every item interesting.

A Justice's Charge.

up business in his present stand and the
lease and good will of the store has been
transferred to Mr. E. B. Collins, who will

his goods at low prices.

A New Factor.

Church last Thursday evening, Rev. Edwin
Crawford, of Ohio, was introduced to the
parishioners as a candidate for the
pastorate of the church. He is a man of
good presence, and the evangelistic services being
conducted by Revs. Saytow and Crawford
have been several times with feeling effect
and impressiveness.

Electric Lights—When You See Them.

Electric light matters are progressing
with dispatch, and the system is being
perfected in all its ramifications. By the
time the Fanz reaches its readers
all the apparatus will likely have arrived
and been placed in position. "When you
see the electric lights illuminating
their surroundings, you'll know the current
is turned on" was manager Hard's last
statement as to when the plant would
start.

A GOOD MAN IS GONE.
In the Prime of Life W. P. Brown
is Called to His Reward.

**Action mourns to-day the death of one of
her most worthy sons, in the person of Mr.
W. P. Brown, who about ten years ago
removed to Toronto. About a week before
Christmas Mr. Brown was taken ill with
pneumonia, which later developed into
epileptic fits. During the winter weeks
he suffered greatly from his fits, and
notwithstanding the constant ministrations
of a loving wife and affectionate
brother and other friends, in addition to
the most skillful treatment of his physi-
cians, his sufferings were of the most
intense character. Early in the course of
the disease his brain was affected, and
when he died his family did not recognize
him.**
