**UNDERMEN THE MILL.**

Serious Damage by the Flood at Salem. Salem, April 15.—The flood here did more damage than was expected. When the water went down, it was observed that the foundation of the mill was undermined, and this morning parts of the end walls fell. The remainder of the end wall, which is over a hundred feet high, looks to be very unsafe. One of the rolls fell with the last crash. The loss so far will be over \$100,000.
