A SONG OF SNOW TIME.

Sing a song of snow time, now it's passing by,
Million little fleecy flakes falling from the sky;
When the ground is covered, and the hedge and tree,

There will be a gay time for the chickadees.
Boys are in the school house, drawing on their slates
Pictures of the coasting place, and thinking of their skates;
Girls are nodding knowingly, smilingly about,
Thinking of the gay time when the school is out.

Three o'clock, four o'clock—bang! goes the bell,
Get your hats, and coats and wraps, hurry off pell-mell;
Bring along the coasters, all; if you want some fun,
Up to the hill-top, jump and slide and run.

Ready now! Ready now! Each in his place,
Here we go, there we go, down on a race!
Sing a song of snow time, when the snowflakes fall,
Coast-time, skate-time, best time of all.

A WOMAN'S STORY.

Mrs. M. E. Bardwell, of Hamilton, Ont., Tells an Interesting Narrative.

How She Was Saved From The Death That Claimed Her Mother, Grandmother And Aunt.

DR. ARNOLD'S TOXIN PILLS CURED HER.

Why women should suffer more from ill health than men, is a question that has never been satisfactorily answered. But ought women to suffer more than the male portion of the race? We say no. No woman should suffer the complaints known generally as "Female Troubles," which renders so many thousands of women miserable any more than she needs to hold her hand in the fire.

There is a means of curing all these diseases, a safe, sure, simple and unfailing means of curing them, that means is Dr. Arnold's Toxin Pills for weak people.

Read the following letter, which will show how these wonderful pills do their work.

Hamilton, Ont., Nov. 7, 1899.

"I am 46 years old, have six children and always had good health up till two years ago. Then the change of life came on. My grandmother, my mother and my aunt had died during this most critical period, and I felt greatly alarmed. Backache, tender, bearing down pains, shortness of breath, extreme bloating, dizzy spells, accompanied by most intense aching on the top of my head, made my life a burden. I also had inflammation of the bladder, which caused the most agonizing pain.

A neighbor advised me to try Dr. Arnold's Toxin Pills. They had cured her in a time of similar trouble. I bought a supply and used them. In two months I was myself again, strong, robust and vigorous, not a trace of pain remaining. I have used Dr. Arnold's Toxin Pills off and on, ever since, and feel as well as when I was twenty. I most highly recommend Dr. Arnold's Toxin Pills to every woman, who suffers from any of the complaints peculiar to our sex."

Mrs. MARY E. BARDWELL.

Dr. Arnold's Toxin Pills are sold by all druggists, large box 75c. small box 25c. or sent post paid on receipt of price by the Arnold Chemical Co., Limited, Canada Life Building, 44 King Street West, Toronto. Booklet sent free.

Children Cry for

CASTORIA.

Unworthy offspring brag the most of their worthy descent

There is not a more dangerous class of disorders than those which affect the breathing organs. Nullify this danger with Dr. Thomas' Eclectric Oil—a pulmonic of acknowledged efficacy. It cures lameness and soreness when applied externally, as well as swelled neck and crick in the back; and, as an inward specific, possesses most substantial claims to public confidence.

Do they not err that devise evil? but mercy and truth shall be to them that devise good.

NURSING MOTHERS

want Scott's emulsion of cod-liver oil, almost without exception. So before they get to be mothers, eating for two is no small tax, continued for months.

The emulsion not only is food itself; it gives strength for digesting usual food.

If the milk is scanty or poor, the emulsion increases supply and enriches quality.

We'll send you a little to try if you like.

LINCOLN'S DANCING.

Mrs. Lincoln was almost as ready to laugh as her husband, and it sometimes happened that he was the point of her joke.

One evening, sometime before she married Abraham Lincoln, Miss Todd was at a little evening party, surrounded by a bevy of young women. When the music struck up, her tall and gawky admirer approached, and much to her amusement, said, in his peculiar idiom;

"Miss Todd I want to dance with you the worst way."

Miss Todd accepted the invitation, and casting a look full of meaning at her friends, she did her best to keep clear of Lincoln's great boots. Finally she returned to her seat, quite out of breath from her exertions.

"Well Mary," said one of the girls, "did he dance with you the worst way?"

"Yes," she answered, "the very worst."

A MESSAGE OF HOPE

To Mothers, Wives and Daughters.

PAINE'S CELERY COMPOUND

The Only Banisher of Disease and True Life-Giver for Broken-down and Afflicted Women.

The Wondrous Medicine that Cures When all Others Fail.

Thankful and grateful women throughout Canada take pleasure in recommending Paine's Celery Compound to their afflicted sisters. The marvellous medicine promptly gives that health and strength that all wearied, nervous, despondent and broken-down women so much need.

Jessie M. Ross, Cayon, Que., writes as follows:

"It affords me much pleasure to testify to the great good that Paine's Celery Compound has done for me. I was completely rundown in health and a victim of female weakness, and after using three bottles of the great Compound I was completely cured. It is the best blood purifier I know of, and I recommend it to all who suffer as I did."

In all labor there is profit; but the talk of the lips tendeth to penury.

A Bicycle fitted with Dunlop Tires is held in higher estimation because its maker put a perfect finish on it. You can have Dunlop Tires with "the thickened tread" on any wheel you buy—no extra charge.

Scrofula the Cause.

Eczema, catarrh, hip disease, white swelling and even consumption have their origin in scrofulous conditions. With the slightest taint of scrofula in the blood, there is no safety. The cure for this disease in all its forms is Hood's Sarsaparilla, which goes to the root of the trouble and expels all impurities and disease germs from the body.

The best family cathartic is Hood's Pills.

Few men ever forgive the men whom they have injured.

White Watery Pimples.

Five years ago my body broke out in white watery pimples, which grew so bad that the suffering was almost unbearable. I took doctors' medicine and various remedies for two years but they were of little benefit, whenever I got warmed up or sweat the pimples would come out again. A neighbor advised Burdock Blood Bitters, and I am glad I followed his advice, for four bottles completely cured me. That was three years ago and there has never been a spot or pimple on me since.

James Lashouse,
Brechin P.O., Ont.

Speak little of your ill luck, and boast not of your good luck.

Attention to the world of homœopath medicine has been its very source of progress, as in politics and religion—the difficulties of opinions and the individuality of men have been parent to the disagreement by which the standard of these bodies have been elevated. So with most of our famous preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and languor, "Quinine Wine,"—and which when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system, Quinine Wine, and its improvement, has, from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and and natural life-living stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrop and Lyman, of Toronto, have given to the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects which skilled observation and scientific opinion has pointed out in the less perfect preparations of the latter.

The best pills.—Mr. William Vandervoort, Sydney Crossing, Ont., writes: "We have been using Parmelee's Pills, and find them by far the best pills we ever used." For delicate and debilitated constitutions these pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and vigor.

When a tree falls everyone runs to gather sticks.

Catarrh for twenty years and cured in a few days.—Hon. George James, of Scranton, Pa., says: "I have been a martyr to Catarrh for twenty years, constant hawking, dropping in the throat and pain in the head, very offensive breath. I tried Dr. Agnew's Catarrhal Powder. The first application gave instant relief. After using a few bottles I was cured.—50 cents.

Shame comes to no man unless he himself help it on its way.

Two Years Abed.—"For eight years I suffered as no one ever did with rheumatism; for two years I lay in bed; could not so much as feed myself. A friend recommended South American Rheumatic Cure. After three doses I could sit up. To-day I am as strong as ever I was."—Mrs. John Cook, 287 Clinton street, Toronto.—2

Speak little of your ill luck, and boast not of your good luck.

"Thought it meant death sure."—Mrs. James McKim, of Dunnville, Ont., says of her almost miraculous cure from heart disease by Dr. Agnew's Cure for the Heart: "Until I began taking this remedy I despaired of my life.—I had heart failure and extreme prostration. One dose gave me quick relief and one bottle cured me. The sufferings of years were dispelled like magic."—3

Sold by A. T. Brown.

The tooth often bites the tongue, and yet they keep together.

A modern weapon in the battle for health.—If disease has taken your citadel of health, the stomach, and is torturing you with indigestion, dyspepsia and nervous prostration, South American Nervine is the weapon to drive the enemy from his stronghold "at the point of the bayonet," trench by trench, but swift and sure, it always wins.—4

Sold by A. T. Brown.

Unworthy offspring brag the most of their worthy descent.

Pill Sense.—It stands to reason that Dr. Agnew's Little Liver Pills will crowd out of the market many of the nauseous old-timers. A better medicine at less than half the price is all the argument needed to keep the demand what it has been—phenomenal—40 doses to 25 cents. They cure Sick Headache, Biliousness, and allay all stomach irritations.—5

While the great bells are ringing no one hears the little ones.

Have you a tired feeling? Any of these signs prove kidney disease. Experience has proved that South American Kidney Cure never fails.—6

He who would seek revenge must be on his own guard.

Eat what you like.—Give the digestive organs some work to do. These functions need exercise as much as any part of the human anatomy, but if they're delicate, give them the aid that Dr. Von Stan's Pineapple Tablets afford and you can eat anything that's wholesome and palatable—60 in a box, 35 cents.—8

He who lives without restraint will die without honor.

Severe colds are easily cured by the use of Hickle's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. Bob McCready.

Above is a splendid portrait of Bob McCready, one of the best football players in Canada. He is a member of the Ottawa University team, and has been in all of its championship matches. He is a splendid specimen of robust Canadian manhood, but, strong as he is, he has known what it is to suffer from dyspepsia. So seriously afflicted was he at the opening of the past (1900) season, that he was not able to be out with his team. Pains in the back and sides, intermittent headache, and the awful pangs he suffered after eating, the result of an impaired digestion, warned him that he was in no condition to play football, the hardest of all games. Besides, he lacked the energy to carry him through a campaign. He consulted his physician, but that gentleman gave him no relief. "At this stage," he writes, "I was advised to try Dr. Petty's Pills, the new remedy that one of my friends assured me was wonderful in its effects. I was skeptical, but he sounded their praises so persistently that I was at length induced to try them. The very first dose drove the pain away, and at the end of a week I rejoined my team, and I have come through one of our hardest seasons in the best form that I have ever been in. Dr. Petty's Pills are alone to thank for my new condition. They are the best medicine I have ever taken. They make one so strong and so full of energy. I, for one, shall never take any others when I feel in need of a strengthener." Such is the unanimous opinion of this well-known athlete, and such will be the experience of everyone who tries this wonderful remedy. If your druggist cannot supply you, write to us, enclosing price, 50 cents a bottle, six bottles for $2.50. Address The Dr. Petty Medicine Co., Ottawa, Canada.

TASKS FOR THE NEW CENTURY.

The New York *Journal and Advertiser* has been collecting opinions on "What is the Most Important Task of the Twentieth Century?" Here are some of the replies:

The union of the English-speaking nations—that will be the first long step toward the millennium.—Conan Doyle.

I wish to see, realized in the twentieth century the utter stupidity, criminality and uselessness of war.—Max Nordau.

I hope for the disappearance of class and monies, and for that end a general recognition by the rich of their duties to the poor.—Sir Edmund Monson.

The hope of the new Century is the union of the English-speaking race in the interest of education, liberty, peace and civilization.—Ian Maclaren.

The task of the twentieth century is herculean, alas! Europe and America in arms do not make a beautiful promise for the future of the world.—Francesco Crispi.

Considering the events of the last years of the nineteenth century, I would like to see the triumph of justice in all the possible acceptations of that word—the triumph of right over force and human imbecility.—G. Clemenceau.

I hope for the promotion of unity by greater simplicity of worship and more lowliness in religion. I hope for arbitration instead of war, and for the triumph of justice and universal brotherhood over out greed of gain.—Edna Lyall.

I hope the growing power of civilized sentiment will enable the coming century to witness some effective practical steps toward placing international relatives upon a basis more in unison with the peaceful fulfilment of human destiny.—Marquis Ito.

During the last quarter of a century greed for gain has been gradually obscuring the inalienable rights of the individual. I know of no more imperative task for the twentieth century than the restoration of man in his rightful position of paramount importance.—William Jennings Bryan.

I should like to see the profession of arms, now considered by many the most honorable, held in the twentieth century to be of all human occupations the most dishonorable. I should like to see the killing of men under the name of war abolished and the earth thereby freed from its foulest stain.—Andrew Carnegie.

NO RESEMBLANCE.

It costs nothing to be ordinarily polite, even under adverse circumstances, and it generally pays. A passenger in a sleeping-car, who was tired and sleepy and wanted to go to bed, called out to a man who had just entered the coach and was hurrying through it:

"Hey, isn't it about time to have those berths made up?"

"What do you take me for?" angrily replied the other, stopping and coming back. "Do I look like a sleeping-car conductor, sir?"

"No," slowly rejoined the tired passenger, looking up at him wearily. "You do not. I beg your pardon. My observation is that a sleeping-car conductor is always a gentleman."

CASTORIA.

Where you cannot climb over you must creep under.

Chronic derangements of the stomach, liver and blood are speedily removed by the active principle of the ingredients entering into the composition of Parmelee's Vegetable Pills. These pills act specifically on the deranged organs, stimulating to action the dormant energies of the system, thereby removing disease and renewing vitality to the afflicted. In this lies the great secret of the popularity of Parmelee's Vegetable Pills.

For the early stage, Scott's Emulsion is a cure. For the second stage, it cures many. And for the last stages of consumption it soothes the cough and prolongs the life.

If silence were sin and speech were piety the earth would be full of saints, and the tower of Babel would be the plan of salvation.

Tailors' Bad Backs.

The cramped up position in which a tailor works comes hard on his kidneys and hard on his back. Very few escape backache, pain in the side and urinary troubles of one kind and another.

Oftentimes the first warnings of kidney disease are neglected—think it will be all right in a day or two—but sick kidneys won't get well without help.

DOAN'S KIDNEY PILLS

Are the best friend of kidneys needing assistance. Read the proof from a tailor who has tried them.

Mr. John Robertson, merchant tailor, Durham, Ont., gives his experience as follows:

"I had been ailing with my kidneys for more than a year when I commenced taking Doan's Kidney Pills, which I got at Mc Farlane's drug store, and am sincerely glad that I did so. The wrong action of my kidneys made me sick all over and caused me much inconvenience and pain. That is now a thing of the past, because Doan's Kidney Pills cured me. I have had no trouble or inconvenience with my kidneys or back since I took these remarkable pills, and you may be sure that I gladly recommend them to other sufferers."

LAXA-LIVER PILLS

are the ladies' favorite medicine. They do not purge, gripe, weaken or sicken. They act naturally on the stomach, liver and bowels, curing constipation, dyspepsia, sick headache and biliousness. Price 25c.
