LITTLE LOCAL BRIEFLETS

Which Caught the Eyes or Ears of Fred Press Reporters this week.

— Fifth month — May.

— Yesterday was May Day.

— Local fishing season opened this morning.

— These are moving days with many events.

— Smallpox is coming nearer. Better be vaccinated at once.

— The cyclists are out enjoying the country roads again.

— The boys took their first swim in Fairy Lake on Saturday.

— The leaves of the maple, larch and other trees are bursting out.

— The well-kept lawns in town have a most refreshing appearance now.

— Confirmation services will be held in the Methodist Church next Sunday.

— The tulips are blooming and lend an elegant coloring to the vernal tint of spring.

— There has been a pretty general increase in wages at the laundries the past month.

— The last week of April was certainly a delightful continuation of glorious spring weather.

— The 24th of May will herald another "Victoria Day," and will be a public holiday.

— The local orangemen are already taking steps to ensure a successful celebration on the Twelfth of July.

— A large number of our citizens attended the funeral of the late David W. Smith of Chelburn on Monday.

— Mrs. (Mrs.) W. G. Charlton, of Mapleton, spent a couple of days during the week with Action friends.

— Building operations have commenced at the four mills. Mr. Gibb, the new miller, is evidently a man of enterprise.

— Halton Woman's Institute is in session in the town hall as we go to press. Report of proceedings will be given next week.

— The annual service of the House of God will be preached by Rev. J. A. Macpherson in Knox Church next Sunday evening.

— Brown's saw mill has commenced operations upon the big stock of lumber in the yard. The planing mill is also running full time.

— Messrs. T. Statham & Son have removed their bakery and grocery to the premises lately occupied by Mr. John Kennedy.

— Mr. and Mrs. Guyett, late of the Commercial Hotel, left yesterday for possession. Mr. and Mrs. Holland are not entirely strangers to Action. Mr. Holland is a visitor to Mr. David Cartly, Esqueline, and they were married in St. Joseph's Church, here, some years ago by Rev. Peter D'Amato.

— Those who contemplated purchasing monumental or work of any description from the cemetery plate should order direct from the old reliable granite and marble dealer J. H. Hamilton, Guelph, Opt. All expenses allowed to purchasers. All work and material warranted, composition deduced.

TO THOSE ABOUT TO MARRY.

Young men or old men who intend to marry will be pleased to learn that the new Marriage Act is made quite simple by applying to H. F. Moore, Minister of Justice, at the Free Press Office. Call a few days before the ceremony and have the minister appointed. Private office. All business strictly private and confidential.

All residence in evidence.

## THE NEWS AT HOME.

Mostly of a Local Character, and every item interesting.

Don't Miss Down Your Town.

If you don't like your location, move.

You will not be missed. If you can't say something good of the town in which you live and make that living keep your mouth shut. You not only lose the ill will of enterprising citizens, you display your ignorance. If you have a speech well of your tongue, have a good town to talk to. If you have a good town to talk to, it would look around you and ask your wife to work to notice its advantages.

Will Not Accept the Call.

At the morning service in Knox Church last Sunday Mr. Macpherson referred to the cell he had received from the congregation at Collingwood, and stated that after mature consideration he had decided not to accept it, but would remain as pastor of the church which had shown him such marked interest.

He replied that his cell was in the hands of the carpenter who had shown him such marked interest.

He then turned to the congregation.

He said: "I am a great sufferer."
