THE STREET CALLED BY AND BY.

The street called "By and By" is smooth,
And down a hill it windeth,
And he who starts its crooked way
Much care for trouble findeth.
But at the entrance is a sign—
"Here put away endeavor,
For down the street called 'By and By'
Leads to the house called 'Never I' "
The house called "Never" stands below
A grim and ghastly tower,
Whose broken windows, shattered roof
And ruined turrets lower,
While from the casement gaunt despair
A warning shrieks:
"Take heed! The street called 'By and By'
Leads to the house called 'Never!' "
What matter though the street be fair,
And flowers tempt my straying,
Though strife be hard and rest be sweet
And easy the delaying
If at the end I surely find
That hope and I must sever,
When down the street called "By and By,"
I reach the house called "Never?"

THE DOCTOR'S CONSOLATION.

Told Mr. Hill He Was a Dying Man, But South American Nervine Cured When Hope Was Abandoned.

Mr. W. J. Hill, a well-known man in Bracebridge, Ont., suffered for years from liver trouble, dyspepsia and nervous weakness. He says he tried nearly every remedy in the market which claimed to meet his case without success. He was told by a physician that he was a dying man. He began taking South American Nervine, and found almost immediate benefit from its use. He continued using it, and to-day says he would stake his life on this great remedy as a cure for all like sufferers to myself. Sold by A. T. Brown.

The man who fails and does not pay may live to fail another day.

Why is it that nearly all aged persons are thin?

And yet, when you think of it, what could you expect?

Three score years of wear and tear are enough to make the digestion weak. Yet the body must be fed.

In Scott's Emulsion, the work is all done; that is, the oil in it is digested, all ready to be taken into the blood. The body rests, while the oil feeds and nourishes, and the hypophosphites makes the nerves steady and strong.

GETTING EVEN.

It is not always easy to punish a boor without losing one's temper, but a London paper tells how a boat-load of sailors, on short leave from a man-of-war, did it good-naturedly and without violence.

As they journeyed up the roadway into the Cornish village, a gentleman's waggonette passed. One of the tars thoughtlessly jumped on the step behind.

"Git orf there!" shouted the coachman, and being a surlish sort of fellow, he lashed the sailor viciously across the face with his whip. That was enough.

In an instant the other eleven blues had closed round and stopped the trap, the boatswain's mate in command, "Tention!" cried he, and 'tention there was. "Dismount the gun!" he shouted, and it seemed as though every bluejacket carried a whole carpenter's outfit.

In three minutes they had taken the waggonette into one hundred and seventy-two pieces, and that without so much as scratching one bit of paint or losing a solitary screw. They laid them all out neatly on the stony road, and the boatswain's mate after inspecting the job, cried, "Good! Dismiss!"

BOY MADE OF GOOD STUFF.

"Sir," said a lad, coming down to one of the wharves in Boston and addressing a well-known merchant, have you any berth on your ship? I want to earn something."

"What can you do?" asked the gentleman.

"I can try my best to do whatever I am put to," answered the boy.

"What have you done?"

"I have sawed and split all my mother's wood for nigh on two years."

"What have you not done?" asked the gentleman, who was a queer sort of questioner.

"Well, sir," answered the boy, after a moment's pause, "I have not whispered in school once for a whole year."

"That's enough," said the gentleman. "You may ship aboard this vessel, and I hope to see you master of it some day. A boy who can master a wood pile and bridle his tongue must be made of good stuff."

The man who doesn't tell his love may please every one except his sweetheart.

IT GIVES TRUE LIFE.

Paine's Celery Compound Indorsed by Physicians as the Best Spring Medicine.

The records and history of medicine point to Paine's Celery Compound as the most successful remedy ever given to sick and suffering humanity. It is indorsed by the medical faculty because they know its formula and have confidence in its life-giving virtues.

Paine's Celery Compound works glorious and marvellous cures. This is the secret of its success, and accounts for its world-wide and enormous sales.

It is in the spring time—this nervous month—when men and women are weak, nervous rheumatic, neuralgic, dyspeptic, have headache, kidney and liver troubles, and blood that is sluggish and impure, that the great medicine should be used to restore nervous energy, rich blood, healthy digestion, natural appetite and sweet refreshing sleep.

The winter has been a time wherein men and women have stored ill health instead of keeping the body sound, clean and full of true life. The nerves, blood and digestive organs must be fed, nourished and cleansed by Paine's Celery Compound if true and lasting health is looked for.

At this time we honestly urge the use of the medicine that has restored thousands to full and robust health after medical skill and ordinary medicines failed. One bottle of Paine's Celery Compound will convince you that you have found a true friend and helper.

Many a man thinks he is a martyr to unpleasant duty when he is simply doing what he legally and morally is obliged to do.

Use the safe, pleasant and effectual worm killer, Mother Graves' Worm Exterminator: nothing equals it. Procure a bottle and take it home.

If you have one real, good, true friend, one is a good many.

Boils Disappeared.

Mr. James Elliott, White P. O., Ont., writes: "Last fall while I was threshing became troubled with boils, which got so bad I had to quit work. I started taking Burdock Blood Bitters and before I had finished, one bottle the boils entirely disappeared."

If we were as sure of our neighbor's goodness as we are of our own, our neighbor would be almost as good as we are.

The Coughing and wheezing of persons troubled with bronchitis or asthma is excessively harassing to themselves and to others. Dr. Thomas' Eclectric Oil obviates all this entirely, safely and speedily, and is a benign remedy for lameness, sores, injuries, piles, kidney and spinal troubles.

It is quite likely that if whisky masqueraded under the name "extract of grain" it would be admitted with favor to many more households.

DEATH'S CLOSE NEIGHBOR.

For Twenty Years Mrs. Roadhouse Was a Subject of Dread Heart Disease—Dr. Agnew's Cure For the Heart Gave Her Relief in Less than Half an Hour.

Mrs. Roadhouse, of Williscroft, Ont., is fifty-four years old. For more than twenty years she had been a great sufferer from heart disease. The pain and palpitation at times lasting for five hours, and so acute that often she wished for death that she might find relief from her sufferings, but she was attracted to Dr. Agnew's Cure for the Heart through reading of the wonderful cures wrought by it. She commenced using it and in one of her most distressing heart spasms found complete relief inside of thirty minutes. She swears by it to-day as the only heart cure. Sold by A. T. Brown.

A Phrenologist Speaks.

Prof. J. W. Crouter writes from Pencanguisheno: "I was troubled with palpitation of the heart which became very severe. Hearing of Milburn's Heart and Nerve Pills I determined to try them, and after taking them for about a week I was cured."

The present is ours, but while we are deciding what to do with it the future comes and snatches it away from us.

Chronic Derangements of the Stomach, Liver and Blood are speedily removed by the active principle of the ingredients entering into the composition of Parmelee's Vegetable Pills. These pills act specifically on the deranged organs, stimulating to action the dormant energies of the system, thereby removing disease and renewing life and vitality to the afflicted. In this lies the great secret of the popularity of Parmelee's Pills.

Beautiful scenery is seldom very good for agricultural purposes. It is the dead, flat monotony of the prairie that gives the food supply of the world.

Saved the Baby.—"Dr. Fowler's Extract of Wild Strawberry saved my baby's life. She was cutting her teeth and was taken ill with Diarrhoea very badly. My sister advised Fowler's Strawberry. I got a bottle and it stopped the trouble at once." Mrs. Peter Jones, Warkworth, Ont.

The poor makes no new friends—they lose the old ones.

PREHISTORIC MAMMOTH.

According to the latest mail advices from Dawson a marvellous discovery has been made on Dominion Creek, Klondike—a prehistoric mammoth, weighing 30 tons. On the 8th of February August Trulson, a Swede, and his partner while working their claims on Dominion creek, came across the mummy remains 40 feet from the surface.

The mammoth is similar to those found in Russia, but perhaps is the only one ever found in a perfect state of preservation. There were no scientists in Dawson to make a technical report of the remains, but the editor of the Dawson newspaper gives the following description:—"The huge monster could not be lifted from its ancient grave, for it weighed from 25 to 30 tons. It measured 44 feet 6 inches. Its right tusk was broken, but its left tusk was perfect, so that the right must have snapped off in the fall which caused its death. The remaining tusk measured 14 feet 3 inches in length and 48 inches in circumference. The flesh was covered with woolley hair, about fifteen inches long, and of a greyish-black color. The hindquarters of the mammoth were weighed in a fashion, the improvised scales showing 8,640 pounds. The neck was short, limbs long and stout, feet short and broad with five toes."

MRS. GEO. SMALL, MT. FOREST, ONT.,

Considers Laxa-Liver Pills the best remedy for Billousness.

One after another is coming forward and speaking a word in favor of the new family medicine—Laxa-Liver Pills.

Mrs. Geo. Small, Sligo Road, Mount Forest, after giving these pills a thorough trial, thus expresses herself:—"Laxa-Liver Pills are the best remedy I ever took for billiousness; and as a general family cathartic, they are far superior to anything in the market for that purpose."

Laxa-Liver Pills are mild in action, harmless in effect, and do not weaken the system.

They act promptly on the Liver, tone up the digestive organs, remove unhealthy accumulations and cut short the progress of disease. Price 25c.

You don't know when the cough will stop. The cough of Consumption has just such a beginning. Take Scott's Emulsion now while the cough is easily managed.

If virtue were practised by all who admire it, we should have a world of angels.

Hagyard's Yellow Oil cures sprains bruises, sores, wounds, cuts, frostbites, chilblains, stings of insects, burns, scalds, contusions, etc. Price 25 cents.

I often think that Fate gives us much that we don't expect in order to deny us something that we really want.

Take B.B.B. This Spring.

'Twill purify the system—Give you strength and energy.

Very few people escape the enervating influence of spring weather.

There is a dullness, drowsiness and inaptitude for work on account of the whole system being clogged up with impurities accumulated during the winter months.

The liver is sluggish, the bowels inclined to be constipated, the blood impure, and the entire organism is in need of a thorough cleansing.

Of all "Spring Medicines," Burdock Blood Bitters is the best.

It stimulates the sluggish liver to activity, improves the appetite, acts on the bowels and kidneys, purifies and enriches the blood, removes all poisonous products, and imparts new life and vigor to those who are weak and debilitated.

7 Big Bolls. Mr. Wm. J. Hepburn writes from Centralia, Ont.: "I can sincerely say that Burdock Blood Bitters is the best spring medicine on the market. Last spring my blood got out of order, and I had seven or eight good sized boils come out on my body, and the one on my leg was much larger than an egg. I got a bottle of Burdock Blood Bitters, and inside of six days, when only half the bottle was taken, there was not a boil to be seen. I have recommended B.B.B. to different people in our village, and all derived benefit from it. I wish B.B.B. every success, as it is indeed a great medicine for the blood."

B.B.B. is a highly concentrated vegetable compound—teaspoonful doses—add water yourself.

IS MY BLOOD PURE?

This is a question of vast importance to all who wish to be well. If your blood is impure you cannot expect good health, unless you begin taking Hood's Sarsaparilla at once. This great medicine makes the blood pure and puts the system in good health, cures spring humors and that tired feeling.

Hood's Pills cure nausea, sick headache, billiousness and all liver ills. Price 25 cents.

A good church supporter is not one who upholds it for his own advantage.

GRIPPE'S LEGACY.

Shattered Nerves and Weakened Heart—A St. John Lady Tells About It.

Mrs. John Quigley, who resides at 30 Sheriff St., St. John, N.B., states: "Some time ago I was attacked by a severe cold, which ended up in a bad attack of La Grippe. Since that time I have never regained my health, being weak, nervous and run down.

"I suffered very much from Indigestion, accumulation of gas in the stomach, and was in almost constant distress. I doctored with some of the best physicians in this city; but got no relief until I began using Milburn's Heart and Nerve Pills, and am pleased to say that they have completely cured me.

"My appetite is restored; my nervous system has been toned up to its old-time condition, and I have no more trouble from the Indigestion and can eat anything I choose.

"I am only too glad too testify to the merits of such a marvellous remedy as Milburn's Heart and Nerve Pills for the cure of nervousness, heart trouble, Indigestion, etc. Price 50c. a box, all druggists.

When luck furnishes the music the dancers are always numerous.

A PRACTICAL JOKE.

Children appreciate a practical joke as keenly as their elders. A Chicago father tells of a game recently discovered by his little girls which illustrates this fact.

One night last week they had a children's party at his house and he was upstairs keeping out of the way, when his attention was attracted by a piercing scream followed by a chorus of young voices in shrieks of laughter. He listened and soon heard another cry of alarm, followed by the same hilarious uproar. His curiosity being aroused he proceeded to investigate and found that a secret society was being formed; and that the new members were being initiated one at a time. By the use of a sufficiently potent password he gained access to the lodge room and found three little girls seated in a row on chairs. One had her left foot curled up under her, and just as he entered the Grandmaster was was pinning to the edge of her skirt a black stocking stuffed with paper, with the foot encased in the slipper taken from the hidden foot.

The next applicant for membership was solemnly ushered in and told to grasp the left foot of each of the three girls and give it a pull. The first two received hearty jugs, but the third leg came off in the applicant's hands, who after gazing at it for an instant in horror, dropped it with a scream louder than the one which had just attracted the man's attention.

South American Rheumatic Cure Cures in 1 to 3 Days.

Solomon Woodworth, of Hopewell Hill, N.B., is rescued from a deplorably helpless condition, induced by the agonies of rheumatism. Mr. Woodworth had contracted rheumatism of the severest form and in a very short time was incapacitated for work—for weeks he could get no rest—suffered the most violent pains in his arms and shoulders—grew worse and felt he could not live, so terrible were his sufferings—his arms became perfectly helpless. He began taking South American Rheumatic Cure—after the second dose he experienced great relief and at the end of three hours every vestige of the pain was gone—the use of his hand and arm returned gradually and he feels altogether like a new man and to-day rejoices in a cure which the proclaims almost a miracle. South American Rheumatic Cure cures in 1 to 3 days every form of rheumatism and neuralgia. Do not suffer longer—it will relieve in six hours.

South American Nervine soothes the nerves and cures all forms of nervousness.

South American Kidney Cure cures only kidney diseases—relieves in 6 hours.

Sold by A. T. Brown.

The postmaster in a little country town causes more transient sorrow or happiness than he would care to remember.

There never was, and never will be, a universal panacea, in one remedy, for all ills to which flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, when obtained in a sound unadulterated state, a remedy for many and grievous ills. By its gradual judicious use, the frailest systems are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondence and lack of interest in life is a disease, and, by tranquillizing the nerves, disposes to sound and refreshing sleep, imparts vigor to the action of the blood, which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making activity a necessary result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance—result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their Quinine Wine at the usual rate, and, guaged by the opinion of scientists, this wine approaches nearest perfection of any in the market. All druggists sell it.

Bright's Disease and Kindred Kidney Troubles Have Lost Their Terrors—South American Kidney Cure Wages a Successful War.

A young man studying for the ministry, and the son of a well-known western merchant, dropped into a drug store, and in a very discouraged mood said to the proprietor, "I am quitting my studies and going home to I know not what. My physician says I have Bright's Disease and can not pursue my studies." That druggist knew from experience the almost miraculous cure in his own case made by South American Kidney Cure. He recommended it to the young man and in less than a month he was back to his studies again a perfectly cured man. South American Kidney Cure is a liquid kidney specific. Sold by A. T. Brown.
