Ayer's Hair Vigor

What does it do?

It causes the oil glands in the skin to become more active, making the hair soft and glossy, precisely as nature intended.

It cleanses the scalp from dandruff and thus removes one of the great causes of baldness.

It makes a better circulation in the scalp and stops the hair from coming out.

It Prevents and It Cures Baldness

Ayer's Hair Vigor will surely make hair grow on bald heads, provided only there is any life remaining in the hair bulbs.

It restores color to gray or white hair. It does not do this in a moment, as will a hair dye; but in a short time the gray color of age gradually disappears and the darker color of youth takes its place.

Would you like a copy of our book on the Hair and Scalp? It is free.

If you do not obtain all the benefits you expected from the use of the Vigor write the Doctor about it.

Address, DR. J. C. AYER, Lowell, Mass.

GET UP AND SCRATCH.

Said one little chick with a funny little squirm,
"I wish I could find a big, fat worm."
Said another little chicken, with a queer little shrug,
"I wish I could find a nice fat bug."
Said a third little chick, with a strange little squeal,
"I wish I could find some nice yellow meal."
"Now look here," said the mother, from the green garden patch,
"If you want any breakfast you must get up and scratch."

Here Rests Your Hope.

Now remedies come, and new remedies go; but Scott's Emulsion is the great rock foundation on which hope of recovery from weak throats and lungs must rest. It is The Standard of the World.

A man of wealth is never cranky—he's merely eccentric.

Liver troubles, biliousness, sallow complexion, yellow eyes, jaundice, etc., yield to the curative powers of Laxa-Liver Pills. They are sure to cure.

NERVES ALL SMASHED.

Indigestion and Dyspepsia are the Arch Destroyers. But South American Nervine Proves the Never-Failing Health Builder.

Mrs. Ellen Butler, 87 Collable St., Toronto, suffered from indigestion in a severe form for several years, was unable to eat meat or vegetables, was threatened with nervous prostration as a result of chronic dyspepsia. After many remedies had been tried and failed, she began using South American Nervine. When she had taken three bottles, to use her own words, "I can eat anything set before me and enjoy it without any bad after effects. I think it is a wonderful remedy for dyspepsia and nervous prostration.

"Hullo, impudence," said the Turkey to the Cranberry. "Why do you call me that? demanded the Cranberry, flushing up. "Because you are sauce," retorted the Turkey, and the Pumpkin pie laughed so hard that he broke his crust.

Children should always increase in weight. Not to grow, not to increase in flesh, belongs to old age.

Present and future health demands that this increase in weight should be steady and never failing.

To delicate children, Scott's Emulsion brings richer blood and firmer flesh. Better color comes to the cheeks and stronger muscles to the limbs. The gain in weight is substantial; it comes to stay.

A COMPLICATED CASE.

"Is Slippy good pay?"

"Well, if he is, Yanker, the dentist, is the meanest man on earth."

"How's that?"

"I was in Yanker's office when Slippy came to have a tooth pulled. Jaw all swollen out of shape. Awful looking face. Fairly howled with pain. But Yanker wouldn't pull the tooth without being paid in advance."

"Pretty tough on Slippy, wasn't it?"

"Oh, I don't know! He's a man of wonderful self command. Instead of kicking up a row he pulled out a check for $5, received $4 in change and smilingly ordered the doctor to go ahead with the torture."

"But was the check worth anything?"

"Good as gold when it was given, but Slippy reached the bank first and drew out his balance. Now he's telling around that Yanker pulled the wrong tooth and insinuates that there may be a suit for malpractice."

"Yanker will sue, of course?"

"Not he. The truth is that the dentist in his excitement drew two teeth at one pull, the extra one being marked by a big gold filling. Slippy misses that one, but what puzzles him is that his jaw is getting well and that he has no toothache. The dentist that filled the tooth was never paid, and the chances are that Slippy will drop the case as being too complicated."—Brooklyn *Citizen*.

PUSSY IN A MIRROR MAZE.

A strange cat strayed into the Crystal Maze the other night. Walking around between the mirrors, she saw her own reflection on all sides. She was not pleased. Her tail started to swell, and she rushed at the nearest cat, which advanced to meet her at the same rate of speed. With a shriek of defiance they met, and the ugly tempered feline fell back from a fearful bump against a mirror.

Up she jumped and looked around, only to see an array of abused cats glaring at her. When she moved, 125 others moved also. With a mighty howl of disgust she turned and fled. Groups of cats greeted her everywhere as she dashed into the mirrors and tried to climb the slippery surface of the glasses. In the course of a few minutes the animal ran through the exit of the Crystal Maze as if shot from a catapult. With two jumps she rushed to the street and disappeared in one of the adjacent houses, a very badly "rattled" cat.—Jacksonville *Times-Union*.

DEADLY NARCOTICS

DEATH LONGED FOR AS A RELEASE FROM SUFFERING.

Paine's Celery Compound Rescues the Victim and Builds Her Up Physically and Mentally.

WELLS & RICHARDSON CO.,

Gentlemen: I am happy to tell you that I have completely recovered my health through the use of Paine's Celery Compound. For some years past my nerves and system were almost wrecked by narcotics used to alleviate pain. The doctors could not help me, and I thought I would forever have to remain a slave to deadly drugs. I often longed for death as a release from my sufferings. After enduring pains and agonies that were terrible, I decided to try Paine's Celery Compound, without any full hope however, that it would cure me. When I had used a part of the second bottle I thought it was doing me good; I could sleep well and did not faint so often, and I decided to continue the use of the medicine. After the use of fifteen bottles I am completely cured. I feel so strong and well now, and have such perfect health that I sometimes think it is too good to be true. For the benefit of thousands of poor souls suffering from the effects of deadly narcotics, I give my statement as an encouragement to them—an assurance that Paine's Celery Compound will cure them.

Sincerely and gratefully,

MRS. LOUISA WARNER,
Montgomery, N. W. T.

A BRITISH SOLDIER

Tells how Milburn's Heart and Nerve Pills Conquer Disease.

Like the conquering armies of Britain, which are marching to victory in every quarter of the globe, Milburn's Heart

and Nerve Pills are everywhere triumphing over sickness, weakness and suffering.

Mr. David Walsh, of Carleton Place, Ont., a man who has served with distinction and credit in the British army, and is now an employee of the C. P. Railway, says, "While in the army I got broken down, and my nervous system was completely shattered.

"I was much troubled with liver complaint, loss of appetite, etc. My rest became broken and was disturbed by vivid dreams. This had been going on for 14 years, although I took a great many remedies to escape from the troubles which afflicted me.

"However, I got no relief until I started to take Milburn's Heart and Nerve Pills, which I used together with Laxa-Liver Pills, and now after having used a few boxes, I am better than I have been for years. My nerves are restored to full force and vigor, I eat and sleep well, and my entire system has been toned and strengthened."

"Milburn's Heart and Nerve Pills, 50c. a box, or 3 for $1.25, at all druggists.

"Laxa-Liver Pills," says John Doherty, 38 North Street, St. John, N.B., "cured me of Constipation and distress after eating. Their action is natural and effective."

HE WAS PUZZLED.

"Christine!"

The young man's soul was in his voice.

"Christine," he repeated, "listen to me."

"I ought not to, Mr. Spoonamore. You don't know"—

"You are going to say I don't know you well enough. We have been acquaintances only a few months. What does that signify? When a man loses his heart at first sight, does he need to wait"—

"I ought not to let you go on this way, Mr. Spoonamoore"—

"It is too late for that. I've got started, and a steam brake couldn't stop me now. I've been bottled up too long already! You've got to listen to me. If you can't even be a sister—what are you laughing at?"

"You think you know me, do you, Mr. Spoon"—

"Could I know you any better in a thousand years? Oh, Christine"—

"That's it!" she broke in, with a peal of laughter. "You are not talking to me at all Mr. Spoonamore. This is my twin sister!"

All the way home—for which he started shortly afterward—young Spoonamore, with a hopelessly puzzled look on his face, was trying to figure out how that could possibly be.—Chicago *Tribune*.

MAKE MORE AND MORE.

A good thing to do this year is to make more of our friends and to make more friends. There are limits to our charity, our helpfulness, our deeds of thoughtful kindness, but there is scarcely any limit to the love we may cherish for those around us and for all the world. And if the good feeling be kept large and living in the heart. It will show itself in a thousand ways and every day. Cherish your friends and your father's friend, and open the door of your heart to the one who comes knocking. Both will be blessed, and life will be larger and happier for the sweetness of friendship.

PUZZLED BY SO MANY WAYS.

A certain man made a display of dense ignorance the other day when he went into a restaurant and asked the waiter if he had any eggs.

"Yes," said the waiter, "we have."

"Well, bring me some."

"How do you want them cooked?"

"Oh, any old way!"

"My dear man," said the waiter, "that order will hardly do. We have over 500 different ways of cooking eggs, and you will be pleased to make a suggestion or mention a choice."

This astonishing fact had the effect of paralyzing the customer's tongue for a-while, and he finally recovered enough to whisper in awe, 'Scramble 'em.'

"Yes, sir," replied the astute waiter still lingering, "Which way?"

"Oh, any old way?"

"Sir," said the waiter in a determined voice, "I must insist you will make a choice. There are seventy different ways of scrambling eggs in this establishment."

"Well, then, fry them for me."

"Which way? We have forty ways of frying eggs here."

"All right," said the customer slowly as he reached for his hat and arose; "you have one way here that I can find myself and that is straight out of this door. Good day."—Philadelphia *Record*.

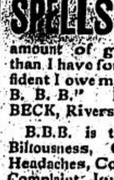
JUST A BAD COLD.



A sharp stinging pain in the back—you think it doesn't amount to anything—be all right in a few days—but it doesn't get all right—kidneys are not doing their duty, and the poisonous matter that they ought to remove is going all through the system—causing rheumatism, gout, dyspepsia, headaches, backaches—all sorts of ills.

DOAN'S KIDNEY PILLS

Cure the disease by removing the cause.

W. D. Popham, Talbot St., St. Thomas, Ont., says: "I have for a long time had serious back and kidney trouble. My back was so stiff and painful that when I sat down I had to have something to assist me to get up. I have taken four boxes of Doan's Kidney Pills, and they have taken the stiffness and pain from my back and enabled me to straighten up without pain or difficulty."

BILIOUS

"Last summer I was troubled with Sick Headache and Biliousness, and could not sleep at night. I tried several doctors but to no effect, and got completely discouraged. At last I saw an advertisement telling about Burdock Blood Bitters. My husband induced me to try it, and to-day I am using the third bottle, and can truly say it has done me a wonderful amount of good. I feel better than I have for years, and am confident I owe my restored health to B. B. B." MRS. EDWARD BECK, Riverside, N.B.

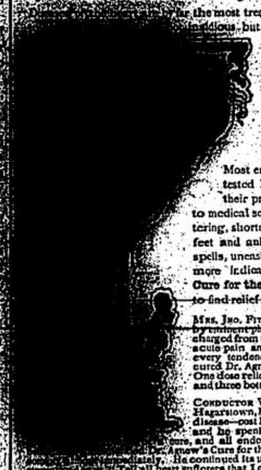
GIVE AS WELL AS RECEIVE.

Give out as well as take in, or expend as well as receive. God never intended us to selfishly enjoy the good things of His providence, and of His grace, but to be distributors of His material and gracious bounties. There is a peculiar pleasure in giving, which more than compensates for the relinquishment of what we lay out for other's benefit.

"She Carries Her Heart on Her Sleeve"

What a boon to many a man or woman if this were literally so—How many spirits are broken because this particular organ is shackled by disease—and yet how many times has Dr. Agnew's Cure for the Heart brushed against the grim reaper and robbed him of his victim.



For the most treacherous of ailments which afflict humanity—ruthless and insidious, but violent, for when the heart fails the whole system suffers violence. Discussing causes here will not console the suffering one. The one great yearn of the heart-sickened patient is how to get relief and a cure. Dr. Agnew's Cure for the Heart stands preeminently to-day as the star of hope to sufferers from heart trouble, and so far past the experimental period that thousands to-day proclaim, in no uncertain sound, the belief that were it not for this great remedy they would have long ago passed into the great beyond. Most eminent doctors, whom heart cases have baffled, have tested Dr. Agnew's claims, and to-day they prescribe it in their practice as the quickest and safest heart remedy known to medical science. What are the symptoms? Palpitation, fluttering, shortness of breath, weak and irregular pulse, swelling of feet and ankles, pain in the left side, chilly sensations, fainting spells, uneasiness in sleeping, dropsical tendency and as many more indications that the heart is deranged. Dr. Agnew's Cure for the Heart is a heart specific; and no case too acute to find relief from it inside of thirty minutes—a powerful cure.

MRS. JNO. FITZPATRICK, of Gananoque, Ont., after having been treated by eminent physicians for heart disease, was discharged from the hospital as a hopeless incurable. She suffered from acute pain and palpitation, her feet and ankles swollen, and there was every tendency to the dropsical form of heart disease, but the lady procured Dr. Agnew's Cure for the Heart as also declared, as a last hope. One dose relieved her of a very acute spasm in less than thirty minutes, and three bottles cured her—not a symptom of the trouble remaining

CONDUCTOR WILLIAM G. LUCAS, of the N. & W. R.R., and living at Hagerstown, Md., suffered for years with acute valvular form of heart disease—cost him many a "lay off" from his daily duties on the road, and he spent a small fortune in remedies and treating with heart doctors, and all ended in disappointment, until a good friend, who had been cured by Dr. Agnew's Cure for the Heart, recommended it. He tried it, and found it gave him relief and he continued its use until a few bottles were taken, and to-day he's well and hearty. He will tell heart sufferers that I can highly recommend this great remedy."

DR. AGNEW'S CATARRHAL POWDER relieves cold in the head or hay fever in ten minutes—will cure worst cases in from one to three days. Sold by A. T. Brown.

DR. AGNEW'S LIVER PILLS cure constipation, biliousness, sick headache, torpid liver—clear the skin, 40 doses, 25 cents. —3

They never was, and never will be, a universal panacea, or one remedy, for all ills to which flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, when obtained in a sound unadulterated state, a remedy for many and grievous ills. By its gradual judicious use, the frailest systems are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondence and lack of interest in life is a disease, and, by tranquilizing the nerves, disposes to sound and refreshing sleep, imparts vigor to the action of the blood which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making activity a necessary result, strengthening the frame, and giving life to the digestive organs which naturally demand increased substance—result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their Quinine Wine at the usual rate, and, as a true medicinal stimulate, this wine possesses peerless perfection of any in the market. All druggists sell it.

Nature has made occupation a necessity to us; society makes it a duty; habit makes it a pleasure.

Dr. Agnew's Pineapple Tablets—Nature's own potent aid to digestion—relieve and positively cure Dyspepsia, Indigestion and all stomach derangement in a few hours. A new but well tried and tested discovery in the medical world—harmless as milk, and yet thoroughly effective—and will relieve the most chronic case of dyspepsia in one day. 35 cents. Sold by A. T. Brown.
