#### NOTES AND COMMENTS.

During the present month five townships have voted on the subject of local option. Three voted on the motion to repeal the act, but in each case it was questioned. Two new townships voted on the act and decided on local option.

The Conservative convention for South Wellington meets in this city on Saturday, the 29th inst. It is generally understood that Mr. Henry Horton of Everton, will get the nomination and accept it. Halton Liberal convention meets at Milton on the 27th. South Waterloo convention meets at Oak on the 31st.—Gough Mercury.

The elegy of Ontario are requested to take notice that the circular recently sent out by the Registrar General requesting them to send in their half yearly lists of marriages states that such returns are to go to the division registrar, who is the municipal clerk. They are not to be sent to the Registrar General as was understood and as doing.

It is understood to be the intention of the Government to introduce legislation in Parliament this session defining the position of unorganized territories in the Northwest and declaring them formally to be under the jurisdiction of the Federal authority. The Executive of the Northwest Territories as Regina seems to be laboring under an impression that they have some authority in the matter.

The stalwart prohibitionists of Halton County probably express the average prohibition sentiment when they demand that the public be kept from the sale of "plain" "yes" or "no." It is known that the Dominion Government desires to submit a complex bill, involving the questions of enforcement and of revenue, and at the annual meeting of the Halton Prohibition Association at Milton on the 27th, was specifically condemned.—Toronto Star.

#### HALTON AGRICULTURAL SOCIETY.

The Annual Meeting Finds a Small Deficit in the Year.

The annual meeting of the Halton Agricultural Society was held at Milton and the following officers were elected:— President—John Stewart.  
1st Vice-Pres.—John T. Elliott.  
2nd Vice-Pres.—Frank Greenleaf.

Directors—R. Stewart, A. Stark, J. McCowan, E. Dixon, W. Patterson, W. J. Scott, E. R. Hunter, D. Hutchinson, A. C. McMillan, W. A. Lawrence, F. Chisholm, T. T. Harris, P. McCulloch, Jas. Brown, Alex. Waide.

Auditors—Dr. Robertson and Samuel Dixon.

The financial statement showed receipts for the year, \$1028.81; disbursements, \$1032.90; liabilities unpaid, \$70.

The directors met after the general meeting and made the following appointments:—Wm. Clements, Secretary; E. Dixon, Treasurer.

#### TO MEET IN OTTAWA.

The executive of the Canadian Press Association met last week in Toronto, and made the important departure of changing their place of meeting from Toronto to Ottawa, where the annual assembly of the association will take place this year on March 10 and 11. The executive committee are now engaged arranging a programme. Those present at the meeting were: J. B. McLean, Printer and Publisher, Toronto, President; J. S. Willson, Globe; J. T. Clarke, Star; A. H. U. Colquhoun, Post; G. D. McMillan, Ontario Herald; W. Ireland, North Star; F. A. Sand, and A. G. F. Macdonald, Alexandria News.

#### NEWS OF THE DAY.

Rev. R. Dennis Talmage, the noted divine of Washington, and Mrs. Elmore McCutcheon Collier, of Albany City, were married at Pittsburg.

George Armitage, a prisoner in the county jail at Berlin, upon his discharge Saturday, was arrested charged with the theft of a horse, and burglary at Ripley.

Dr. James D. Kellock, one of Perth's oldest physicians, died in his cutter while on his way home from the county on Saturday, where he had been attending a patient that afternoon.

Mr. William Low and Warden Monteith, of Perth County, were stopped by footpads while driving near Stratford Saturday night. The robbers got 85 cents from Monteith, but missed a roll of bills that he carried.

Ross is about to present a note to Turkey demanding payment for the whole balance of the indemnity of the Russo-Turkish war, amounting to twenty-eight million pounds, with a view of making the Balkan more joyful in the settlement of the Cretan question.

#### CREWSON'S CORNERS.

Trouble seldom comes single-handed and this is the case in the home of Mr. J. R. Nichol. Last week Mrs. Nichol was called away to attend the funeral of her brother, Wm. Campbell, who died very suddenly in West Superior, Wis. While there Mrs. Nichol was summoned home by a telegram from the husband of her father-in-law. The bereaved family will have the heartfelt sympathy of their many friends in this district.

Mr. Bert Gibbons has been seriously ill the past week but is improving somewhat. Mr. John Murray is now comfortably settled in his new home "Rose Hill."

Quite a number from here attended an assembly at Eden Mills on Monday night last.

Miss Katie Nichol, who has been spending the past two months with friends in Toronto, returned home last week.

On Wednesday evening the 19th inst., two sledges of heavy mail left Acton for the home of Mr. A. Murray, Zeta. The first load arrived all right, but the second, which by the way had a cargo of oysters and passengers, lost their way and their friends think they have gone to the Kingdom of some place. Relatives were glad to receive information regarding them. Those which were fortunate enough to arrive all right were hospitably entertained by Mr. and Mrs. Murray and their estimable family and spent a very enjoyable time. Perhaps the oysters in the sledging about which their friends in the White Pass.

#### GEORGE ANDREW, WARDEN.

George Havill, Acton, Chairman of the County Council on Education.  
The County Council met in its initial session for 1908 at the Court House, Milton, on Tuesday.

Mr. Havill, of Acton, the newly-elected representative of District No. 4, took the declarations of office and of qualification and was sworn in as a member of the county legislature.

The important business of the day was the election of a Warden for the current year. The vote for this coveted honor was equally divided between Councilors Lawson, of Requeuing, and Andrew, of Oakville, and for some time there was a deadlock in the balloting. Finally Mr. Lawson generously cast his own ballot for his opponent and George Andrew was elevated to the Wardenship of the County of Halton for 1908.

The committee to strike the standing committees of the year then proceeded with that duty and their report, giving the constitution of the various committees as follows, was adopted:

**FINANCE.**  
Webster, chairman; Havill and Fisher, roads and bridges.  
Lawson, chairman; Robinson and Hutchinson.

**COUNTY BUILDINGS.**  
Robinson, chairman; Pettit and Lawson.  
Pettit, chairman; Fisher and Havill.

**EDUCATION.**  
Havill, chairman; Robinson and Webster.  
Fisher, chairman; Webster and Hutchinson.

**RAILWAYS AND LEGISLATION.**  
Hutchinson, chairman; Lawson and Pettit.  
Messrs. Dowar, of Milton, and Spers, of Oakville, were appointed auditors.

Considerable time was spent in the work of consolidating the by-laws, and not being able to complete it the Council adjourned to meet next Wednesday, 2nd February.

#### THE SAN JOSE SCALE.

Prompt Measures Taken by the Minister of Agriculture to Stop Out the Pest.

With the threatened destruction by the terrible San Jose Scale of the pleasant prospect of Ontario fruit—apples, peaches, pears, plums and grapes—gaining markets in the British Isles and other European countries, and even rivaling the value of the cheese product of the Province, the prompt and vigorous measures to fight this insect invader taken by the Hon. John Dwyden, Minister of Agriculture, are of overriding importance.

Under authority conferred by the Legislature the Minister of Agriculture already has inspectors at work in the nurseries and orchards of the districts where the scale has got a start and it is being thoroughly stamped out.

How serious a matter dealing with this dangerous microscopic pest is may be understood when it is learned that not only all kinds of fruit trees, shrubs and bushes are subject to destruction by the scale but all hard wood growth in our forests as well may be ruined. The enormous loss suffered in the 17 states of the neighboring republic, where the scale is ravaging is but a measure of what this Province will escape by the Government's admirable action.

Quite appropriate in this connection is the following extract from an interview with Mr. Albert Fay, proprietor of the Prospect Hill fruit farm, near St. Catharines, Ontario, in the Buffalo Express of January, 13th inst.: "My politics are opposed to the Government of Ontario," said Mr. Fay, "but I must say that Mr. Dwyden the present administration has most competent man. When he asked me to come to Toronto to look over his bill, I and those with me, expected to find that we were necessary to the completion of the bill. But we were not. The bill was drafted and was submitted to us for approval. We found the ground fully covered and instead of teaching the Minister how to preserve the fruit, we found ourselves listening to Mr. Dwyden's plans. It would be impossible to find a more capable Minister of Agriculture in the Province. We were delighted with him."

"It is the Government's intention," continued Mr. Fay, "to destroy, or cause to be destroyed, every fruit tree that is known to be infected with the San Jose Scale. I believe that the pest was brought in to Canada from United States nurseries, and it has become so fatal to the fruit trees that extreme measures are necessary. The bill provides for compensation to an amount which will enable the grower to replace the tree without any expense to himself, and the penalty for neglecting to destroy infected trees is such as to induce every owner of an orchard to see that this is carried out. When the infected trees are destroyed we can then start over again under a new law providing for the rigid inspection of all imported nursery stock and the exclusion of trees affected by the scale."

#### MIDLAND ROUTE CALIFORNIA EXCURSIONS.

Via the Chicago, Milwaukee & St. Paul Railway to Los Angeles and Other Points in Southern California.

These popular every Saturday California excursions for both first and second-class passengers are "personally conducted" by intelligent, competent and courteous conductors, who will attend to the wants of all passengers en route. This is an entirely new feature of tourist car service and will be greatly appreciated by families or parties of friends travelling together, or by ladies travelling alone.

"The Midland Route Tourist Cars are upholstered sleeping cars and are supplied with all the accessories necessary to make the journey comfortable and pleasant, and sleeping quarters are but \$1.00 (for two persons) from Chicago to California.

Ask the nearest ticket agent for a tourist car "folder," giving complete information about the Midland Route, or address "Eastern Manager Midland Route," No. 55 Adams Street, Chicago, Ill., or A. J. Taylor, Canadian Passenger Agent, Toronto, Ont.

#### MRS. STERNAMAN'S TRIAL.

Justice Robertson Will Re-open the Case at May Assizes.

Ottawa, Ont., Jan. 24.—The Department of Justice has fixed the new trial granted to Mrs. Sternaman for the May assizes, before Justice Robertson, who will decide whether there should be a change of venue.

#### THE BOARD OF EDUCATION.

Organized for the Present Year With Mr. James McLam as Chairman.

The members of the Public School Board met on Wednesday evening at 7 o'clock, and were convened by statute, for organization.

Members elect Hynds, Holmes and Uffo subscribed to the declarations of office and took their seats with Messrs. McLam and Wallace.

The secretary, H. P. Moore, took the chair and requested the members to elect their chairman for the year.

Moved by George Hynds, seconded by Dr. Uffo, that James McLam be chairman of the Board for 1908.

Mr. McLam was unanimously elected. He assumed the position reluctantly, but thanked the members very cordially for the honor thus placed upon him. He referred to the kindly relations of the members of the Board in past years and anticipated that the business requiring their attention during the present year would be transacted in the pleasantest possible manner.

The next business was the striking of the standing committees for the year.

Moved by George Hynds, seconded by Robert Wallace, that the standing committee for the ensuing year be constituted as follows:—

**FINANCE.**—Geo. Hynds, chairman and Dr. Uffo.

**PROPERTY.**—Robert Holmes, chairman, and the new member to be elected.

**SURVEYS.**—Robert Wallace, chairman, and James McLam.—Carried.

The resignation of T. H. Harding as a member of the Board—stating that he had lately resigned his position as a member of the Board and ceasing to be a ratepayer, he was consequently rendered ineligible to serve on the Board—was received and read.

Moved by Robert Wallace, seconded by Robert Holmes, that T. H. Harding's resignation as a member of the Board be accepted, and that we desire at the same time to express our appreciation of his devotion to the interests of the board and to the Public School, as well as his uniform kindness and courtesy during his long term of office as member and Chairman of the Board.—Carried.

Moved by George Hynds, seconded by Dr. Uffo, that the secretary be instructed to notify the municipal clerk of the vacancy on the Public School Board, caused by the resignation of T. H. Harding, and request the Council to take such steps as are required by law to fill the vacancy.—Carried.

The Committee on Finance presented their first report and recommended payment of accounts as follows:—

White Wheat, 100 bushels @ 81.00 = 81.00  
J. J. Moore, repairs, 1.00 = 1.00  
A. Stephenson, repairs, 33.50 = 33.50

The report was adopted.

Moved by Robert Wallace, seconded by Dr. Uffo, that the Secretary be instructed to advertise for tenders for thirty cords of good, sound, green body wood, four feet long, mostly maple, to be delivered at the school before the first of March—tenders to be received up to Monday, February 7th.—Carried.

The Board then adjourned to meet on Monday evening, 7th February, at 8 o'clock.

#### THE MUNICIPAL COUNCIL.

Arranges for an Election to Fill the Vacancy on the School Board.

The Council met on Monday evening in regular bi-weekly session. The Mayor was absent but the members proceeded with their duties in a business-like manner, and refreshing indeed, as compared with what visitors to the Council Chamber have sometimes witnessed.

Members present Councilors James Clark, John Clark, J. A. Murray and J. Francis.

In the absence of the Reeve Mr. James Clark was moved to the Chair.

The Committee on Finance presented their first report recommending payment of accounts as follows:—

Henderson & Co., felt for Council 8 1/2  
George Hynds, repairs, 1.00  
The City Oil Company, coal oil 6 00  
H. P. Moore, printing, salaries, etc. 12 00  
Total 27 50

Moved by J. A. Murray, seconded by J. Francis, that the first report of the Committee on Finance just read be adopted.—Carried.

Notice was given by the Secretary of the Public School Board of the resignation of T. H. Harding as a member of the Board, and the Council requested to take the steps required by law to have the vacancy filled.

The matter was immediately taken up. Moved by J. A. Murray, seconded by John Clark, that leave be granted to introduce a by-law for the purpose of appointing the time, polling places and returning officers for the election of a trustee on Acton Public School Board to fill the vacancy caused by the retirement of T. H. Harding, and that the by-law be now read a first time.—Carried.

The by-law was introduced, read the required number of times and passed; the date of nomination being fixed for Saturday, 6th February, and Messrs. Thos. T. Moore and J. C. Hill were appointed as the Deputy Returning Officers.

The auditors' report for the year was presented and taken in charge by the Committee on Finance for review.

Chief McQueen addressed the Council as to certain improvements desired by the Fire Brigade, especially that an alarm be made to secure a satisfactory alarm gong for the east end of the town. It is likely a small gong will be placed in the home of one of the firemen. The wires and batteries are already in place, having been adjusted last summer for the large gong which proved to be a failure, as far as its "alarming" qualities were concerned. Council adjourned at 8.45 o'clock.

#### A SOLDIER'S LIFE.

ONLY VETERANS CAN REALIZE THE SUFFERINGS OF ARMY LIFE.

Strong Men Made Helpless Invalids—The Story of One Who Suffered Day and Night for Twenty Years.

From the Chatham Banner.

Everyone living in and around the village of Wheatley knows Mr. Peter Blipie, who has been a resident of the place for upwards of twenty years, who during the whole of that period up to last year was a constant sufferer from acute rheumatism, complicated by other troubles, until he was worn almost to a shadow.

At the age of twenty he joined the 21st New York Volunteers, and after being a member of that organization for three years, he joined the New York Cavalry and served through the war of the rebellion. He took part in the historic battles of Bull's Run, Fredericksburg, Chancellorsville, etc., and at one time rode eighty miles at a stretch, carrying dispatches through the enemy's lines. On another occasion he was on horseback for three days and five nights, and it is little wonder that such hardships left him, as they did thousands of others, with a wrecked constitution. While in the army he was a sufferer from poor food and worse water, he was attacked with diarrhoea, which assumed a chronic form. This of course greatly weakened him, and he fell an easy prey to the pains and terrors of rheumatism. To correspondents of the Banner he said: "I was not only troubled with rheumatism, but I was also subjected to febrile attacks and at other times everything appeared to turn black before my eyes. I would often feel sick at my stomach, at which times my nervous system seemed completely shattered. I never can exactly tell how much I endured during those long and weary years. About a year ago I was advised to try Dr. Williams' Pink Pills, and it was a grand day for me that I began their use. After I had used a few boxes my pains had decreased and I was considerably better. Later, through a continued use of these pills, I could eat, sleep and felt as able to work as I had done twenty years ago. I now feel well and strong and if any of my old comrades see this and are afflicted I would urge them to try Dr. Williams' Pink Pills."

An analysis shows that Dr. Williams' Pink Pills contain in a condensed form all the elements necessary to give new life and richness to the blood, and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, neuralgia, St. Vitus' dance, eczema, paralytic, rheumatism, nervous headache, the after effects of a grippé, palpitation of the heart, nervous prostration, all diseases depending upon vitiated humors of the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females. They build up the blood, and restore the glow of health to pale and sallow cheeks. In men they effect a radiant color in all cases arising from mental worry, or overwork, of whatever nature.

### After the Christmas Holidays WHAT?

Quiet times and dull trade? Not at all! We will start a trade invigorator on Saturday, the 8th instant, a great Winter Clearing Sale. And all our sales have been successful. Why? Because, first, goods are represented, second, at the close of the season we mark down surplus stock to prices that effectively empty the shelves; third, no rubbishy stuff is ever imported whereby a cheap show may be made, but our regular stock is reduced so as to crowd the store with buyers while the sale lasts. When the season is about ended we consider it legitimate business to thus dispose of surplus stock and it tends to confirm the esteem and good-will of our customers which we hope to maintain as heretofore.

Our present sale we expect will be a "record breaker." We are not sending out patent doggers, and as it is manifestly impossible to enumerate every article in a newspaper advertisement we earnestly request your presence as early as possible. A few lines of special value are hereunder quoted, but remember all goods can be had at a big reduction from regular prices:

**Fine High-Class Tailoring.**  
There is an unmistakable individuality about our clothing that stamps the wearer as well-dressed. We have a number of Fall and Winter Suitings, Overcoatings, Trouserings, etc., to be cleared out at cost to make room for spring importations. Now is the time to get the best at the lowest prices. Fit, style and finish guaranteed.  
Ladies' Dress Costumes worth \$7.00 and \$6.00 for \$4.00.  
Ladies' Dress Costumes worth \$5.00 and \$4.00 for \$3.00.  
Ladies' Dress Costumes worth \$3.00 and \$2.00 for \$1.50.  
Ladies' Dress Costumes worth \$1.50 and \$1.00 for \$0.75.  
Ladies' Dress Costumes worth \$0.75 and \$0.50 for \$0.40.  
Ladies' Dress Costumes worth \$0.40 and \$0.30 for \$0.25.  
Ladies' Dress Costumes worth \$0.25 and \$0.20 for \$0.15.  
Ladies' Dress Costumes worth \$0.15 and \$0.10 for \$0.08.  
Ladies' Dress Costumes worth \$0.08 and \$0.06 for \$0.05.  
Ladies' Dress Costumes worth \$0.05 and \$0.04 for \$0.03.  
Ladies' Dress Costumes worth \$0.03 and \$0.02 for \$0.01.  
Ladies' Dress Costumes worth \$0.01 and \$0.00 for \$0.00.

We will give you a hearty welcome to come and inspect our goods and see what a slaughter we have made in prices, you will scarcely realize it, the terrific cut we have made in all lines of goods.  
We will always give the highest price for butter and eggs; just the same as cash to us.  
Bargain day, every day.
