It may be interesting to know that Spain's debt on January 1st was \$,649,475, 787, of which nearly one-sixth was a floating debt. The charges on this great debt take two-thirds of the annual revenue, \$101,746,000 out of a budget of \$152,070, 000. leaving \$51,224,000 to meet current expenses, a costly war in Cuba, and demands in the Phillippine Islands. The war with the United States will, therefore, have to be conducted chiefly on credit.

It seems to be generally understood at Ottawa that the disputed questions between the States and Canada will be submitted to a joint commission this year. It will sit at Ottawa, it is said, and Sir Julian Parancelot, Sir Richard Cartwright and Sir Louis Davies are named as the British and Canadian representatives. There seems no doubt but that the Alaskan questions-seals and gold -have prompted this conference, and that a measure of trade reciprocity will be the most importan

The display of hats and connets is conceded to be the most complete and beautiful ever shown by the firm. Among the very newest styles in hate is the "Shepherdess," which is one o the latest French productions. It droops at both back and front, while the side turn up slightly. Many of the French hats turn up abruptly at the back, the

front being worn well over the face. The propunctic tire brim is one of New York's new things. The variety and style of the trimmings for the season are very extensive and comprise many bearatiful conceptions. Flowers will be largely used, roses predominating, natural are one of the novelties. Ribbons, course, will hold their own, but mostly in off, plain shades, and among the very new and popular goods will be seen a great variety of designs in fancy straw braids, satira oloth mousseline de sole, tulles Russian net, chiffons, and gauzes. Shreded wheat cloth is probably the very newest idea to hat trimming. The fashionable colors are the nasturtium shade, burn orange, or copucine, turquoise, Medi terranean blue, violine, and the ever popular green shades.
