

LANGUID

Many a school-girl is said to be lazy and shiftless when she doesn't deserve the least bit of it. She can't eat, easily falls asleep, is nervous and tired all the time. And what can you expect? Her brain is being fed with impure blood and her whole system is suffering from poisoning. Such girls are wonderfully helped and greatly changed, by taking

AYER'S Sarsaparilla

Hundreds of thousands of schoolgirls have taken it during the past 50 years. Many of these girls now have homes of their own. They remember what cured them, and now they give the same medicine to their own children. You can afford to trust a Sarsaparilla that has been tested for half a century.

"A little better," *Acton Free Press.*

If your bowels are constipated take Ayer's Pill. You can't have good health unless you have good action of the bowels. 25 ct. a box.

"Will the summer ever come back?"

"Perchance," said the sleek willow-pause,

"That grew on the buried brook's brink,

"Perchance," said the sleek willow-pause,

"The spring is more near than thou thinke."

The bushes struggle to peer Through the crusted snow;

The trees lean and lean to hear,

"Will the buds burst swell And the waters sing?

Can the brown twigs truly tell The secret of spring?"

"That grew on the buried brook's brink,

"Perchance," said the sleek willow-pause,

"The spring is more near than thou thinke."
