of the registered tonnage of Canads would be \$28,678,000. During the year 227 new vessels were built and registored of a value of \$726.000, estimating the tonnage at \$45 a ton.

The Ontario Government has passed order in council appointing all the officers of the Provincial Detective force game wardens with powers equal to a justice of the peace in the shooting districts. Inspectors Rogers and Greer and possibly some others will go to the hunting districts and exercise the functions of magistrates. The deputy wardens are instructed to bring all law-breakers before them. Mr. Rogen stated that they intended to devote themselves to the stamping out of shooting deer in the water. Hunters caught at this w be punished with extreme severity.

Increase in Canada's Trade

The increase in the exports was nearly \$12,000,0000, exclusive of bullion. The increase for the month of September alone was over \$4,000,000.

The September statement of the Canadian chartered banks is also a favorable document. It indicates activity in commerce and verifies the reports published almost daily in the Star last month, that confidence had returned, and that general business was tho best in years. The circulation of money on September 80th, as shown by careful comparison, was the greatest in the history of Canadian banking at a similar date.

MANTLE DEPARTMENT

Our styles and prices seem to suit completely. "The proof of the pudding is, &c.," and we have already sold more Mantles than many large houses do for an entire season and yet the season is scarcely begun. We now put on sale 62' pattern Mantles, all the newest styles and makes. Scarcely any two alike, sizes, 32, 34, 36 and 38-in President Cloths, Beaver Cloths, Nap Cloths, Curl Cloths, &c. Some piped and faced with satin, some plain, some are braid trimmed, and with buttons, all the proper regulation length.

These are extra well made by the German manufacturers and sent to Canada to serve as patterns from which thousands of dollars worth of Mantles were sold. We bought them so cheap that we will sacrifice them. There are the prices and if you would like to know what you will have to pay anywhere else for similar goods, add at least one half to these prices and you will be within the mark. We will clear them at \$2.10, \$2.30; \$2.45, \$3, \$4, \$4.15, \$4.35, \$4.45, \$4.50, \$4.56, \$4.70, \$4.80, \$4.87, \$4.95, \$5.15, \$5.25, \$5.40, \$5.50, \$5.52, \$5.80, \$5.85, \$5.95, \$6.05, \$6.60, \$6.65, \$6.85 and so on up to \$10.35.
