A LIMEHOUSE BOY AT MANILLA.

He Saw Natives Killed Off Like Birds, and Got Accustomed to Hearing Bullets Flying All Around Him.

One of the soldiers now at Manilla under Gen. Otis, formerly hailed from Limehouse. Thomas Duro, now upwards of 20 years old, in company with his two brothers, John and Archie, went to Manistique, Mich., about 12 years ago from Limehouse. He worked in the mill that season, and then went to South Manistique and worked for Hall & Buell in the saw mill about four or five years. After leaving South Manistique, he went to Minnesota, where he resided until he enlisted with the volunteers from that state.

Through the courtesy of his brother John, we publish the following extract from a letter received a few days ago by him:

MANILLA, April 18, 1899.

DEAR BROTHER:—I may as well tell you how it came about that I am in the army. Last spring about a year ago, I enlisted in the 14th Minnesota volunteer infantry and served five months. Most of the time I was stationed at Chattanooga, and then in the fall I was sent to the Leach Lake Indian outbreak, and when that was over I was mustered out of the army Nov. 18, 1898. Five days after I re-enlisted in Co. E., 3rd U. S. Infantry, then stationed at Fort Manilla, by way of New York, and got into Manilla March 24.

I had a long sea voyage, but I saw a lot of this world. The first stop out from New York was Gibralter, and the next was in the Mediterranean Sea at a small island Perm, which is used as a coaling station, and the next was at Port Said, 60 miles from Jerusalem. We crossed the Red Sea, through which Moses conducted the children of Israel on dry land. I saw the Mount of Olives in the distance and many other historical spots.

The next stop was at Columbo on the island of Calone. These islands are inhabited by Africans, Hebrews and a lot of naked heathen people. The next stop was at Signapore, just one degree from the equator. We arrived at Manilla Bay, just seven day's run from Singapore.

On the day after arriving there we were put ashore, and that same afternoon marched seven miles out of the city of Manilla to a place called Coloquon: got there about 7.30 in the evening and had supper, the firing line being about half a mile from our camp. Next morning we were awakened by hearing the bullets striking all around us. We got our breakfast and started out to rout the insurgents, which we did in proper style with but little loss on our side.

Saturday and Sunday I was under heavy fire, the bullets hitting close; but a man gets used to that. We charged on them for five days, driving them out of one trench after another, slaughtering them like birds, capturing five large towns, and then the regiment was sent back to where we started to guard a large town and the railroad shops from another attack.

We have not had much trouble lately, until last night we were called out about 12 o'clock; but it was only a little scare.

Well, John, I hope that you and mother and Sandy are well and happy. I will write more next time. Good bye, write soon.

Your brother,
THOMAS DURRO.

The above letter was published last week in the Manistique *Democrat*.

SATURDAY'S LACROSSE MATCH.

Acton Boys Win Early With a Score of 8 to 1.

The first Royal District Intermediate championship lacrosse match of the season was played here on Saturday, resulting in an easy victory for Acton. A large and enthusiastic crowd greeted the boys on this their first appearance on home grounds. Parasols and blue and black ribbons were one of the leading features of the game and certainly the ladies did their share to make the day a success.

The teams lined up at 3:30 and in 11 minutes by the brilliant combination work of Ryder and Erwin on the home, Acton scored the first goal. Six minutes more and the ball was again flying through the Acton sticks, Ryder scoring again. The next goal was for a long time uncertain, both teams playing fast combination but Brebner got the ball and scored, time 32 minutes. The next two goals were McIntosh's in 2 and 8 minutes respectively. The game now stood 3—0 when Summerville scored for the visitors in 12 minutes. The ball was again faced and in 1 minute McIntosh scored again for Acton. The last goal was Ryder's in 9 minutes. The boys in the Blue and Black were in the game from start to the finish. Their combination was quick and their shooting sure. The defence played a great game and the home did some pretty combination work placing the ball between the flags every time it showed up. Mr. Henderson of Georgetown, refereed the game to the perfect satisfaction of all. Time of game 2 hours.

NOTES OF THE GAME.

Hats to the Crescents!

The Crescents are in the lead.

The visitors found Acton's defence a stone wall.

There is a man plays point for Acton that takes in everything that comes his way.

Cornell and Watson did good work for Georgetown.

The visitors got a few pointers last Saturday.

The Crescents' visitors have found that Acton boys can play ball, and they have been a credit to the town.

NEIGHBORHOOD NEWS.

News Items Supplied by Correspondents and Exchanges.

SPEYSIDE.

In the latter part of last week potatoe planting was the order of the day.

Mr. D. Keith has commenced the foundation of his new barn.

Mr. A. Livingston and hired man and Fleet Bros. were home on Sunday.

Dufferin scholars had a rest last week owing to the Teacher's Convention.

Owing to the abundance of rain, there are prospects of a good hay crop here, this year. Oats and spring wheat are expected to be a fairly good crop, but peas are not so promising.

CREWSONS CORNERS.

The thunder storm that passed over here on Sunday morning was very severe. Mr. R. Brown, jr., had a sheep killed by lightning during the storm. The hail storm on Monday evening was also severe.

Messrs. Leichman, Gamble, Coleman and Damper left on Tuesday with No. 6 Company Lorne Rifles, for the annual camp at Niagara.

Lorne School was closed on Thursday and Friday, Miss McMurchy, the teacher, attending the Teachers' Convention at Burlington.

Mr. Will Watkins, of Guelph, spent Sunday at his home in this vicinity.

NASSAGAWEYA.

The farmers are complaing of their corn not growing, caused by sowing seed that had got heated in the bins at the storehouses.

The heaviest hail and thunder storm of the season passed over this vicinity on Monday. Hail, the size of pigeon eggs, fell, but fortunately there was no serious damage done.

It is our sad duty to record the death of Clynton, only son of Dr. L. H. Wilson of Armada, Michigan, who died on Thursday, 26th May, aged 2 years. The parents brought the remains to Rockwood where they were met by the Dr's. father, Mr. Thos. Wilson of Everton, and brought to Knatchbull. The funeral took place on Sunday at the Ebenezer cemetery. Rev. Dr. Scanlan preached the funeral sermon and conducted the burial service. The bereaved parents have the sympathy of the community.

Dr. and Mrs. L. H. Wilson left on Tuesday for their home in Michigan, accompanied by the Doctor's sister, Miss Emily J. Wilson of Everton.

Still the old pioneers keep dropping off and leaving us. This time we have to record the death of Mrs. John Kitching, sr., of Corwhin, who died on Friday 26th May, aged 90 years. The funeral took place on Monday 29th May to the Ebenezer Cemetery, where the remains were enterred. There was a very large funeral as the deceased was well known and highly esteemed by all who knew him. The widow and family have the sympathy of the community.

ROCKWOOD.

"A little nonsence now and then is relished by the best of men"—and women, too, judging by the large number of both sexes that flocked to the town hall to greet the second appearance of our "coons" and well indeed were all repaid for attending. The programme from start to finish was delightful. As melody succeeded melody and joke followed joke, the enthusiasm of the audience increased until it became almost became a tumult, and if "to laugh is to grow fat" there must needs have been many fat people in Rockwood and vicinity since. Verily a great deal of unsuspected talent in minstrelsy has been lying dormant in our midst, which it only remained for Mr. Strachan, that enthusiastic lover of music and song, that indefatigable instructor, to awaken into activity — and the result is good.

Hackneyed as is that phrase so dear to the newspaper writer's heart "where all did so well is invidious to particularize," yet on this occasion it is exceedingly applicable, as each and every number was admirably rendered, but Mr. Strachan's "My Creole Sue" and Mr. Herbert Lee's "Kentucky Babe" were, perhaps the favorites. The cake walk, too, deserves special mention, being one of the most amusing things ever served up for the delectation of a Rockwood audience. Messrs. Strachan, Murray and Brooks made splendid end men, while Mr Fahey gave perfect satisfaction as interlocutor. In the farce by Messrs. Ford and Strachan the latters funny and wonderful clever imitation of the phonograph sent the audience into a perfect gale of merriment, while that by Messrs. Fahey and Murray was no less appreciated.

At the close of the programme, Mr. Hugh Black, President of the Free Library, addressed a few words to the audience, giving particulars of the [illegible] which [illegible]

COURT OF REVISION.

Two long Sessions, but all the Appeals Confirmed.

The Council met on Tuesday evening, 30th May and again on Thursday evening, 1st June, as a Court of Revision. The number of appeals was not large, but careful consideration was given in each case.

The members were all present. Reeve Pearson in the chair.

The usual vexed matter of the dog question was settled by the following resolution: Moved by John Clark, seconded by J. A. Murray, that the assessor be and is hereby authorized to strike from the assessment roll dogs disposed of or dead, and to add dogs not already assessed.—Carried.—

Moved by I. Francis, seconded by J. Clark, that the assessment of W. A. and J. A. Murray, at $1,100 be confirmed.—Carried.

Moved by J. A. Murray, seconded by I. Francis, that the assessment of John Warren at $1,050 be confirmed.—Carried.

Moved by John Clarke, seconded by James Clark, that the assessment of Joshua Norrish, at $850 be confirmed.—Carried.

Council adjourned to meet on Thursday, June 1st.

Council met last Thursday evening at 8 o'clock for Revision Court. Members all present.

The remainder of the Assessment Roll was gone over and the following motion carried.

Moved by John Clarke, seconded by James Clark, that the Assessor's Roll be confirmed as returned.—Carried.

Council adjourned at 11.30.

A HOME MADE HAPPY.

MRS. TUCKER, OF NIAGARA FALLS, TELLS WHAT DID IT.

Her Daughter was Afflicted With St. Vitus' Dance and Helpless as an Infant---Dr. Williams' Pink Pills Cured Her After Specialists Had Failed.

From the Review, Niagara Falls.

It is a horrible feeling to know that you have lost all command or control of your limbs, and must depend upon your friends to wait upon and serve you the same as an infant. This was the condition of Miss Myrtle Tucker for nearly a year, and the *Review* learning that she had been wonderfully benefitted by the use of Dr. Williams' Pink Pills for Pale People sent a reporter to hear her story. We called at the residence of Mr. Edwin Tucker, of the village of Niagara Falls. Mrs. Tucker received us very cordially on ascertaining the object of our visit. As nearly as possible these are her exact words in speaking of her daughter's case:—"My daughter, Myrtle, is in her fifteenth year. About a year ago alarming symptoms of St. Vitus' dance made their appearance, but for some time we did not know what was really the matter. She lost the use of her arms, her right arm was completely paralyzed. She had to be dressed and undressed, being totally unable to help herself. The best local physicians were called in and prescribed for her, but they appeared to be unable to afford relief. We made a trip to Buffalo last January and a specialist was consulted, who recommended that Myrtle be shut up in a dark room for three months, allowing no one to see her or speak to her but the nurse. In fact the doctor insisted upon her being sent to one of the city hospitals. Arsenic was one of the specifics used; it helped to quiet for a time, but no permanent relief was obtained. After our return from Buffalo, my son urged me to try Dr. Williams' Pink Pills for Myrtle. He said he was sure it would do her good as it had cured his boy of a similiar complaint. I then determined to try them as I was conscious the treatment she was getting was doing her no good. I purchased a box and the effect of the pills was almost marvellous from the very beginning; before the first box was used an improvement was plainly discernible. Five boxes in all have been used and Myrtle is now able to run and enjoy herself in a manner she could not do for months and months back. Two weeks ago she commenced to attend school after an absence of nine months. "I want it distinctly understood," said Mrs. Tucker, "that the physicians all agreed that my daughter was afflicted with St. Vitus' dance; that the treatment of the medical attendants did not benefit her and that no other medicine was taken after commencing Dr. Williams' Pink Pills, so that there is no doubt her recovery must be attributed to the use of these pills. Her state of health is now most excellent, her appetite is good and I am only too pleased to be able to certify to the above facts in order that others similarly afflicted may be encouraged to try Dr. Williams' Pink Pills.

An impoverished condition of the blood or a disordered state of the nerves is the fruitful source of most ills that affect mankind, and to any thus affected Dr. Williams' Pink Pills offer a certain and speedy cure. No other remedy has ever met with such continued success, which is one of the strongest proofs that Dr. Williams' Pink Pills accomplish all that is claimed for them. They cure locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, palpation of the heart, nervous prostration, diseases depending upon vitiated blood, such as scrofula, chronic erysipelas, etc. They are are also a specific for troubles peculiar to females, curing all forms of weakness. In men they affect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature. Sold by all dealers or sent post paid at 50 cents a box, or six boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

A Denver dog ran into a pool of water on the street in which the broken ends of an electric wire lay and was instantly killed.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in my back and sides, no appetite, gradually growing weaker day by day. Three physicians had given me up as incurable, a friend advised trying Dr. Williams' and to my great joy, [illegible] made a [illegible] continued their use [illegible] restored to perfect health, which I enjoy to-day. I firmly believe they robbed the grave of a victim."

THE DOCTOR'S MISTAKE.

The doctor made a mistake in the number and called at the wrong house. No woman calls a doctor after she is once acquainted with the remedial value of Dr. Pierce's Favorite Prescription in all diseases and drains common to the sex. Without humiliating questions or local examinations the cure is accomplished by the use of the "Favorite Prescription" supplemented by free medical advice if needed. This medicine is harmless in any condition of the system and can be taken without the slightest fear of bad consequences. It contains no whisky or alcohol. There is not an iota of anything narcotic in it. The relief it gives is permanent. In this it differs from many preparations which give temporary relief only by rendering the sense of feeling with narcotics, and the dangerous stimulants they contain create an appetite for strong drink. When a dealer offers a substitute for Dr. Pierce's Favorite Prescription, remember these facts.

When their diseases are deep-seated and of long standing, women will find it to their interest to write to Dr. R. V. Pierce, Buffalo, N. Y., who has had wonderful success in curing diseases of women. *He gives advice free*, and invites all to write him. Prompt, careful and personal attention is paid to each letter, and the fullest advice is always given.

"After five months of great suffering I write this for the benefit of other sufferers from the same affliction," says Mrs. H. A. Alsbrook, of Austin, Lonoke Co., Ark. "I doctored with our family physician without any good results, so my husband urged me to try Dr. Pierce's medicines—which I did, with wonderful results. I am completely cured. I took four bottles of Dr. Pierce's Favorite Prescription, four of his 'Golden Medical Discovery' and two vials of his 'Pleasant Pellets.'"

Valuable Property in Acton

FOR SALE BY TENDER.

SEALED tenders will be received by the Secretary of the Trustee Board of the Baptist Church, up to Saturday, 10th June, for the purchase of:

1. That most eligible building lot No. 17, in Block 8, having a frontage on Mill Street of 66 feet; on Willow Street of 99 feet, and about 97 feet in width at the rear. The lot is conceded to be the most valuable available building lot in this enterprising town for mercantile purposes. It is very central being immediately opposite the post-office, and in the centre of the business section of the town. It is entirely unobstructed being clear of buildings.

2. The old Baptist Church and the lot upon which it stands. The lot is about 60 x 80 feet, and is situated on Elgin Street, and only one lot removed from Mill Street. The church building is a timbered frame, plastered outside and in; is about 30 x 49 in size; could be converted into a dwelling, or would be suitable for a small manufactory or storehouse with very little expense.

The title to both these properties is indisputable. Possession of lot on Mill and Willow Streets, immediately; and of the church and lot as soon as the new edifice is completed.

TERMS OF SALE—Ten per cent. of purchase money when sale is effected, the balance as may be arranged with the Trustees. The highest or any tender not necessarily accepted:

SAVAGE & CO

Are determined to keep up their old reputation for fine-Watch Repairing. It has always been said that they were the best watchmakers in Guelph. Their son being naturally mechanical has been attending the School of Watchmaking in Toronto and getting the very latest methods in watch repairing.

Savage & Co., have spent between two and three hundred dollars in fine watchmakers lathes and tools. If you have a watch that others have failed to make go bring it to us and we will make it go satisfactorily.
