

FALLING

Does this illustrate your experience? And are you worried for fear you are soon to be bald?

Then, cease worrying, for help is at hand. You need something that will put new life into the hair bulbs.

You need a hair food, such as **AYER'S HAIR VIGOR**.

It brings health to the hair, and the falling ceases. It always restores color to gray hair. You need not look at thirty, for your gray hair may have again all the dark, rich color of youth.

100c a bottle. All druggists.

VACATION.

It's the time to go, my boy. And all the horses along the road. They look so bad to strangers. It's the time to go, my boy. And all the horses along the road. They look so bad to strangers. It's the time to go, my boy. And all the horses along the road. They look so bad to strangers.

BOOKS FOR YOUNG GIRLS.

The proper object of reading is the formation of character, says the Cleveland Plain Dealer. As an instrument of education the only test to apply to a book is the benefit conferred on the reader. When a girl takes up her reading, she should be glad to find that the book she is reading is a book that will help her to live a better life. It should be a book that will help her to live a better life. It should be a book that will help her to live a better life.

CAULIFLOWER COOKING

Half a good sized cauliflower with tender, chop it, carefully and place it in a bowl or mold so that it will keep its form when turned out. Put the shape thus made upon a dish that will stand the heat and pour over it a sauce of cream and butter and flour in a saucepan and pour upon them a pint of strained tomato juice in which half an onion has been stewed. Stir until smooth and strain. Add the addition of three or four tablespoons of creamer dust; salt to taste, then the same amount of cauliflower, and it is done. It is done in the time in which it is cooked.

Consumption

is contracted as well as inherited. Only strong lungs are proof against it. Persons predisposed to weak lungs and those recovering from Pneumonia, Grippe, Bronchitis, or other exhausting illness, should take **Scott's Emulsion**. It enriches the blood, strengthens the lungs, and builds up the entire system. It prevents consumption and cures it in the early stages.

ON THE TRACK.

No more remarkable stories are told illustrating the power of mind, that a story may be told of a woman who, when the day of the great race was at hand, she was as interested and patient as a soldier as any soldier could be.

STANGE OVERSIGHT.

It was only with great difficulty that Aunt Beulah's nephew persuaded her to let him have the money that she had saved for her old age. He was as interested and patient as a soldier as any soldier could be.

JUST FOR FUN.

The manager of the phreatic mine was looking for a man to work in the mine. He was as interested and patient as a soldier as any soldier could be.
