

Coated

Look at your tongue. Is it coated? Then you have a bad taste in your mouth every morning. Your appetite is poor, and food distresses you. You have frequent headaches and are often dizzy. Your stomach is weak and your bowels are always constipated.

There's an old and reliable cure—**Ayer's Pills**. Don't take a cathartic dose and then stop. Better take a laxative dose each night, just enough to cause good free movement of the bowels.

You feel better the very next day. Your appetite returns, your headaches pass away, your tongue clears up, your liver acts well, and your bowels no longer give you trouble.

Price, 25 cents. All druggists. "I have taken Ayer's Pills for 25 years, and I consider them the best medicine I have ever used."

The Young Folks. JOYS OF THE YARN BOY.

I'd like to be a boy again. Without a single care; With freedom scattered on my face And freedom in my hair, I'd like to rise at four o'clock And do a hundred chores.

THE TABLES TURNED. A Southland fair farmer was trying to engage a lad to assist on the farm, but would not finish the bargain until he brought a character from the last place; so he said:

"Man and get it, and meet me at the cross-roads at four o'clock." "The youth was there in good time, and the farmer said:

"Well, have you got your character with you?" "No," replied the youth; "but I've got yours, an' I'm no comin'."

My father's name was Tom. Probably that is why we sometimes talk of hush-money.

Look Out For The Eagle. We mean your heart. Keep it strong! Don't let it flutter or beat with weak strokes. Scott's Emulsion feeds the blood. It makes the heart beat stronger, and greatly improves the circulation.

The Photographer—Here sir, are the cabinet that you ordered of me. Father (regarding one)—The picture is certainly very like him, and he has paid you?

The Photographer—No, sir. The Father—That is still more like him. Pety's Pills are small—more pills—about one is a dose, and every dose counts. There are no blanks.

Regular action of the bowels is necessary to health. Laxative Pills are the best compound cathartic for family or personal use. Price 25c. Any druggist.

"We ought to be very careful in our choice of a new remedy." "Have you had any trouble?" "Yes. If we get an emerald stone, he works us to death, and if we get one without emerald we work ourselves to death."

EXPERIENCE has taught us how to make the best Emulsion in the world; Experience has proved that this Emulsion is worthy of entire confidence. There are many imitations of **Scott's Emulsion** and all kinds of substitutes for it; but none equal it. If your doctor recommends you to take Cod-Liver Oil, or you know yourself that you need it, get **SCOTT'S EMULSION**; it is the best Cod-Liver Oil in the best form.

If we had your address we would send you a sample and a pamphlet telling more about it. Write to **SCOTT & BOWEN**, Toronto.

WHY SHE DIDN'T SING.

"I have come across a great deal of foolishness of varying degrees and kinds in my life," said the man who teaches singing, "but in all my born days I never before met anybody as hopelessly foolish as a young woman I have been taking an interest in lately. She is a stenographer by occupation, and I happened to hear her hum a popular song one day when I was in her employer's office. Of course the position of her tongue was all wrong, but her voice was as sweet as velvet and her deep and clear as a cathedral bell. It was a voice such as a teacher doesn't get a chance to work on here in this town."

"I went to her and asked her to let me try her voice. It proved to be better than I had hoped. It was magnificent. I wanted her to begin studying at once. She had no money, but I offered to pay money for bringing out a voice like that. She hadn't much time either, and she told me she was too tired to sing in the evenings after working all day. I told her to get up early and practice and hour or two before breakfast. She thought she had to do when I told her to do it, but she didn't say she wouldn't."

"Weeks passed, and her method continued as bad as ever. I couldn't understand it. I went to her for help. Just where the preceding one left her. At last one day I asked her if she wouldn't practice before breakfast and then then break down. She said she hadn't dared to sing before breakfast because it had led to a bad cold. She said she was 'too tired to sleep.' It is a saying, and that idiot of a girl believed it so implicitly that she wouldn't practice before breakfast even for the sake of that glorious voice of hers, and as before breakfast was the only time she had to practice the result was, 'Well, it's her job.' She'll live and die a stenographer when she might have been a prima donna, and it will serve her precisely right. She has sacrificed her future to and idiotic superstition."

VOICE IN THE DARK. "Mamma, please gimme a drink of water; I'm so thirsty." "No; you're not thirsty. Turn over and go to sleep."

"Mamma, won't you please give me a drink? I'm so thirsty." "If you don't turn over and go to sleep, I'll get up and whip you!"

WHAT HE FELT. An old family dandy was being hauled over the coals for scratching the portrait of his past master with a white whisk broom.

"Mamma, don't you please gimme a drink when you get up to whip me?"

Uncle John—Well, what do you mean to be when you get to be a man? "Little Tommy (promptly)—A doctor like pa."

Uncle John (patronizingly)—Indeed; and which you intend to be, an allopath or a homoeopath? "Little Tommy—I don't know what them awful big words mean, Uncle John; but that don't make no difference, 'cause I ain't goin' to be either of 'em. I'm just goin' to be a family doctor, 'cause all my patients be Hood's Barseparilla, 'cause my pa says Hood's Barseparilla is the best family medicine he ever saw in his life."

Nettie—Charlie says I grow more beautiful every time he sees me. "Mamma—If that's the case, you ought to have him call twice a day."

Teacher—What is an octopus? "Small boy (who has just begun Latin, sagely)—Hesse, sir, I know, sir; it's an eight-sided cat."

Whose Is The Chair? Mrs. Wm. Young, From, Ont., says: "One year ago our little boy had an attack of scrofula which left a bad wheeze in his chest. We used Dr. Wood's Norway Pine Syrup, and it completely cured him."

"Pa," said little Pety, "why doesn't mamma travel with the circus?" "Why doesn't she?" "Well, she says she can't afford to. She says she can't afford to travel with the circus."

Those your head ache? Take a Pety. Does your back ache? Take a Pety. Does your side ache? Take a Pety. And do not take any other.

Children Cry for CASTORIA.

THE ABSENT-MINDED MAN.

Many stories are told of the absent-mindedness of the late Dr. McAllister, brother of Trinity Church, Elizabeth, and brother of the late Ward McAllister. One night he was returning to his home in New York, and took a train which was not scheduled to stop at his station. Discovering his mistake he appealed to the conductor, being anxious to get word to his wife. Fortunately the conductor came back to the doctor and said that a railroad official was on the train, and that it would make an extra stop at Elizabeth.

"That is good," said Dr. McAllister, with great relief. "When your stop at Elizabeth, won't you send a message to my wife that I have been carried through to Trenton?"

"Why don't you get off yourself?" suggested the conductor. "When your stop at Elizabeth, I never thought of that," said the doctor.

Street Car Accident.—Mr. Thomas Hahn says: "I was about year 11 boy had his foot badly injured by being run over by a car on the Street Railway. We at once commenced bathing the foot with Dr. Thomas' Colicidal Oil, when the discoloration and swelling were removed, and my wife says he is perfectly well. We always keep a bottle in the house ready for any emergency."

Mally—No, Herbert, I am sorry; but I am sure we would not be happy together. You know I always want my own way in everything.

Herbert—But, my dear girl, you could go on wanting it until you are married. Free and easy expectations immediately relieve and free the throat and lungs from visceral phlegm, and a medicine that promotes his is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Little's Anti-Consumptive Syrup is a specific for, and whenever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

An Ohio girl who is unable to speak above a whisper has had 47 offers of marriage. A word to the wise, etc.

Where others fail, these Dr. Pety's Pills prove their power to cure. "Some men don't love to travel very far when they go to the bad. That which head can be instantly relieved by taking one of Milburn's Bitter Pills. Powder—1 powder—2, 3 for 10 c., 10 for 25c."

As a man grows older he swaps his ideals for ideas.

Burdock Blood Bitters. Mrs. James Carr, Elmira, N.Y., writes: "My little boy, two years and a half years old, was in a terrible condition and suffered a great deal from scrofulous sores. My husband bought a bottle of Burdock Blood Bitters for him and gave it to him, and by the time he had finished the second bottle there was no more to be seen. On account of this wonderful cure I can honestly recommend it to all who suffer from any disease arising from bad blood."

Mr. Oliver J. Murray, Elmira, N.Y., writes as follows: "About six months ago I was troubled with a painful boil, for which could get nothing to cure me. As a last resort I tried Burdock Blood Bitters. One bottle completely rid me of the boil, and my health was never better than at present."

"Which one of the popular books of the day do you like best?" asked the incident. "To have and to hold," he answered, in an exalted whisper.

"Don't, Harry," she protested, but her voice had a wondrous sound. "If your children are troubled with worms, give them Mother Gray's Worm Expeller; safe, sure, effective. Try it, and mark the improvement in your child. Fine feathers may not make fine birds, but they are apt to make costly hats."

CASTORIA For Infants and Children. It is better to be impaled occasionally than to doubt indefinitely.
