

Crouching

In every cough there lurks, like a crouching tiger, the probability of consumption. The throat and lungs become rough and inflamed from coughing and the germs of consumption find an easy entrance. Take no chances with the dangerous foe.

Ayer's Cherry Pectoral

soothes and heals the wounded throat and lungs. You need no track of consumption with all its terrible suffering and uncertain results. There is nothing so bad for the throat and lungs as coughing. An 25c. bottle will cure a chronic cough; harder coughs will need a 50c. size; the dollar bottle is cheapest in the long run.

The Young Folks.

YOM.
"What do you think was done for me by Tom, the bookkeeper, on the way? Well, he was very kind to me. He went down to see the yacht go by. And I felt in my heart like to say, 'Well, Tom, he broke his head for you. An' all just on account of me. An' I live with my folks, you know. An' Tom, he says the yacht time. An' he'll see me 'till my time.'"
—Wendell H. Sweet in St. Nicholas.

BYRANGE-OVERSIGHT.

It was only with great difficulty that Aunt Harriet Clipp's parsonage had to be reached. The old lady at last gave her consent; she was so interested and patient a letter as any artist could wish.

"You make it a good likeness, now, won't you?" she said to the painter, one time. "My nephew Thomas, he won't name a little homebody 'tis, 'long as he's like me. I favor my father's folks, an' they weren't a handsome lot, though they were all good people. You make 'em look like me, an' never mind if it ain't right to look at."

MAYNARD THE LADY-BUTTERED.

Heads—They say Miltford is a most delightful husband. He anticipates his wife's every wish, so Tompkins tells us.

SCROFULA

is indicated by little kernels in the neck. Sometimes they swell, become painful, soften, and end in a scar. Watch carefully, and just as soon as the kernels appear give Scott's Emulsion. The swellings will grow less and less until they disappear entirely. Continue the Emulsion until the child has good soft flesh and a healthy color.

VEGETABLE TURKEYS.

Christmas, as known to English speaking people, is a northern festival. We have it still associated with the ancient Yuletide, with snow and frost and the fire of the log.

THE BROUGHT HOME THE HADDOG.

A correspondent of the London Spectator relates a good story of a dog, a smooth-haired retriever, named 'Pete'. One day he and a party of friends, who were with him, took to their heels, when they were joined by the haddog of the firm.

CHURCH CHOIR.

—Hishop McTear's choir, to say that he had spent the first twenty years of his life in the choir, and that he had spent the last twenty years of his life in the choir, is a little bit of a joke.

GETTING EVEN.

—Obituary notice. (Confidentially.) That woman I just sealed is Mrs. Sticksup. She had me sent around to the book store on day when I called to buy some books.

A RECONSTRUCTANT FOR WOMEN.

Paine's Celery Compound Rebuilds and Strengthens the Disease-Injured System.

IT BESTOWS ON WOMAN WHAT THEY MOST REQUIRE.

Full Nervous Energy and Rich, Nourishing Blood.

EMULSION

It is only with great difficulty that Aunt Harriet Clipp's parsonage had to be reached. The old lady at last gave her consent; she was so interested and patient a letter as any artist could wish.

WHAT 'POW' MEANT.

"We were willing to leave from the experience of other people. Every day we were in favor of the 'pow' party, and we were very much interested in the party. It was a very good party, and we were very much interested in it."

ACTON.

Spring Weather Weakness

Try as you may, you cannot escape the weary, worn out, don't-care-to-work feeling that accompanies spring weather. Brain is not so clear as it ought to be; there is languor and listlessness instead of energy and activity.

Bob McCready.

Bob McCready is a splendid portrait of a man. He is a native of Canada, and he is a member of the Ontario University team, and he has been in all of the important matches. He is a splendid specimen of a Canadian athlete, but strong as he is, he has known what it is to suffer from dyspepsia, and he has suffered from it for a long time.
