Mostly of a Local Character, and every item interesting.

Thanksgiving Day - 19th October.
The Governor-General has proclaimed Thursday, October 19th, as Thanksgiving Day. This date will be much more acceptable than the usual date in November and will permit of greater out-of-door enjoyment than a day in the dreariest month in the twelve.

More Electric Light Installed.
Electrician Mullis kept busy these days putting in new electric lighting service. During the past week the Commercial Hotel, Matthews' Hall and W. H. Hickey and Son's shoe par shop have been installed. The morning service will commence in about ten days. In order to accommodate a number of early voters during the Fair the light was turned on all six this morning and will be again, to-morrow.

Death of a Former Resident.
After a long illness death came to Harold McCarson, widow of the late Samuel McCarson, at her residence, lot 7, on St. West, Chippewa, near Normal, last Wednesday, 26th Sept. Mrs. Denny and her late husband were former residents of Acton, but returned to their former home some time ago. Burial was in the Methodist cemetery, W. H. Denny, of Acton. The remains were interred in Normal cemetery on Saturday morning.

The Concert To-morrow Evening.
The whole manner in which the reserved seat tickets for the Fair Night Concert to-morrow evening are being bought up is an excellent criterion of the judgment of the public as to the excellence of the talent engaged. The programme has been tested and shows an attractive series of popular numbers. With the services of Mrs. Caldwell, Toronto, soprano soloist; Miss Maricetta Lyell, B. E., Toronto, soloist; Mr. Harvey Lloyd, Toronto, the refined baritone; Mr. Hickey, organist; and the vocal quartet, consisting of the Little Masons' White, with vocal and piano duets, and Messrs. Herber and Akler, with guitar and violin, a first-class concert is assured. Reserved seats and tickets may be secured at Brown's Drug Store.

"Hobbs" Thanks a Former Acquaintance.
Mr. G. H. Humberstone, of Newmarket, who has been in the city for some time, has been invited to give a talk at the County Fair at Milton last Friday. He is a well known and highly respected man in his own town. He has been in the city for some time and has been very successful in his business. He has been in the city for some time and has been very successful in his business. He has been in the city for some time and has been very successful in his business.

The County Sunday School Association.
The Executive of the County Sunday School Association met in Milton last Friday. Mr. J. M. Hagar, of Newmarket, was the President, and Mr. J. M. Hagar, of Newmarket, was the President. The business of the meeting was principally to arrange for the programme at the Annual Convention to be held in Burlington next Saturday. An unusually strong programme has been outlined. Bible study will be the leading topic and efforts are to be made to secure such brilliant students of the word of God as Prof. McCurdy, of Toronto; Dr. G. C. Workman, Toronto; Rev. N. H. McPherson, Hamilton; and Rev. Mr. O'Neill, Chatham. Mr. Jackson, the General Secretary of the Provincial Association is to be invited, and a number of local ministers and Sunday School workers will also take part. It is decided to continue the printed statistical reports, which were omitted last year for the first time in twelve or fifteen years.

Interesting League Services.
Members of the Epworth League conducted the services at the Methodist Church last Sunday in the pastor's absence. The evening service was of special interest. The president, Mr. A. T. Brown, conducted the service, and some twelve members assisted him. The topic was "The Holy Spirit" and the reading of several carefully prepared and very appropriate essays bearing upon the subject were presented and a series of scripture passages showing the beginning and ending of the Holy Spirit in the hearts of men. The service was impressive and in every way acceptable and the congregation will be glad to have a similar service at least once a quarter. It will be helpful to the congregation and to the young people in particular. The offertory piece was Kipling's "Homesickness" sung as a quartet, and well rendered by Misses May Hager and Miss Walker and Messrs. J. J. Moore and Chester Mathew. Mr. H. H. Moore occupied the pulpit at the morning service.
