LITTLE LOCAL BRIEFLETS

Which Caught the Eyes or Ears of Free Press Reporters this week.

—The teamsters are keeping the roads well opened.

—There has been considerable work for the snow shovel the past week.

—The roads have been heavy the past week but heavy teaming continues.

—The first real blizzard of the winter was the storm on Saturday morning.

—Nearly 500,000 feet of logs have been delivered at Brown's saw mill the past month.

—Acton has no vacant houses now. In several instances families have doubled in one house.

—The delay at Milton delayed the evening mail from Toronto on Tuesday until after ten o'clock.

—Seventeen new members were initiated in Acton Council Royal Templars of Temperance on Monday evening.

—The appointment of Dr. John M. Macdonald, Acton, as associate coroner for the county of Halton, has been gazetted.

—The auction sale of household goods of Mr. Angus Lawson will take place on Saturday evening commencing at 6 o'clock.

—Geo. J. Thorp, Guelph and Rockwood, is giving 45 lb. sack oatmeal for 90 cents instead of 85 lb. sack as published in adv. on first page.

It takes your enemy and your friend, working together, to hurt you to the heart; the one to slander you and the other to get the news to you.

—The granolithic walks by-law was defeated in Oakville last Thursday by a majority of 100 votes. The people concluded that they were in need of fire protection first.

—Mr. Wm. McPhail has plans which, if carried out, necessitate the sale of his house on Main Street this week. It is a comfortable house and should command a ready purchaser.

—Mrs. A. Watt, of Guelph, addressed the members of the Women's Foreign Missionary Society in Knox Church yesterday afternoon. Mrs. Watt is an effective and impressive speaker.

—Mr. Howard Oram took the service in the Methodist Church at Limehouse on Sunday afternoon owing to Rev. Mr. Hagar being ill. He is reported to have preached a very good sermon.

—The annual provincial auction sales of pure bred cattle and swine, under the auspices of the Dominion Cattle, Sheep and Swine Breeders, will be held at Guelph on Wednesday, 27th February.

—Next Sunday is the Chinaman's New Year's Day. The local residents of that nationality are sending out New Year's greetings to their fellow countrymen.

—Owing to the illness of Rev. J. K. Godden, M. A., the rector of St. Alban's Church, there was no service on Sunday morning. Mr. J. B. Wallace, Manager Merchants' Bank, conducted the evening service with much acceptance.

—The annual meeting of the Canadian Press Association, which was to have been held in Montreal on February 14 and 15, has been postponed. It was deemed inadvisable to hold a banquet during the mourning period, and as this is a feature of such gatherings a postponement was decided upon.

—Those who contemplate purchasing mounted work of any description for their cemetery plots, should order direct from the old reliable granite and marble dealer J. H. Hamilton, Guelph, Ont. All expenses allowed to purchasers. All work and material warranted, competition defied.

THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

Parlor Social This Evening.

A parlor social under the auspices of St. Alban's Church will be held at the home of Mr. T. Statham to-night. Music, games and refreshments will form the programme. Messrs. R. J. Gurney, Harry Jeans and others will render solos and there will be attractive songs and choruses from the late Christmas Cantata. An evening of pleasure is anticipated.

Sale of Thoroughbred Stock.

Mr. Paul H. Kennedy will hold a sale of fifty thoroughbred Durhams and grade Durhams on the Gordon farm, lot 28, con. 6, Esquesing, a mile and a half east of Acton, on Saturday, 2nd March. Mr. Kennedy has a lot of very fine stock and this sale will no doubt bring a large number of prominent stockmen to town to be present.

University Extension Lecture.

The local young people's committee of the churches met on Tuesday evening and decided to hold the first lecture of the series in the school room of the Methodist Church on Friday evening, March 1st. Mr. De Lury, of Toronto University, will be the lecturer and his subject: "The Sun in its Relation to Matters Terrestrial." The nominal admission fee of ten cents will be charged. These lectures will be both interesting and instructive and should be attended by a large gathering of our citizens. The programme will include several musical numbers.

An Esteemed Family's Removal.

General regret is felt at the decision of Mr. Angus Lawson to leave Acton. It is their intention to leave next week for Cheyenne, Wyo., where a number of his friends reside, and where he occupied a good position prior to his marriage. Mr. and Mrs. Lawson are highly esteemed citizens and their removal is regretted by Acton people generally. The best wishes of all go with them to their far-western home. Mr. Lawson has leased his fine residence at the head of Frederick Street to Mr. C. J. Smith, the new manager of W. H. Storey & Son's tanneries.

Rev. Dr. Hindley in Methodist Church.

Owing to the illness of the Rev. Jos. M. Hagar, M. A., pastor, the pulpit of the Methodist Church was occupied on Sunday evening by Rev. J. I. Hindley, Ph. D., of Guelph, who is at present in charge of the Congregational Church at Churchill. Dr. Hindley preached an impressive sermon from Gen. 11: 4, 6, 7, "And the people said, go to; And the Lord said, go to." The importance of effective, enduring work was emphasized and Christian workers were exhorted to be careful that the work engaged in has God's approbation. Dr. Hindley's kindness in filling the vacancy was much appreciated by the congregation. A prayer meeting was held at the morning service.

Farewell to Dr. J. P. Coghlan.

Twenty-five of the intimate friends of Dr. J. P. Coghlan, tendered him an oyster supper at the Dominion Hotel last Thursday evening on the eve of his removal from Acton. Mine host Agnew provided a most appetizing menu which all enjoyed. A very pleasant evening was spent. After the cloth was removed ex-Councillor Francis was appointed toastmaster and the usual list of patriotic and other toasts were drunk in cold water. In proposing the toast, "Our Guest," many complimentary remarks were addressed to Dr. Coghlan. His three years' residence in Acton have won for him many friends and his removal is very much regretted. Dr. Coghlan in a brief speech thanked the company for their many kind words and good wishes and stated that he would always have the very kindliest feelings for Acton.

A Loyal Manitoban's Letter.

The following epistle from a former esteemed resident of this vicinity will be read with interest: "In renewing my subscription to the FREE PRESS for another year I pen a few paragraphs relative to affairs in Manitoba. Although last year's crop was considerably below the average, yet we hear no complaints of hard times in this neighborhood. Prices for grain are good, also for other farm products. The winter started in early but has not been extremely cold. So far there is considerably more snow than usual, and, according to predictions of the older settlers a good crop may be expected next season. Land is increasing in value. Farms which I recommended to friends while in Ontario three years ago at from $1,000 to $1,200 are now selling for $2,500. This should be encouraging to any who are in doubt as to the advisability of coming west. I am, very respectfully, W. A. Waldie, Cartwright, Man.

Halton Women's Institute.

The first meeting of the above Society was held in the Town Hall, Milton, on Saturday last. The officers elected were: President, Mrs. J. B. Deacon; Vice-Pres., Mrs. Dr. Robertson; Sec-Treas., Mrs. W. J. Cottrell. The following were appointed Directors: Mrs. J. L. Warren and Mrs. A. T. Mann, Acton; Mrs. Dr. Zimmerman, Mrs. John Dickie, Mrs. F. C. Willmott, Mrs. W. J. Clements, Miss Jessie Elliott, Miss McGregor and Mrs. David Hartley, Milton; Mrs. A. W. Peart, Freeman; Mrs. D. Campbell, Tansley; Mrs. R. A. Fleming and Mrs. W. T. Brown, Trafalgar; Mrs. W. F. W. Fisher, Burlington; Mrs. John Wrigglesworth, Ashgrove; Mrs. M. Crawford, Campbellville; and Mrs. J. McPhedran, Nassagaweya. It was decided to hold a public meeting in the Town Hall, Milton, the last week in February, and have a lady speaker deliver an address. All ladies are invited to join the Society. Membership fee, 25c.—*Reformer.*

Enjoyable Farewell Party.

The Jubilee Orchestra and a few friends tendered Mr. Chas. E. Akins a farewell party at the home of Mr. John Forbes on Tuesday evening. A very enjoyable evening was spent and the following address, accompanied by valuable mementos, including a gold pen and pencil were presented.

To Chas. M. Akins:

DEAR FRIEND:—As a friend of past years no more pleasant duty could devolve upon us than that of attending to you hearty congratulations over the experiences that have fallen for you the proud distinction of a good friend. We wish you a continuation of the success that has so far characterized your career. May your future like your past, be a clear and honest record. As a member of the orchestra during the past we always enjoyed your companionship and smiling countenance. In parting with you we, with your many friends, wish you every success in your new sphere and surroundings. We now present you with these small tokens of friendship. Signed in behalf of the company

W. COOPER,
J. FORBES,
T. AMES.

Mr. Akins made a very suitable reply and feeling farewells and good wishes were then spoken and the company dispersed.

TO CURE A COLD IN ONE DAY

Another Sunday School Sleighride.

The teachers and scholars of the Disciples Sunday School took a sleighride to Limehouse on Tuesday afternoon. It was cold and stormy but they all seemed to enjoy the outing. The pastor, Rev. Mr. McLeod, and the superintendent, Mr. Fred Plank, exerted themselves to give the scholars a good time.

Officers of the I. O. F.

At the last meeting of the I. O. F. the following officers for the present year were installed by the P. C. R.:—

P. C. R.—Thos. Gamble.
C. R.—Jos. Plant.
V. C. R.—E. J. Kingsbury.
R. S.—Jas. Lacky.
F. S. and Treas.—C. O. Speight.
I. W.—Wm. McPhail.
O. W.—Jas. Coleman.
R. S. N. G.—J. W. Husband.
L. S. N. G.—John Ruddick, sr.
Chaplain—Samuel Laird.
Physician—Dr. H. A. McKeague.

Cooper & Akins Dissolve Partnership.

The firm of Cooper & Akins, who have been doing a profitable merchant tailoring business for nearly four years here, have dissolved partnership by mutual consent. Mr. Cooper will continue the business, and Mr. Akins removed this week to Midland, where he has purchased and taken possession of a tailoring business. His removal from Acton is much regretted for he has made hosts of warm friends since he came to Acton, all of whom, while sorry to see him remove, unite in wishing him every success in the flourishing manufacturing town in which he will settle. Mr. Cooper will have greater responsibilities in future but he is fully able to cope with them and will continue to give his patrons satisfaction.

An Enjoyable Fraternal Visit.

About forty members of Milton council and twenty-five from Campbellville paid the Royal Templars of Temperance a fraternal visit on Monday evening. The Milton officers took charge of the meeting and initiated seventeen new members. This speaks well for the manner in which Acton members are working. After business was finished the Milton and Campbellville members furnished an excellent programme. Lunch was then served by the members of the home Council to which all did justice. When lunch was over a few remarks were made by Acton members, after which all went home feeling proud that they were Royal Templars of Temperance, and aiming to accomplish some good in life.

The Connor Moore Memorial Fund.

This worthy fund has reached the very creditable total of $193,80. Since last issue Lieut. Hallantyne, of Georgetown, and Gunner Billy Gould, Acton, have each contributed $2.00 to the fund. Those who desire to contribute to the fund will kindly send in their subscriptions to the FREE PRESS at their earliest convenience. It is desirable that the order for the proposed monument be given by the 1st March so that it may be completed and erected immediately upon the opening of spring.

There has been no canvass for subscriptions, and no doubt many of our business men and citizens are waiting to be called upon. If they will considerately hand in their subscriptions to this office during the next two weeks, their kind action will remove the necessity of calling upon them. The sum of $250 at least is necessary for the monument.

The Canadian Almanac.

This issue of *The Canadian Almanac* for 1901, which forms the fifty-fourth of the series, is unusually valuable, and is indispensible to every office and library in the Dominion. Many of the lists given are not found elsewhere, and in no other volume can so much information about Canada be found in so small a space. In this year of military activity, special attention has been given to military matters in the Dominion. The results of the elections in Canada and Britain are given. The Customs tariff is revised to date, also the Post Office Directory and Gazetteer. As a directory *The Canadian Almanac* is unsurpassed. Full lists are given of the clergy of all denomination, societies and institutes, schools, colleges and universities, barristers and solicitors in Ontario, county and municipal officers, townships, cities, towns and villages, division court clerks, police, magistrates, etc., etc. The Historical Diary, which has been such an interesting feature for the past few years, is continued. Price, in paper covers, 400 pages, 25 cents. Published by the Copp, Clark Company, Limited, Toronto, Ont.
