**THE NEWS AT HOME.**

Mostly of a Local Character, and every item interesting.

**A Prosperous Congregation.**  
 The last number of the *Westminster*, in its church news column, said: "The congregation of Knox Church, Acton, is in an extremely prosperous condition and reports the largest attendance at Sunday services in its history. Incandescent lights have just been placed in both manse and church, fifteen in the former and sixty in the latter."

A double quartette of local gentlemen will render a number of military selections in costume, as well as other popular selections. Miss Clark is the accompanist. The concert will be worthy of public patronage generally.

**The Season's Building Operations.**  
 The coming summer promises to be a busy one among the carpenters and builders, especially in the country. The *Frax* Press has referred to several contracts already made. Mr. John Evans, contractor, has secured contracts for the carpenter work on the following: A brick residence for Mr. Robert Watson on the fourth line, 80 x 35, two stories; a brick residence for Mr. William Brown, Acton, on his farm in the South Block, 20 x 25, two stories, with kitchen 18 x 20, store and a half, a new roughcast addition to Mr. D. Whitley's residence, Nassagaweya.

**More Property Changes.**

The farm comprises 100 acres, and has one of the best barns in the county. On Tuesday Wm. Hemmett, negotiated the sale of the "Globe Farm" from Mr. James Russell to Mr. Hugh Wallace, of Nassagaweya. Mr. Wallace will move on the place in a few weeks.

**Ze Zeating Good Work.**  
 If a popular pastor, a good looking choir and one that can sing well too; big collections, and large congregations count, Zion Tabernacle is doing good work. Pleasant anniversary services were held in the Tabernacle Sunday, Rev. Dr. Sailer, of Milton, presided twice. Dr. Sailer is an old pastor of Zion, and a popular one too, so Rev. T. Albert Moore, the present pastor, said, when introducing him. Treasurer, William McCarthy presented the financial report of the trustees for the past year which showed that \$2081.00 had been raised from the envelope and open collection, and a floating debt of \$400 was wiped off during the year.—*Hamilton Herald.*

**April Wedding.**  
 A wedding was commemorated at St. Joseph's church on Monday morning, when Rev. Father Feeney officiated and two happy hearts were united in the bonds of holy wedlock. The contracting parties were Mr. James McCarthy, of Kilmorie, and Miss Ellen Hebbelton, daughter of the late Wm. Hebbelton, Oshawa. The bride, who was very pretty in her bridal robes, was accompanied by her sister, Miss Mary Hebbelton, of Guelph, and Mr. Daniel McCarthy supported his brother, the groom. The wedding was played by Miss Lamb and during the service the choir rendered several appropriate anthems. The happy couple left for the west by the afternoon train.

**Happy Wedded Tuesday Evening.**  
 A happy wedding was celebrated on Tuesday evening at the Methodist parsonage, Bower Avenue, when the bonds of holy wedlock were entered into by Mr. Charles W. Mason, of Johnstown, N. Y., and Miss Nellie Boyd, daughter of the late Henry H. Boyd, Acton. Rev. J. A. MacLachlan, M. A., performed the ceremony. The bride and groom are well known in Acton, having grown up here. Both are highly esteemed, especially among the young people in town. Mr. Mason was an active worker in the Epworth League, and the bride was a member of the same. Mr. Mason is now in the employ of the Niagara Falls Paper Co. in that city. The bride is a member of the Epworth League, and is a very popular person in her home in the East. The best wishes of their many Acton friends follow them.

**NEIGHBORHOOD NEWS.**

**BILOAM.**

An event of much interest to the members of the Bible Class of the Block Church, Bilcoam, on Friday. For nearly two years Mr. W. Y. Gray has been teacher of the class, and that evening the members to the number of over thirty drove to Mr. Gray's residence, near Greenwood's Corner, and presented him with the following address which explains itself:

To Mr. W. Y. Gray,  
 Teacher Bible Class,  
 Bilcoam, Ontario.

DEAR TEACHER:—The members of your Bible Class have assembled here this evening to express to you their appreciation of your interest in our class since your appointment as its teacher nearly two years. Your punctual and regular attendance have in themselves inspired us to emulate your example, for we know that your interest in the work as well as in the welfare of the class as manifested by your presence has often been an encouragement to our self.

But it has been your careful preparation for the lesson study Sunday after Sunday, which has been of greatest value to us. You have invariably qualified yourself by the study and research to impart to us, biblical knowledge and scriptural truths and doctrines which have helped us in our efforts to understand more fully God's word and will and to emulate the Saviour's example.

As a class we have appreciated your services and in conversation with each other the past week or so unanimously concluded that it was due to our class since your appointment as its teacher nearly two years. Your punctual and regular attendance have in themselves inspired us to emulate your example, for we know that your interest in the work as well as in the welfare of the class as manifested by your presence has often been an encouragement to our self.

Our earnest prayer is that the richest blessing of God may rest upon you and your family and that you may long be spared to continue teacher and address as such a surprise to me, that I cannot express in words my gratitude to you for your kindness, but I assure you I shall never forget this and many other expressions of the kindness you have shown me since I have been your teacher. My association with you have been a pleasure to me, and your attention, study and devotion as a Bible Class, and also as Epworth Leaguers, have been the source of great inspiration to me in my Christian work and life. While I feel that I have not deserved this kind expression of your appreciation for my services amongst you for the two years nearly completed, I sincerely hope and pray that we may be spared together to learn many lessons from the Word of God, and when done with this life of toil that we may be gathered an embroiled class at God's right hand to dwell with Jesus Christ forever.

The address was signed in behalf of the class by Erva Lambert, Wesley Murray, Robert Johnson, Ida Murray and Julia Johnson, and was read by Miss Bertha Leslie, the Bible and books being presented to Mr. Gray by Peter Murray. A very pleasant evening was spent; vocal and instrumental music and social conversation being enjoyed by the company.

**MILTON.**  
 Messrs. W. A. Lawrence and M. Chisholm had horses at the Toronto Show last week, which were much admired by horsemen.

The Ladies' Aid of Knox Church will give a 10-cent social in the School Room on Tuesday evening next. Refreshments, music and recitations will be the order of the evening.

The following officers were elected for the year at the regular meeting of the Epworth League last week—President, A. Higginbotham; Vice-Presidents, B. B. Bess, Miss Gathright, Miss Hollister, and Miss A. Dink; Cor. Secretary, Miss Little; Recording Secretary, Mr. F. McKay; Treasurer, Miss Florence Shepherd.

The base ball team was reorganized on Friday evening last. Milton will likely have a very successful club this summer.

Mr. Geo. Andrews left on Tuesday for Winnipeg, to assist his son, Wesley, who has a large farm near the prairie city. The many friends of Mr. E. Dixon will be glad to learn that he is gradually improving.

**A Very Accommodating Applicant.**  
 In advertising for an electrical take charge of Acton, municipal plant, a clause in the advertisement read: "Married man preferred." Among the forty applicants for the position is one ready to accommodate the Council's wishes. He says in his application: "If a married man has any better chance to get the position, let me know, and I will get married at once, if my application is otherwise acceptable."

**Company Dinner—No. 6 Lorne Bldg.**  
 The first annual dinner of No. 6 Company, Milton Battalion, will be held at Agnew's Hotel on Friday evening, 29th inst. All members of the Company are invited to be present. Uniform will be worn and may be procured at the Army camp on any Monday, Wednesday or Friday evening. In preparation for the annual camp, which opens at Niagara on the 6th inst., the company will parade in full dress on Monday evening, 31st May at 8 o'clock and each succeeding Monday, Wednesday and Friday evenings at the same hour. As it is expected that the work to be taken up at the next camp will embrace a great deal of battalion work, it is necessary that as much squad and company drill as possible be performed at Company headquarters.
