It will be held in the town hall and Mr. Jackson and his choral class will be assited by several prominent Toronto musicians and favorite local vocalists.

The Trackman's Strike is Ended.

It was a very general satisfaction to see the G. T. R. trackman return to work on Monday morning and to understand that the big strike was ended. The intervention of representatives of the Government with the General Manager had good effect; and while the demands of the men have not been acceeded to in all respects, assurances have been given that their position will be materially bettered in the near future.

Public School Examinations.

The semi-annual examinations of the pupils of Acton Public School will be held next Tuesday, 27th inst., in the afternoon. The five departments will be open to visitors and it will be of interest to the parents and guardians to be present to observe the standing of the scholars as they enter upon the long summer vacation. The High School Entrance and Public School Leaving examinations will be held in the various High Schools the last two days of June.

An Evening of Genuine Pleasure.

Monday evening was a perfect moonlight June night—one of which poets might have sung. A large concourse of citizens and visitors spent the evening delightfully at the Epworth League Garden Party on the lawn of the Misses Laing, Agnes Street. The pretty flower girls, the attentive waiters, the tempting viands and toothsome refreshments contributed to the evening's enjoyments. This was intensified by the sweet strains of music rendered by the Acton Cornet Band, and the Sunday School Orchestra. The selections by Mrs. Crawford were rendered in a manner which reflected high credit, and they were enjoyed by all. The event was successful from all standpoints, and financial receipts reached the respectable sum of over $48.00.

The Fire Laddies Garden Party.

Acton Fire Brigade will give a big garden party in the park next Thursday evening, 29th inst., which they propose to make the event of the season. A series of bicycle races for which prizes will be awarded, and a matched race between three rapid local riders, will take place. A tug of war between eight members of the Hooks and Ladders and the Hose Real Companies will create much merriment, and it is announced that the winners are to pull against Chief Harvey's dray horse "Dick." After the games a programme of music will be discoursed by the Eden Mills Quartette Club; Mr. Fred H. Storey in a number of the latest Coon songs; Rafferty's String Band and Acton Cornet Band. The Brigade will no doubt be liberally patronized at this occasion.

Home From Camp.

About four o'clock last Saturday afternoon the members of Company 6, Lorne Rifles, arrived home by special train from Camp Niagara. As the boys marched down Mill Street en route to the drill hall, their military bearing and bronzed countenances were much admired. The members of the Company were much pleased with their experience in the Camp this season. The 20th Battalion was the envied one of all the regiments of the brigade, because of their very unique and highly satisfactory arrangement for dining. The new cooking outfit and dining marque worked to perfection, and gave the volunteers the comfort of wholesome well-food to a degree never before experienced. The very kindest things are said of Capt. Langton and his officers by the men, who who fully appreciated the efforts made in their behalf.

Provincial Bicycle Meet.

Mr. G. R. Petrie, secretary of the Provincial Bicycle Race Meet, was in town yesterday, booming the big gathering of the Canadian Wheelman's Association, to be held at the Petrie Athletic Park, Guelph, on Friday and Saturday, June 30th and July 1st. The event will no doubt attract a very large concourse of cyclists and their friends. The Petrie rink and park, which has been secured for bicycle races and all entertainments in connection with the meet, is one of the most modern and best arranged athletic grounds in Canada. It has a fifth-mile bicycle track and grand stand surrounding with a seating capacity for over 6,500 persons, immense swimming pool, bath rooms, shower bath, dressing rooms, etc., all combine to make athletic and sanitary premises of great value to any city or town. The location of the park, on the street railway and in close proximity to the centre of the city and the railway depot, is a feature of advantage. A number of exciting races with big prizes will be contested by leading riders of the country at this meet.

The Late John Allan, Esq.

The continued residence in a community for nearly half a century, renders a man familiar to a large circle of friends and neighbors. Since 1856 the late John Allan, of Erin, whose remains were interred in Fairview Cemetery, Acton, last Thursday, made his home on the farm where he died. He was an industrious, energetic farmer and was well known and esteemed throughout his section. Mr. Allan was born at Coldstream, Berwickshire, Scotland, in 1814. He was the son of a prominent master mason and carriage and all classes of farming implements, but he preferred the free life of farming and spent his early manhood as a yeoman on the old family estate. And was familiarly known in Berwickshire as "John Allan, of Dairsie." In 1854 disastrous fire swept away his farm buildings and he decided to come to Canada. He came with his wife and family to Hamilton, he came to Erin and purchased the farm on lot 7, con. 3, Erin, where he resided until his death last week. Mr. Allan was a quiet and unassuming man, but a staunch friend and a kind neighbor. He was a member of the Presbyterian Church and a consistent Christian gentleman. He is survived by his widow, who is now in her 85th year, and by a family of seven sons and two daughters, all of whom are married and settled in life. The sons are John, of Erin; Alexander, of Toronto; Robert, of Acton; Thomas, of Erin; James, of Erin; Peter, of Erin; and William, of Erin. The daughters are Mrs. Thomas Hall, of Erin, and Mrs. Thomas Hall, of Acton. The funeral took place on Saturday afternoon to Fairview Cemetery, Acton, and was largely attended by relatives and friends of the deceased.

The principal leaders and speakers were Rev's Seytone, Pollock, Mann, Dr. Ross and Hindly, of Guelph, D. R. Scott, Mrs. S. B. Conlson, Mrs. D. Talbot, Mr. H. Black, R. M. Clancy, J. L. Beuham and Wm. Friday evening the Eramosa Methodist Church was full of people gathered to witness the presentation of a beautiful gold watch, by the choir and congregation to Miss Sharpe as an acknowledgement of her services during her father's three years ministry here. They had a nice programme, Mr. T. Ruddell presiding. Lunch was served to the assembly at the close of the programme.

Our Doctor has followed the example of the Acton one in bringing home a beautiful bride, Miss Lundy, of Guelph. We all join in wishing them prosperity and happiness.

Among our visitors this week and last are Miss Miss Gerow and Miss Stewart, of Guelph; Mr. and Mrs. R. Millard, of Toronto, at Mr. Wells'; Mrs. M. Mills, of Winterbourne, at Wm. Abbott's; Mr. and Mrs. D. Currie and children and Mr. Currie, sr., at Mr. S. Congdon's.

Next Sunday evening closes Rev. Mr. Sharpe's ministry here. He moves to Durham next week and Rev. Mr. Brand comes here.

Married At Seattle.

The following marriage notice is taken from a Seattle paper, the bride referred to being Miss Nellie Johnson, daughter of the late Dr. Johnson, and sister of R. A. Johnson, Esq., Erin: "At the residence of Mr. Day, on the corner of Boren ave. and north and Harrison street, last Tuesday evening, 6th June, Mr. Duncan McMillan, a prominent farmer of Whidby Island, to Eleanor Johnson, of Seattle, were married, Rev. J. M. Dennison, of Haven Church, officiating. Mr. Johnson, brother of the bride, was best man, and Miss Ida McMaster bridesmaid. After the ceremony and the congratulations dessert refreshments were served. Mr. and Mrs. McMaster left for their inland home Thursday morning last on the Fairhaven."
