The LION Millinery
Has never been so popular
as at present.
It is strange, that at a store where so many
things are done well, you still think of it as a
place of specialties. Few Guelph women think
of Hats and Bonnets without at the same time
thinking of The Lion. Besides the best of the
New York and Paris ideas in Hats and
Bonnets, we show a grand range of new Sailors
and Walking Hats for the ladies; Muslim
Hoods, Sunbonnets and prettily trimmed Hats
for the girls; and stunning "Men-O-War
Caps" for the boys. Modest prices rule in our
Millinery like every other branch of the business.
