KILLED NEAR GEORGETOWN.

Sad Death of Mr. Benjamin Watkins, One of our Esteemed Farmers.

An accident which has thrown this community into the deepest sorrow occurred on Monday afternoon and resulted in the death of Mr. Benjamin Watkins, for the past eight years a respected resident of this vicinity.

As is well known here Mr. Watkins had just retired from active farming and was making preparations to remove to a house he owned at Norval, his former home. In company with Mrs. Watkins he went to Norval a couple of weeks ago to put the house in order. While there Mrs. Watkins was taken seriously ill and he remained with her.

He had driven up to Acton Monday morning and when on his return between the 7th and 8th line, Esquesing, a hound in pursuit of a fox sprang in front of the horse. The animal turned completely round in an instant throwing Mr. Watkins and Mr. George Midgley who was riding with him on to a stump fence.

The buggy fell upon Mr. Watkins, causing internal injuries, and Mr. Midgley had a snag driven into the socket of his left eye. Both were rendered unconscious. Mr. Watkins was removed to the home of Robert McCullough where he died about 8.30 that morning. The remains were removed to the residence of his son above Norval, and the funeral will take place to Norval cemetery this afternoon.

Mr. Midgley went to Georgetown to have his injuries attended to. The sight of his eye is uninjured.

The deceased was about sixty years of age, a well-to-do farmer and a good citizen. He was a member of KNOX CHURCH, Acton. He leaves a wife, three sons and four daughters to mourn his loss. The sons are John Watkins, 6th line, Esquesing; Thos., at Acton; and William, a law student at Guelph. The latter was in A. J. McKinnon's office here for some time.

Mrs. Watkins lies ill at Norval where she was prostrated ten days ago and this intensifies the sorrow of all in the great bereavement of the afflicted family.

THE NEWS AT HOME.

Mostly of a Local Character, and every item Interesting.

An Evening in Cuba.

Court Olive Branch, I. O. F., have arranged for an "Evening in Cuba, with the Boys in Blue," by the Edison Wargraph Co. in the town hall, next Wednesday evening, 9th inst. This is pronounced by the press to be one of the most realistic and startling entertainments ever presented to the public. Explanatory remarks are promised by Lieut. A. Donaldson, late U. S. Signal Service Corps. Relics and Trophies will be on exhibition.

A Very Successful Social.

The parlor social at the home of Councillor Francis last Friday evening was a gratifying success. The large company which gathered were heartily welcomed by Mr. and Mrs. Francis and the members of the Ladies' Aid, who had charge of the arrangements. Refreshments were served in the dining room and each relay then retired to the parlors where a varied programme of music and literature was rendered. Time was also allowed for social intercourse and a very enjoyable evening was spent.

Epworth League Convention.

The fourth annual convention of the Leagues of the Guelph District will be held in the Methodist Church, here, on Tuesday and Wednesday, 22nd and 23rd inst. The programmes are now being circulated and judging from the prominent workers and practical subjects announced a highly interesting and profitable time will be spent by the delegates who attend. There will be two evenings, a morning and an afternoon session. Among the speakers Rev. A. C. Crews, General Secretary of Epworth Leagues, will be present. Acton League will cordially welcome and entertain the visiting Leaguers.

Fifty Years of Happy Wedded Life.

A very happy family re-union was held yesterday at the home of Mr. and Mrs. George Hynds, 230 Simcoe St., Toronto, the occasion being the golden wedding day of this esteemed couple, parents of Mr. George Hynds, Acton, and who were themselves for years residents here. On the 2nd of November, 1848, the following was registered:

HYNDS—COLVIN—On the 2nd November, 1848, at the residence of the bride's mother, Georgetown, by the Rev. Mr. McGeorge, of Streetsville, George Hynds, of "Cranfield," County Armagh, Ireland, to Ellen, daughter of the late George Colvin.

Mr. and Mrs. Hynds were both seventy-one years of age last July, there being only three weeks difference in their ages. They are both enjoying a fair degree of health and strength and it is within the possibilities that they may yet be spared to spend many years together. Their family comprised two sons and four daughters, all of whom are living except Charles, the eldest. The congratulations and good wishes extended to Mr. and Mrs. Hynds by their numerous friends are just as hearty to-day as they could possibly have been on the occasion of their marriage half a century ago.

A Gathering of Clergymen.

The 69th monthly meeting of the Ministerial Association of Georgetown and vicinity met on Tuesday at 10.30 a. m. in the lecture room of Knox Church, Acton. Rev. G. A. Mitchell, B. A., President, occupied the chair. There were present Rev's Mitchell, Fennell, Macpherson, McArthur, Forbes, Tough and McAlpine; also as visitors, Rev's McLachlan, Bryers, Unsworth, and Godden. These were invited to participate in the discussion. A most valuable paper was read by Rev. C. T. Tough, of Hornby, on "Qualifications necessary for success in the Christian ministry." The discussion that followed showed the subject to be interesting to the members of the Association. Two resignations were received, one from Rev. J. Fennel, Rural Dean of Georgetown, and the other from Rev. T. H. Rogers, pastor of the Congregational Church, Georgetown, and Secretary-Treasurer of the Ministerial Association. These resignations were received with many regrets, and the Secretary was instructed to draft resolutions expressive of the esteem in which these gentlemen are held by their ministerial brethern. In the vacancy caused by the resignation of Mr. Rogers as Secretary Rev. W. S. McAlpine was elected. The Association were unanimous as to the qualifications of Mrs. Macpherson as hostess at whose home a hearty dinner was partaken of, presided over by Rev. Mr. Macpherson.

A Delightful Hallowe'en Recital.

The Epworth League is to be congratulated upon the success of their song and story recital on Hallowe'en night. A large audience assembled and the programme was of a character at once refined, entertaining and meritorious. Miss Webb ably sustained the complimentary reputation which preceded her visit. She is an elocutionist gifted by nature and high in her attainments and has the faculty of winning her audience with every selection rendered. Her happy manner plays an important part and her manifest willingness to comply with reasonable recalls was thoroughly appreciated. Mr. Hodsdon captivated the congregation with the sacred numbers rendered at the Sabbath services and all looked for a rich musical treat at the recital. These expectations were fully realized. On Sunday morning he sang "The Realms of Endless Day," words by W. H. Gardner and music by J. L. Gilbert, and at the evening service "Wandering Child come Home." This splendid solo was composed by Mrs. Harry Blight, the well-known Toronto organist and chorister. The words are by Mr. J. W. Bengough, and the piece is dedicated to Rev. John Potts, D.D. It was rendered with a sweetness of expression and sympathy of feeling most appropriate to the communion service which followed. Mr. Hodsdon's singing at the recital was in all respects excellent. He has a rich and powerful tenor voice, sweet and silvery in tone, and his interpretation of the various selections rendered was all that could be desired. The evening was delightfully spent and upon the motion of Rev. J. K. Unsworth this duet of talented entertainers were accorded the unanimous thanks of the audience for the excellent programme rendered.

GLORIOUS NEWS.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved, that Electric Bitters is the best blood purifier known. It's the supreme remedy for worms, boils, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion builds up the strength. Only 50 cents. Sold by all Druggists. Guaranteed.

CHURCHILL.

A large attendance took in the first excursion conducted by the Rev. J. K. Unsworth, 3000 miles west, last Thursday evening. His description of experiences with "A Lazy Man in California," was most interesting and entertaining. Many humorous anecdotes were rehearsed, and much of interest respecting the people, the products, climate, etc., of the Pacific Coast was presented. The general excellence of this lecture ensures the success of the course arranged. This evening Mr. Unsworth will entertain an audience with his second lecture, "The Back Streets of New York."

Much regret is felt at the continued ill-health of Mr. Alex. Russell. He is at present in a very serious condition.

EVERTON.

Mr. A. P. Husband, Veterinary Surgeon, of Nassagaweya, is calling at Everton every Tuesday afternoon.

Quarterly services are to be held at the Bethel appointment near Oustic next Sunday morning.

Last Friday we saw six hunters with six dogs going out for the day. They came home pretty well loaded with rabbits and some partridge. The hunters were: J. Benson, of Lorne Park, A. Vermile, and two Mr. Earls, of Toronto, with C. Horton and J. Simons here.

Wilbert Talbot arrived home on Friday after living seven months near Lacombe, Alberta, also Jas. Grindell from Marquette, Man. Both are looking well.

We had fine sermons in both churches on Sunday on how the christian should behave himself. May we all be benefitted by them.

CREWSONS CORNERS.

Hallowe'en passed off very quietly. People must be getting more sensible than they were in years gone by when the foolish tricks were played.

The concert in Lorne School on Friday evening last was a grand success. The night was all that could be desired, the attendance very large and the programme one of the best. Rev. H. A. Macpherson, of Acton, acted as chairman. The wand drill by six little girls of the school is deserving of special mention, as was also the singing of Maggie Dennis, a little tot of 7 years. The recitation by Miss Lawrence, of Trafalgar, entitled "The Drunkard's Wife," was well rendered. Great credit is due the teacher, Miss McDonald, for the skilful manner in which each number was rendered. The order was of the very best during all the entertainment.

This community was thrown into deep sadness and gloom Tuesday morning when it became known that Mr. Benjamin Watkins had died from injuries he received in the runaway on Monday evening. Mr. Watkins has been a resident of this vicinity for the past seven or eight years and during that time he has won the respect and esteem of all who knew him.

Mr. and Mrs. T. Akins, of Erin village, spent Sunday at Mr. W. Lamb's.

Miss Ada Lawrence, who has been visiting her uncle, Mr. R. H. Allen, of this place for some time, returned to her home in Trafalgar on Saturday.

Mr. E. Murray is confined to the house through a severe attack of his eye and ear.

Consumption is preventable? Science has proven that, and also that neglect is suicidal. The worst cold or cough can be cured with Shiloh's Cough and Consumption Cure. Sold on positive guarantee for over fifty years.

A man living in a cabin near Centerville, N.S., adopted a novel method of keeping creditors away from the door. He would go to a store, get goods on credit, saying that he would pay for them on pay day. When a collector appeared he found the dwelling placarded with the words "Scarlet Fever." This did not frighten one collector and so the scheme was exploded.

WELL KNOWN VIOLINIST

Traveled Extensively Throughout the Provinces—Interesting Statements Concerning His Experience.

STELLARTON, N.S.—James R. Murray, a well known violinist, of this place, who has traveled extensively throughout the Provinces, makes this statement:

"I was running down in health and my weight fell off from 175 to 150 pounds. Prescriptions did me but little good. My trouble was called nervous dyspepsia. I resorted to Hood's Sarsaparilla and after taking five bottles I was greatly benefited. I feel as well now as ever in my life, and have increased in flesh so that I now weigh 177 pounds. I am well known in this part of the country, having followed my profession, that of a violin musician for the last 26 years. I gladly tell my friends what Hood's Sarsaparilla has done for me. Before I began taking the medicine I did not have any ambition, but now all is changed and my dyspeptic trouble perfectly cured." JAMES R. MURRAY.

Introductory

To the Residents of Acton and Vicinity:

Having worked as an operator at the ready-made clothing business for many years, being sober, industrious and thrifty, and accumulated a small capital; desirous of placing myself in a better position than that of being dependent upon the whim or caprice of any boss for my living, I came to the conclusion, thoroughly understanding the clothing business, having relatives engaged in the wholesale dry goods business, the benefit of whose experience and business influence I would have in purchasing stock to the very best advantage, I therefore decided to start a business in a small town, believing that a strict adherence to the principles I intend shall govern my business career, I would grow and prosper as the community expanded and prospered. My reasons for locating in Acton are that the population is composed of working people, amongst whom I shall feel no stranger, having spent all my life as one of that class, also being aware that no portion of our great province can show a better agricultural community than that surrounding my future home, therefore a splendid field to draw business from.

We have decided that the large brick store on Main Street shall hereafter be known as "THE SQUARE." In a few days it will be opened for business filled with a brand new, clean, well assorted stock of CLOTHING, BOOTS, SHOES, AND GENERAL DRY GOODS. During the month of November, as a means of getting acquainted with the people we shall offer bargains, bargains, bargains, in the truest sense of the word. We want you to come and see us whether you are a purchaser or not. The governing principle of "The Square" shall be prompt, courteous attention to our patrons, no misrepresented goods, large turnover, quick sales, reasonable profits, goods taken back, money cheerfully refunded, no clothing or other goods on sale which are the product of unsanitary sweat shops, or that of unscrupulous sweater manufacturers who employ inferior and child labor, not looking for good work or good value to the customers, caring only for large profits. We shall sell exclusively the goods made by manufacturers that employ and pay honest wages to competent men and women mechanics. My years of experience as a workman in ready-made clothing factories, has taught me that you cannot get goods that will give satisfaction made under any other condition. Furthermore it costs the consumer no more than sweaters' inferior goods. It will pay you to wait for our opening if you require goods that we will have to sell. You will get such bargains that will make long remembered the store that will do business on "The Square."
