—Mechanics! You have found fall and winter advertising profitable in the past. Write your advertisement now for next week's Free Press.
—At the last meeting of the township council the following account was passed.
"Colin Mitchell, material and trimming for pair of pants for John Henry, 74c."
—Officer Graham informs the Free Press that the cost of Acton's grandstand walks was eleven cents per square foot, instead of twelve as stated last week.
—All the old-fashioned weather signs are said to indicate a mild winter, but meanwhile there's no harm in hunting up the one which has "Bent the Door" on it.

—One of the biggest newspaper combinations offers ever made in Canada is the offer of the weekly Star, Toronto, combined with the Family Herald of Montreal, (including the premium picture) for \$1.25. A still bigger offer is that of the Star combined with this paper for \$1.10. Address orders for the Star combined with the Family Herald to the Star Printing Company Limited, Toronto.
TO THE DEAR.—A job lady, cured of her Deafness and Noise in the Head by Dr. Nicholson's Artificial Ear Drums, has sent \$1,000 to his Institute, so that deaf people unable to procure the Ear Drums may have them free. Apply to Superintendent, B. The Institute, 789 Eighth Avenue, New York, U. S. A.

THE NEWS AT HOME.
Mostly of a Local Character, and every item interesting.
Hallowe'en's Annual Carnival.
The vigilance of the constables and the brilliance of the electric light did not hinder the usual fun pranks entailing hard work, heavy lifting, noisome odors, and damage to property. And the pranksters call it fun.
Sheep Killed by Dogs.
A woman's (P) dogs continue to be a menace to the farmers. The last meeting of the Executive Council the following was passed: Moved by Mr. Stalker, seconded by Mr. Near that the Treasurer be authorized to pay the following amounts being in each case two-thirds value of sheep killed by dogs, the owners thereof being unknown: Graham Lawson the sheep \$14.00, Paul Kennedy a sheep \$20.00, John Watson two sheep and one lamb \$10.00.
An Enthusiastic Preacher.
The Methodist congregation here is to be favored next Sunday, the occasion being the Missionary Anniversary, with sermons by Rev. James Henderson, D. D., the Associate Missionary Secretary. Dr. Henderson is one of the most eloquent divines in the church and, being in general demand, engagements must be made from one to two years in advance to secure him. Dr. Henderson will not doubt be welcomed by very large congregations on this his first visit to Acton.
New Sabbath School Publications.
The series of the Presbyterian Sabbath School Publications during the past year has justified the undertaking of two new illustrated papers, samples of which we have just received. The regular issue begins with 1900, and if the first two numbers, now out on table, are a fair specimen, the publications are sure to succeed. Rev. R. Douglas Fraser, Confederal Life Building, Toronto, is editor and business manager. The papers are published under the authority of the General Assembly, Presbyterian Church in Canada.
Romance at Hespeler.
The wrecking of the Scotman on the coast of Belle Isle on the morning of September 22nd was the means of creating a romance. Among the passengers on the steamer was Henry Swartz, a German, bound for United States, and Edith Davis, a young English lady, en route for Hespeler, Ont. During the terrible scenes which followed the wrecking of the boat Swartz saved Miss Davis' life twice at the risk of losing his own. Instead of going on to the States, the gallant German accompanied Miss Davis to Hespeler, and last Saturday, the life which he twice saved, was, by the bonds of holy wedlock, united to his until death doth part.
An October Wedding.
The Rev. Lorenz Hiltner will be represented in the Canadian contingent which is going to the Transvaal. Sergt. R. J. Cunningham, of No. 4 Co., Campbellville, has gone with the contingent. He has been taking a course of instruction at the Royal College of Infantry, Toronto. He is a son of the late Wm. Cunningham, of Manswood, Esquimaux, and is a young man of fine physique and a smart soldier. He enlisted as a private. The officers of Hutton Battalion add a number of friends made up of a purse of \$65, which was presented to him on his departure. Sergt. Cunningham's comrades of the Lorne Rifles wish him bon voyage, and hope for his safe return when the Transvaal becomes part of the British Empire. Other Hutton boys offered their services, but he is the only representative that went to South Africa. Sergt. W. J. Moore, Acton, went to Toronto, was examined and accepted. The only opening for him at the time, however, was in one of the Quebec companies, under a French-Canadian captain, in which he would not accept. Charles Ramshaw, son of Robert Ramshaw, of Milton, and a native of Acton, made application for a position on the hospital staff, but the vacancies were filled. Lieut. Storey and W. F. Dewar, also Hutton boys, applied for positions on the contingent.
Will Be a Great Convention.
The annual convention of Hutton Sunday School Association, to be held in Knox Church, Acton, on Thursday and Friday, 1st and 2nd of February next, promises to be one of the finest Sunday School gatherings the county has ever seen. In addition to papers and addresses by local workers, a number of prominent workers outside the county have been secured. These include Dr. W. T. Harrison, President, and Mr. Alfred Day, Secretary, of the Provincial Sunday School Association; Rev. J. W. Rae, Toronto; and an experienced primary teacher from a neighboring city. In addition to these the executive of the county commissioned one of their number to interview Mr. Martin Lawrence, of Toledo, Ohio, the International Field Worker, at the Provincial Convention at Galt last week. He is to be in Ontario early in the year and there is every probability that he also will have a place on the programme. This good fortune will be appreciated by all Sunday School workers of the county, for Mr. Lawrence is one of the brightest and most largely experienced Sunday School workers on the continent and is rarely heard outside the state and provincial conventions. The convention will be devoted largely to normal and primary work, but other phases of Sunday School interests will also be discussed. The people of Acton will cordially welcome the County's Sunday School workers and extend the heartiest hospitality during their stay.

The Lorne Rifles Represented.
The 20th Battalion Rifles will be represented in the Canadian contingent which is going to the Transvaal. Sergt. R. J. Cunningham, of No. 4 Co., Campbellville, has gone with the contingent. OUR BOYS SAILED MONDAY.
Splendid Weather and a Vast Throng Gave the Corps a Magnificent Send-Off.
Quincy, Oct. 30.—In splendid weather and the presence of an immense throng, secured by the local residents, the Canadian contingent departed today and went aboard the Gardiner, which will this afternoon sail for South Africa.
Friends of the departing soldiers came from all over the county, and thousands of visitors were here, many of them all members of the Ottawa Government, and many officers.
The send-off was most enthusiastic, the breeze and booming of guns adding a martial flavor to the cheers of the crowd. The voyage will occupy about a month.
