THE NEWS AT HOME.
Mostly of a Local Character, and
every item interesting.
Jolly Old Uncle Tom.
Much interest will be centered in the
personal of the jolly old story published on
the first page of this issue. Jolly Old Uncle
Tom's generosity is well and attractively
told. There are no doubt other young
couples who would appreciate similar
treatment to that accorded Charley and
Folly by their own or any other person's
uncle.

Annual Meeting Acton Bible Society.
The annual meeting of Acton Bible
Society to be held next Tuesday evening
promises to be an occasion of much interest.
Rev. J. H. Gilmour, B. A., of Hamilton,
one of the most brilliant speakers of the
Baptist Church, has kindly consented to
deliver the annual address. The local
ministers will also briefly address the
meeting. The choir of the church will
be present to assist in the service. Mr.
John Robertson, the President, will take
the chair at eight o'clock.
A neat prize list of the Jubilee Christ-
mas Fat Stock and Poultry Show to be
held in Guelph, Ontario, the Smithfield
of Canada, is just to hand. This show is
looked upon as one of the best of the
premises this year amount to \$1,200,
well distributed, ranging as high as twelve
dollars in gold, this being the Jubilee
prize for the best animal exhibited. The
show will be held on the 9th and 10th of
December, entries being received until
Monday, the 5th of December, and a
promise to be the best exhibition ever
held in the Royal City. Arrangements
have been made with the railways for
special rates.

Communication Services.
The regular quarterly communion ser-
vices were held in the Methodist and Pres-
byterian churches last Sabbath. At the
Friday Rev. Dr. Smith, of St. Andrew's
Church, Guelph, preached pre-communion
services in the Knox Church morning and
evening. On Sunday, Rev. M. A. McKe-
nna, the pastor, officiated at the communion.
A large number of communicants partici-
pated. In the Methodist Church Rev. J. A.
McKenna, M. A., preached specially
appropriate sermons morning and evening.
The Rev. Dr. Bawa, in his address, in
illustration of the sacrament, in the evening.
The attendance was larger than usual
on such occasions.
"Far-Off Fields Are Green."
This axiom was verified to the full by
Mr. John Rudick and family, who returned
last week from Manitoba, after a six
months' experience in the prairie province.
Mr. Rudick sold his home here and re-
moved to Margaret, Man., last spring, intending
to take up a homestead. He decided to
spend the summer in prospecting, and as a
result came to the conclusion that a man
with a family who earns fair wages in
Ontario is better off here than anywhere
else, from the standpoint of comfort, church
and educational advantages. Mr. Rudick
is now in no hurry to return to the
prairie, and is now in the process of
arranging to purchase a farm in the
vicinity of the city. He is at work again
in his old place with the Acton Tanning
Company. Their numerous friends are
glad to see this esteemed family
safely back to Acton.

Unfortunate Deaths.
Mr. Geo. Amos, near Moffat, was very
unfortunate with a flock of sheep last
Thursday night, when 16 out of 18 were
run over by a C.P.R. train and killed. The
impression is that the gate had been left
open by the driver, who had been on the
premises, and the sheep left the field and
went on to the track. The animals would
average about \$5 a head in price.—Guelph
Mercury. Last fall a couple of hunters
set out on the farm of Mr. Joseph Arthur,
third line west of the church, by using their
arms in the immediate vicinity of a field
where one of Mr. Arthur's sons was engaged
in plowing, caused the horses to run away,
the result being that one of the horses was
so badly injured that it was unable to work
all winter. When hunters are so careless
as this it is no wonder that the farmers
prohibit them from trespassing on their
property.
Another Scheme to Rob Farmers.
Reports have come in of a pair of piano
stealers having operated successfully in
the vicinity of St. Mary's recently.
Their mode of operation is this: They pick
on some well-to-do farmer whose credits
stand good in the district; they go to
him and say they would like to have the
use of his piano as he is to buy a new one.
They then say they will buy the piano
from them to sell to others and if he will
agree to give him some that way they will
agree to ship to him from Toronto or
Montreal, a grand piano, the best that's made. They
then say they will simply sign this paper so
that we can show that we have made the
suggested purchase. "The farmer sees
nothing wrong in the transaction, thinking
it is an easy way to get a piano free of cost,
signs the paper and in a short time a note
shaver or a money broker sends him word
that his note, ranging from \$50 to \$500
and there is no escape from payment. The
piano is shipped; take it from the station
or not, the note has got to be paid. The
scheme is worked so slick that several
farmers have been caught napping. It is
the old story, as with the game, "didn't
know it was loaded," although the new-
paper says warning every week of such
schemes.

Dr. H. B. Gray, of Napawa, was killed
at Lanadaw by an engine dashing into
the car in which he was sitting. One other
occupant of the car was injured, but the
train bands escaped.
On the invitation of the Sultan of Tur-
key The New York Herald is sending Rev.
H. H. Huffer, a reporter to investigate the
reports of outrages and tell the world
truth to the world through the columns of
the paper.
The American aim to excel at every-
thing they undertake as to say each and
every important thing they have is the
greatest on earth. They admit, however,
that Canada has the best weekly newspaper
on the continent in the Family Herald and
Weekly Star of Montreal. Americans have
told over and over again to produce such
a paper for a dollar, but have failed. The
Family Herald and Weekly Star of Montreal
has the proud distinction of being quoted
by editors, and the best editors, all over
the continent. There is no doubt about
the superiority of this paper. It is the
only paper in the world that has been
mentioned in the New York Herald and
Weekly Star. It is the only paper in the
world that has been mentioned in the
New York Herald and Weekly Star.

BALLINAFAD.
The anniversary services of the Presby-
terian church held here last Sabbath were
unusually interesting. The Rev. W. O.
Clark, of Brantford, preached morning
and evening. The sermons were ably
practical expositions of the truth and were
filled with instruction for old and young.
The collection was for the general expenses
of the church and amounted to \$40.
The sessions of the united congregations
of Ballinafad and Caledon have applied to
the presbytery of Orangeville for leave to
moderate in a call.
Mr. Edward Shortall has been re-engaged
for 1897 to teach the public school at Ash-
grove. Accept our congratulations, Ed.
Mr. and Mrs. John Russell have returned
from a short visit to friends in Paris.

friends Mr. and Mrs. Marchant, returned
to the city on Monday.

and will not return to Guelph till
spring.

CREWSON'S CORNERS.
The first heavy snow storm in this
vicinity this season occurred on Monday
night and Tuesday morning. Quite a
number of farmers in this vicinity have
not yet finished their turnips and are an-
xious to see the snow pass away for a time.
Mr. Chas. McNabb has just completed
the erection of a fine, new wind mill on
his farm.
We understand the school board of S. B.
No. 8, Brantford have engaged Mr. E. Jack-
son for another year and have given him
an advance on his present year's salary.
Other school boards should follow their
example.
Mr. Gartley, of Georgetown, has just
completed drilling a well for Mr. J. Walker,
Miss J. Kingsbury, of Eden Mills, visited
the Misses Ramshaw for a day or two
the past week.
At this has been a very prosperous year
among all classes of people they should
show their gratitude for the part taken in
securing this prosperity by their respective
families by subscribing for a good, timely
and moral paper for the year. The Acton
Free Press is just such a paper and now is
the time to subscribe.

ASHGROVE.
The anniversary services of the Ashgrove
Methodist Sunday School were held last
Sabbath and Monday. Rev. L. Ferris,
B. A., of Georgetown, and Rev. T. C.
Campbell, of Streetville, preached the
sermons. The house was crowded at each
service. On Monday evening the house
was again filled for the tea-meeting.
The Rev. G. A. Mitchell was chairman
and after an excellent tea, the programme
consisted of speeches by the pastor and the
Rev. John Kay, of Oakville. Mr. Kay was
pastor of this church thirty-one years ago
and in his excellent address he recalled
many interesting events connected with the
history of this locality.
Instrumental music was furnished by the
Ashgrove Harmony Club. The vocal part
by the scholars and Miss Minerva Thornton,
under the training of Miss Wriggles-
worth and Miss Alexander. An excellent
programme was provided. Miss Annie
Morrison, an eloquentist of Brantford,
gave a number of popular selections.
Notwithstanding the unfavorable weather
the house was filled and all enjoyed the
excellent tea and programme.
Mr. John Brownrigg, the popular
superintendent and the able staff of officers
and teachers who assist him, are to be con-
gratulated on the great success of the school.

NASSAGAWEYA.

suffering from brain fever for about three
weeks, is able to sit up, which news his
many friends will be glad to learn.
Miss Ella Taylor, of Nassagaweya, visited
at the home of Mr. J. R. Forbes this
week.
Mr. Fred Nixon has been re-engaged
as teacher of Public School for 1898 at an
increased salary. He has had a successful
year.
The Rev. Dr. Scanlan has commenced a
series of revival meetings in the Ebenezer
chapel for the opening of spiritual life in
the members of the church and the salva-
tion of the un saved. We hope that great
good may be accomplished.
Mr. John Watson, of Chelvey, is visiting
relatives and friends in Nassagaweya.
Mr. Hill, of Woodstock, is visiting his
brother-in-law, Mr. Geo. Kitching, of
Corchlin.
Mrs. L. H. Wilson and Miss Mina Lang-
rill, of Katoebull, spent a few days last
week with relatives in Deverley township.
Mrs. M. Ashdown, who has been visiting
relatives and friends in Deverley, returned
home on Friday. The first heavy fall of
snow came on Monday night and nature
took on quite a different appearance.
Those who have not got their turnips up
will wish they had commenced a little
earlier.

Good
Blood
is essential to
Health. Every nook
and corner of the
system is reached by the blood, and on
its quality the condition of every organ de-
pends. Good blood means strong nerves,
good digestion, robust health. Impure
blood means scrofula, dyspepsia, rheuma-
tism, catarrh or other disease. The surest
way to have good blood is to take Hood's
Sarsaparilla. This medicine purifies, vi-
talizes, and enriches the blood, and sends
the elements of health and strength to
every nerve, organ and tissue. It creates
a good appetite, gives refreshing sleep
and cures that tired feeling. Remember,
—sure to wake you.

Hood's
Sarsaparilla
Is the best—in fact the One True Blood Purifier.
Hood's Pills—entirely free from
Laxative, take easy to operate.
