HENDERSON RE-ELECTED

With Gains in the Majority of Polling Places—Acton, However, Remained as Before.

NO NON-RESIDENT CANDIDATE NEED APPLY.

The excitement in Halton, over the Dominion Elections, culminated last evening. A more keenly-fought contest never was waged here and the supporters of Mr. Henderson and Mr. McKinnon were equally confident of victory. The workers in the Liberal ranks here, though jubilant over the splendid majority by which the Government is sustained, were disappointed in local results, and, at the close of the poll, as each polling place gave similarly discouraging reports, Mr. Henderson's election by an increased majority was soon conceded, and later reports showed that he was returned by a majority of some 174 votes.

The increased majority for Mr. Henderson in so many polling places proves very conclusively that no non-resident need apply for election to the House of Commons from Halton County. Mr. McKinnon put up a noble and honorable fight, but the changes were rung so persistently upon the issue of non-residency that this cry had the effect desired. But he is not the first good man who has been defeated in Halton.

Mr. Henderson is to be congratulated upon the united manner in which he held his supporters and increased his majority. He is a strong man in his party, and will no doubt be given a place of honor when the members elected from its ranks reconstruct their organization. It is well-known that the Conservatives fully expected to defeat the government in this election, and that in the proposed new cabinet Mr. Henderson was to be given the portfolio of Minister of Agriculture. So certain was the Toronto *World* that this would eventuate that for several weeks it has referred to the proposed new minister as "Farmer Henderson." That honor will, however, be deferred for some time.

The result of the polling in the county shows the following majorities:

Majority for Henderson 174.		

When his election was assured Mr. Henderson addressed the crowd who had gathered on the street at the telephone office and cordially thanked the electors for their continued support. He then left for Milton and addressed a large gathering at the county-town.

There was great jubilation on the streets here. Acton Cornet Band played, but they were outdone by the boys of all classes in town who united with tin pans, kazoos and lusty lungs to make as much noise as possible. A noticeable silence was apparent, however, when the returns from throughout the Dominion began to come in and when it was realized that the Government had been sustained by an increased majority, without the loss of a single cabinet minister, the Conservative shouters were conspicuously absent.

The elections are over. The excitement has subsided. Now for business again.

McKINLEY RE-ELECTED.

The Republicans of the United States Continue in Power with President McKinley at their Head.

NEW YORK, Nov. 6.—President William McKinley has been re-elected President of the United States, and will have a vote in the Electoral College exceeding 200. McKinley has carried every Northern State save Colorado and Idaho, and has carried Kentucky by about 10,000 plurality.

The trans-Mississippi States have rolled up a bigger majority than even the most sanguine estimates of the Republicans. Nebraska, the home of the Democratic candidate, which went for Bryan by over 13,000 in 1896, has gone back into the Republican fold, giving McKinley about 15,000 plurality, which later returns may increase. Bryan lost his own city and precinct.

MILTON.

Election excitement ran high last evening, but after the result in Halton became finally certain it subsided somewhat.

Rev. W. E. White, who has resigned the pastorate of Grace Church, of this town, was presented with a purse of $76 by the congregation last week.

H. Campbell, late Deputy Registrar, has opened an office one door east of T. Hebderson's grocery, opposite Martin St., Milton, where he will carry on conveyancing, general agency and insurance business.

Hugh Patton, of the 4th line, Esquesing, who disposed of his farm last spring, removed with his family to Guelph a week or so ago.

John Miller, base line, Esquesing, is confined to the house with typhoid fever. His brother died with the same disease some weeks ago.

The Paxton homestead, con. 9, Esquesing, containing 200 acres, has been sold to Arthur McClure, of Mount Pleasant. The price paid was $8,500.

DOMINION ELECTIONS.

Sir Wilfrid Laurier Still Holds Dominion Power.

SIR CHARLES TUPPER DEFEATED.

The Liberals Gain Five Seats in Quebec, Three in New Brunswick, Three in Nova Scotia, and One in Prince Edward Island, While They Lose Twenty in Ontario and Seven in the West—The Majority Will Swing Between 40 and 60 According to the Completion of the Independents and the Elections Not Yet Held.

Toronto, Nov. 8. — (6 a.m.)—The electoral battle in the Dominion of Canada has been fought and decided. So far, at present writing, the parties remain in relative strength in the House "as they were," but there would be some very prominent faces missing in the ninth Parliament of Canada should it meet before bye-elections could be held.

Of course, the first news here was that of our own city, the returns being in early and their nature made the local Conservatives jubilant, while the local Liberals were correspondingly depressed. Next came the news of Mr. W. F. Maclean's victory in East York, followed by Hamilton, which gained two seats from the Liberals for the Conservatives.

The Telegraph, thoroughly impartial in its distribution of news, soon brought word that Dr. Montague, a member of the last Conservative Cabinet, had been defeated in Haldimand and Monck, and that Mr. W. Gibson had been turned down in Lincoln and Niagara. Sir A. P. Caron's defeat in Muskinonge by Mr. Legris by 600 majority, shortly paled into comparative insignificance by the announcement that among the day's fallen were Sir Charles Tupper, the veteran leader of the Opposition, and Hon. Geo. E. Foster, the Finance Minister of the Conservative Administration of 1891-96.

Other notable defeats were those of Mr. N. F. Davin, Regina; Dr. Landerkin, South Grey, Mr. W. Stubbs in Cardwell, Mr. E. D. Martin in Winnipeg, who fell before Mr. Puttee (Labor) to the tune of 1,139 of a majority.

Mr. Henri Bourassa, the Liberal who opposed the sending of the contingents to South Africa, was elected in Labelle, Que., by over 200 majority. Hon. J. I. Tarte, Minister of Public Works, was elected in St. Mary's Division, Montreal, by over 1,000 majority.

THE ELECTION BY PROVINCES.

Ontario.

The returns show 53 Conservatives elected in the banner Province of Ontario, with 31 straight Liberals, and 8 Independents (two with Liberal leanings) returned. Just before the election Ontario had 40 Conservatives and 52 Liberals, so that the Conservatives have an apparent gain of 12 seats in this province. There was no election in Algoma, where G. A. Boyce, Conservative, and A. E. Dyment, Liberal, are running; nor in Nipissing, where J. B. Klock is the Conservative standard-bearer and C. A. McCool is the Liberal candidate.

Quebec.

In Sir Wilfrid Laurier's Province only 8 Conservatives have been elected, but 50 Liberals will sit in the next House. Immediately prior to the elections there were in the House 14 Conservatives and 51 Liberals from this Province, a gain of 6 to the Liberals for the ninth Parliament.

New Brunswick.

Five Conservatives to 9 Liberals will be the standing of the province in the next House. In the last there were 8 Conservatives to 6 Liberals.

Nova Scotia.

Fifteen Liberals will sit opposite to 5 Conservatives from this Province in the new Parliament. When the last division was taken there was a majority of four for the Liberals; now it will be 10.

Prince Edward Island.

This little Province sends one Conservative and 4 Liberals to the next Parliament. In the last House there were 2 Conservatives and 3 Liberals.

Manitoba.

In this Province one Liberal, Hon. Clifford Sifton is elected. There are besides 4 Conservatives, and R. L. Richardson (Ind. Lib.) and Puttee (Labor). In the last Parliament there were 6 Liberals and 2 Conservatives.

North-West Territories.

These send four members — three Liberals and one Conservative, but one of the Liberals is Mr. Frank Oliver, Alberta, who is also rated as Independent. This is the same as in the last Parliament.

Davin is Defeated.

In the Northwest Territories, Nicholas Flood Davin has met defeat at the hands of Walter Scott, who years ago was the office boy in The Regina Leader, when Nicholas Flood wrote the editorials. The speaking countenance of the valuable Davin will be missed. Rev. Dr. Douglas, a Liberal, has also been offered up as a sacrifice. His victor was Lake, a Conservative. So, the Territories will show two new faces in the House—Lake and Scott—and the House loses two—Douglas and Davin. The party differences are even.

British Columbia.

The Pacific Province has elected 2 Conservatives, 1 Liberal and 1 Independent, with elections to come, off in Burrard and Yale and Carthoo. In the last House there were 2 Conservatives and 4 Liberals.

Ralph Smith on Deck.

British Columbia sends a new man, Ralph Smith, who is known in the East as a labor advocate.

MALARIAL FEVER

AFTER EFFECTS LEAVE THE VICTIM WEAK AND DEPRESSED.

Miss Emma Huskinson, a Captain in the Salvation Army, Tells How She Regained Her Health Through the Use of Dr. Williams' Pink Pills.

From the "Sun," Orangeville, Ont.

Among the oldest and most highly respected residents of Orangeville is Mrs. John Huskinson, whose daughter, Emma, has for a number of years been an acute sufferer from the after effects of malarial fever. A reporter of the *Sun* hearing of the wonderful effects which Dr. Williams' Pink Pills have had on Miss Huskinson, called at her home to inquire into the truth of the rumor. After stating the reason of his visit, he was kindly received by Mrs. Huskinson, who gave him the following facts of the cure: "Some years ago," said Mrs. Huskinson, "my daughter, Emma, who is now captain of the Newmarket corps of the salvation army, was attacked by malarial fever. She was under a doctor's care for a long time and although she recovered sufficiently to go about, the after effects of the fever left her very weak and the doctor did not seem to be able to put any life into her. She had frequent headaches, was very pale, and the least exertion would greatly fatigue her. We thought a change might do her good and consequently she went on a visit to Toronto. While there she was advised to try Dr. Williams' Pink Pills and at once purchased a supply. Before she had finished the second box she noted a marked change for the better; her appetite improved, her color returned, the feeling of exhaustion had disappeared, and by the time she had taken half a dozen boxes she was enjoying the best of health, and all her old time vigor has returned. Although her work in the Salvation Army is hard and exposes her to all kinds of weather, she has since been able to do it without the least inconvenience.

Some time after my daughter's cure I was myself completely run down, and to add to my trouble was seized with a severe attack of rheumatism. Remembering the benefit my daughter had received from Dr. Williams' Pink Pills, I decided to use them, and before I had taken half a dozen boxes I felt fully recovered and have been in the best of health ever since. My advice to all ailing is to use Dr. Williams Pink Pills for Pale People."

Dr. Williams' Pink Pills have restored more weak and ailing women and girls to robust health than any other medicine ever discovered, which in part accounts for their popularity throughout the world. These pills are sold by all dealers or may be had by mail at 50 cents a box, or six boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

LADIES OF CANADA:

The world never saw such an exhibition of patriotic sentiment as the African war called forth.

Canadians, Australians and the splendid youth of Natal fought side by side with the British tea planters of Ceylon and India.

Australia drinks the teas of Ceylon and India, while Canada already drinks their black tea. Drinkers of Japan tea should try their green teas. Up to date tea merchants (the Salada Company, for instance) now sell them entirely on merit. "Middle-of-the-road men" are only waiting for supplies. While "sit-on-the-fence-men" are waiting to see how the cat will jump.

Ladies of Canada, we pray you aid the British planter. COLONIST.
